

TUESDAY, MARCH 20, 2018

1:36 P.M.

ACTING SPEAKER AUBRY: The House will come to order.

Before our opening prayer, let us pause for a brief moment of silence as we keep in our thoughts and memories the four New York Airmen, two of them members of the New York City Fire Department, who died this past Thursday in Iraq when their helicopter crashed. Let us keep in our thoughts the victims and their families, and may their memories always be with us.

(Whereupon, a moment of silence was observed.)

Reverend Gilbert Pickett will offer a prayer.

REVEREND PICKETT: Let us pray. Oh Lord, our God, how excellent is Thy name in all the Earth, for we know that there's none like Thee. We thank You for the dawning of this brand-

new day, and how You're keeping us even right now as we are preparing for the order and the business of this great State. We're praying for our Governor and this government. We are praying for the visionary leadership of our Speaker. We're praying for every man and woman of this great Assembly. Continue to allow us to unite together on one accord for the uplifting not only of Thy Kingdom, but also for the betterment of the people of State of New York. So just bless our very being and have thine own way as You bring hearts and minds together on one accord. We ask this now, in the name of God, our Father and Creator, Christ our Savior and Redeemer, the Holy Spirit, our comforter and strength.

Amen.

MEMBERS: Amen.

ACTING SPEAKER AUBRY: Visitors are invited to join the members in the Pledge of Allegiance.

(Whereupon, Acting Speaker Aubry led visitors and members in the Pledge of Allegiance.)

A quorum being present, the Clerk will read the Journal of Monday, March 19th.

Mr. Morelle.

MR. MORELLE: Thank you, Mr. Speaker. I move to dispense with the further reading of the Journal of Monday, March 19th, and ask that the same stand approved.

ACTING SPEAKER AUBRY: Without objection, so ordered.

Mr. Morelle.

MR. MORELLE: Yes, thank you, Mr. Speaker.

Colleagues, in just a moment I'll give our schedule for the day, but I did want to note that on this day in 1960, Dorothy Irene Height's first column, called "A Woman's Word", appeared on page 8 of the New York Amsterdam News. Dorothy was an educator, a civil rights and women's rights activist, specifically focused on the issues of African-American women. She was the President of the National Council of Negro Women for 40 years, and was awarded the Presidential Medal of Freedom in 1994, and the Congressional Gold Medal in 2004. We should remember all of her incredible works over the years.

And under the heading of "Did You Know," did you know that the *Twilight Zone* creator, Rod Serling, was born in Binghamton, New York, located in the 123rd Assembly District represented by our friend, Ms. Lupardo? Following his service in the U.S. Army during World War II, Serling received a Bachelor's degree and began writing for TV and radio. His Emmy Award-winning show first aired in 1959, with a handful of episodes drawing from his upbringing in Binghamton. I don't know what life was like in Binghamton in those days, but a little unusual, I'd say, if that's where he derived his inspiration.

But we are not in a twilight zone here, we're in the New York State Assembly, and let me give you a --

(Laughter)

-- although it may seem to mirror that at times. But let me -- let me give our schedule for the day, Mr. Speaker. We have on our desks a main Calendar. After any introductions and housekeeping, we will continue our consent of bills already on the Calendar, beginning with Calendar No. 339, which is on page 44. In addition, we will be taking up other bills from the main Calendar. Again, I think it bears noting that as budget negotiations continue, Mr. Speaker, we will be making announcements on any Budget subcommittee, conference committee meetings as they become available, if that information becomes available. For our Majority members, there will be the need for a Democratic conference at the conclusion of Session today. And, as always, I will consult with our friends in the Minority to see if they have -- throughout the day, if they have enough conference needs as well.

So, with that, Mr. Speaker, if there are introductions or housekeeping, this is the appropriate time, sir.

ACTING SPEAKER AUBRY: Certainly.

Ms. Hyndman for the purposes of an introduction.

MS. HYNDMAN: Good afternoon, and thank you. I rise today to introduce Reverend -- to re-introduce Reverend Gilbert Pickett, Sr., who was born in Flushing, New York and raised in Corona-East Elmhurst. He graduated from Jamaica High School, and he's a veteran of the U.S. Armed Services -- U.S. Air Force. And shortly after that, he acknowledged his call to preaching in 1988. He graduated from sem -- se -- seminary in 1990, and he has been a

pastor since 1993. Reverend Pickett has a compassion for missionary work, targeting community relief efforts for victims of natural disasters. He currently serves as moderator of the Eastern Baptist Association. He's a clergy liaison for the 150th Precinct, and Chairman of the Home Mission Board of the Empire Baptist Missionary Convention. He's the Executive Secretary of the Home Mission Board of the National Baptists, and he's a member of the Baptist Conference of Greater New York and the vicinity.

Please extend the cordialities of the House. Thank you very much.

ACTING SPEAKER AUBRY: On behalf of Ms. Hyndman, the Speaker and all the members - and myself, as you are a -- a member of my community, and have been for years - we welcome you here to the New York State Assembly. We extend to you the privileges of the floor. We hope that you will come back and visit us. And thank you so much for spending this time with us, Reverend.

REVEREND PICKETT: Thank you. Thank you so much. Thank you.

(Applause)

ACTING SPEAKER AUBRY: Ms. Fahy for the purposes of an introduction.

MS. FAHY: Thank you, Mr. Speaker, and for allowing me to interrupt the proceedings for an introduction. I have with me today a local high school student here from Guilderland High School, which I represent, and his is Shashank Shamshabad. Sorry if

I'm -- I hope I got that right. He is 14 years old and only a 9th grader, but his resume completely defies his years. He is interested and participates in music and dance and history club, and helped create a website while in middle school last year, and even produced a documentary that was screened at a local international film festival. He also acted in a play on Gandhi, and -- for History Day, and he is a regular news reader -- was a regular news reader at the Farnsworth Middle School last year as well. Aside from that, he does singing, choir, band, and one of my personal favorites, a member of the track team, as well as tennis. He is also interested in cyber security, and he's one of the youngest certified ethical hackers in the world, which I know all of us hear a lot about. And if you would -- that just begins to talk about his resume, but if you would, grant him the cordialities of the House, Mr. Speaker. Thank you.

ACTING SPEAKER AUBRY: Certainly. On behalf of Ms. Fahy, the Speaker and all the members, we welcome you here to the New York State Assembly, the People's House. We extend to you, sir, the privileges of the floor. We hope that you continue on such an excellent path and move on to college to enhance your skills and be a greatly-enhanced member of our community. Thank you so very much for being with us today. Always feel free to come back. Thank you.

(Applause)

Mr. Raia for an introduction.

MR. RAIA: Thank you, Mr. Speaker. In keeping

with the new policy of only speaking once on an introduction, I am joined by my colleague, Kimberly Jean-Pierre, as we introduce some very special students from the Half Hollow Hills School District in -- in Dix Hills, in the Town of Huntington. And these students come up every single year for as long as I can remember. And you want to talk about lobbyists for issues that are important to young people? They are the epitome of it. They understand the finite issues that we deal with and how it affects their educational system.

So, Mr. Speaker, they're joined by some wonderful volunteers and educators as well, and we'd like you -- well, Kimberly, would you like to --

MS. JEAN-PIERRE: No.

MR. RAIA: No? Okay. This doesn't count as one? I'd like you to welcome these wonderful students and -- and teachers and parents, and offer them all the cordialities of the floor because they are our future, and with them, our future is bright. Thank you, Mr. Speaker.

ACTING SPEAKER AUBRY: Certainly. On behalf of Mr. Raia, Ms. Jean-Pierre, the Speaker and all the members, we welcome you here to the New York State Assembly. We extend to you the privileges of the floor. Always pleased to have you join with us, and hope your high school years will continue to be -- prosper and be well. We will always be welcome to have you. Thank you for coming, and thank you to the adults that have accompanied you. Thank you.

(Applause)

Mr. Blankenbush for an introduction.

MR. BLANKENBUSH: Thank you, Mr. Speaker, for allowing me a time for this introduction. Coming down from Jefferson County today, a group of -- of my constituents, led by Meredith George, who, by the way, has helped me tremendously with her daughters in every parade we go to, and I just told her that this year there's probably going to be, like, 13 of them. So, I -- I want to welcome them down here in Albany to look at the procedures. And it's the Thousand Islands LEAH, Loving Education at Home, group. It's a home-schooled group from Jefferson County. They're down here for the day, and I would like to have you offer them the cordiality of the floor and welcome them to Albany. Thank you, Mr. Speaker.

ACTING SPEAKER AUBRY: Certainly. On behalf of Mr. Blankenbush, the Speaker and all the members, we want to welcome this extraordinary group of students and adults here to the New York State Assembly. We extend to you the privileges of the floor, and hope that you will enjoy your day here in Albany and it will be instructive. And maybe Mr. Blankenbush will find a 14th venue for you to help them out with so we don't have that 13th curse that gets put on. Thank you so very much. Always feel free to come back. Thank you.

(Applause)

Mr. Morelle.

(Pause)

MR. MORELLE: Thank you, Mr. Speaker. I would like to begin with resolutions on page 3, and begin with Assembly Resolution No. 930 by Ms. Hyndman. And I understand she wishes to speak on the resolution.

ACTING SPEAKER AUBRY: The Clerk will read.

THE CLERK: Assembly Resolution No. 930, Ms. Hyndman. Legislative Resolution memorializing Governor Andrew M. Cuomo to proclaim March 20th, 2018 as Queens Day in the State of New York.

ACTING SPEAKER AUBRY: Ms. Hyndman on the resolution.

MS. HYNDMAN: So, if you didn't know already, it's Queens Day in Albany. And so, borrowing a line from our esteemed Borough President, Melinda Katz, *Everyone wants to come to Queens, live in Queens, and raise their families in Queens*. So, we speak over 100 languages and have more diversity in our communities, more so than anywhere on the planet. From the booming Long Island City to the blossoming Flushing, to the revitaliz -- revitalization of downtown Jamaica and to the breezy Rockaways, we are a borough on the move. Watch us while we work. MR. GOODELL: Thank you very much, Mr.

Speaker, for allowing me to interrupt our proceedings. It's my pleasure to introduce to all of us Darryl Bloom. Mr. Bloom is the Cattaraugus County Public Defender. I am very hopeful that none of us will need his services in Cattaraugus County, because none of us will be arrested in Cattaraugus County or need the services of the public defender. But nevertheless, it is a great, great public service to those who are indigent who live in Cattaraugus County to have an individual of this -- of Mr. Bloom's caliber there to represent them and ensure that they have their day in court.

Mr. Ortiz to explain his vote.

MR. ORTIZ: Thank you, Mr. Speaker. I would like to commend the sponsor of this particular piece of legislation which will allow insurance coverage for eating disorders. As you probably recall, seven years ago I passed legislation in this Chamber allowing three center of eating disorder to be open throughout the State of New York; one in the Western Hemisphere in New York State, one here in Albany and the other one in the City of New York. And I am standing here today, Mr. Speaker, because I know how do this impact our community. And, specifically, I do have one in my home -- in my -- in my household, who's suffering from eating disorder. I just discovered that a week ago. And I'm here standing to all my colleague here that this is an issue that -- that you cannot really identify so quick. And as I was looking to one of my own that I love so much, I will tell you this much, that I had no idea that there was -- she was suffering from eating disorder.

So, Mr. Speaker, I encourage my colleague to please support this piece of legislation and I hope that piece of legislation will be -- come to be a real -- a real -- a reality in the Senate, and the Governor will sign, too -- will sign this bill into law to protect so many people that run into disadvantage because their coverage -- their

coverage is so expensive when it's come to the treatment and the residency of eating disorders. Therefore, Mr. Speaker, I withdraw my vote (sic) and vote in the affirmative.

MR. MORELLE: Mr. Speaker, I note that you have resolutions, including one by Ms. Rosenthal, and she wishes to be heard on it. If you could take those resolutions up.

ACTING SPEAKER AUBRY: The Clerk will read.

THE CLERK: Assembly Resolution No. 935, L. Rosenthal. Legislation Resolution honoring the life and legacy of Mathilde Krim, an innovative scientist and devoted activist and leader in the fight against HIV/AIDS.

ACTING SPEAKER AUBRY: Ms. Rosenthal on the resolution.

MS. ROSENTHAL: Thank you, Mr. Speaker. Today I rise in remembrance of Mathilde Krim, the founding Chairwoman of amfAR, the American Foundation for AIDS Research.

Mathilde Krim passed away on January 15th, 2018 at the age of 91 at her Kings Point home and left an immense legacy. After the first cases of AIDS were reported in 1981, Mathilde Krim recognized the grave consequences that this virus was having, and took the lead in research about its transmission and raising awareness. Her Ph.D. in Biology provided her the knowledge to become an indispensable part of the quest for some of the earliest HIV/AIDS treatments and therapies, and led to her being known as a scientist-turned-activist.

At the height of the AIDS crisis when many were turning their heads, Dr. Krim was on the front lines of this war trying to expand research efforts and mitigate the devastating impact that AIDS was having. She was fearless in her efforts and was quick to quell all the fears and misconceptions being spread about HIV and AIDS. It is in large part due to the efforts of Dr. Mathilde Krim that we have gained a better understanding of this virus and been able to diminish the stigma that is experienced by individuals affected by HIV and AIDS.

A true crusader in this battle, we owe her an immense debit -- sorry, an enormous debt of gratitude for her tireless dedication to all she helped accomplish and to all of the lives she helped save. Thank you.

ACTING SPEAKER AUBRY: Thank you.

Ms. Glick on the resolution.

MS. GLICK: Thank you, Mr. Speaker, I'll be brief. I want to commend the sponsor for bringing this forward. And while

you can read a -- a compendium of all of her wonderful work, I would be remiss if I didn't stand to say what a warm and genuine person she was, and how caring she was and, in many ways, had the most incredible sort of Simone Signoret kind of elan about the way in which she approached people. And she was wonderful, she was supportive, she was kind. And she was very caring and opened her home repeatedly for various events in order to raise necessary funds, both for causes and for people. And she will, of course, be missed.

Thank you, Mr. Speaker.

ACTING SPEAKER AUBRY: Thank you.

On the resolution, all those in favor, signify by saying aye; opposed, no. The resolution is adopted.

We have numerous other fine resolutions, we will take them up in one vote. On the resolutions, all those in favor signify by saying aye; opposed, no. The resolutions are adopted.

Mr. Morelle.
