

MONDAY, MAY 9, 2022

4:47 P.M.

ACTING SPEAKER AUBRY: The House will come to order.

In the absence of clergy, let us pause for a moment of silence.

(Whereupon, a moment of silence was observed.)

Visitors are invited to join the members in the Pledge of Allegiance.

(Whereupon, Acting Speaker Aubry led visitors and members in the Pledge of Allegiance.)

A quorum being present, the Clerk will read the Journal of Sunday, May 8th.

Mrs. Peoples-Stokes.

MRS. PEOPLES-STOKES: Mr. Speaker, I move to

dispense with the further reading of the Journal of Sunday, May the 8th and ask that the same stand approved.

ACTING SPEAKER AUBRY: Without objection, so ordered.

Mrs. Peoples-Stokes.

MRS. PEOPLES-STOKES: Thank you, sir.

Colleagues and guests that are in the Chamber, I would like to begin with a quote today. This one again is from Maya Angelou and it says, *As you grow older, you will discover that you have two hands, one for helping yourself and the other one for helping others.* That might seem a little simplistic, Mr. Speaker, but it's aptly appropriate, particularly in a House where we do a lot of helping others.

Colleagues have on their desk a main Calendar. It has 59 new bills on it, and we also have a debate list. And after there is housekeeping and introductions, Mr. Speaker, we're going to take up resolutions on page 3. Our principal work for today will be to take up new bills on consent beginning with Calendar No. 586 and going straight through to Calendar No. 644. There may be a need, Mr. Speaker, for further additional floor activity. Should that be the case, I will be alerting folks to let them know that. That's a general outline of where we're going right now, sir. Now is a great time for housekeeping. Thank you.

ACTING SPEAKER AUBRY: Thank you. We do have housekeeping.

On a motion by Mr. McDonald, page 6, Calendar No.

594, Bill No. 5411-B, amendments are received and adopted.

On a motion by Ms. Clark, page 9, Calendar No. 609, Bill No. 8105-A, amendments are received and adopted.

On a motion by Mr. Eichenstein, page 11, Calendar No. 619, Bill No. A8869-A, amendments are received and adopted.

For the purposes of an introduction, Mr. Burdick.

MR. BURDICK: Thank you, Mr. Speaker. I rise for the purpose of making introductions of four of my constituents who are here today, and if you could please stand so we may recognize you. We have 14-year-old Jared Saiontz, his mother, Stacey Saiontz, and his grandparents Sammy and Jean Feldman also are here. And just a very brief word about Jared. Jared is a 14-year-old constituent of the Town of New Castle with over 26 life-threatening food allergies who contacted me a few weeks back with a heartfelt plea that I sponsor a resolution, which we will be taking up today, which is to memorialize Governor Kathy Hochul to declare May 9th through 14th, 2022 as Food Allergy Awareness Week, and that's in conjunction with the observance of National Food Allergy Awareness Week. So I wanted to introduce my constituents, Mr. Speaker.

ACTING SPEAKER AUBRY: Certainly. On behalf of Mr. Burdick, the Speaker and all the members, we welcome this wonderful family here to the New York State Assembly, extend to you the privileges of the floor. Thank you for the work that you're doing not just for yourself, but other individuals who suffer the same malady. We hope that this work is successful and that we are able to

protect our population and have them understand the difficulties that you have faced in your life. Thank you so very much, and we're really pleased to have you, sir. Have a great life.

(Applause)

Ms. Lupardo for the purpose of an introduction.

MS. LUPARDO: Yes, thank you very much, Mr. Speaker. I rise to introduce Lieutenant Colonel Frank Birt who is visiting us from the Broome County/Chenango County area. He is the Government Relations Advisor to the New York wing of the Civil Air Patrol. As many of you know, we do have a legislative squadron with almost 40 members, and Mr. Birt, Lieutenant Colonel Birt is our liaison. So would you please give him a welcome, Mr. Frank Birt.

ACTING SPEAKER AUBRY: Certainly, sir. On behalf of Ms. Lupardo, the Speaker and all the members, we welcome you here to the New York State Assembly. We extend to you the privileges of the floor, hope that your time here will be beneficial. Continue the great work that you're doing. Please know that you are always welcome here, sir. Thank you.

(Applause)

Mr. Jensen for the purposes of an introduction, sir.

MR. JENSEN: Thank you very much, Mr. Speaker. I rise to introduce and welcome three constituents of mine, Ms. Santii Patel, and her parents Rebecca Jason and Shiv Patel. Santii, in following the words of the Majority Leader today, has truly made a difference in the lives of others. Through her not-for-profit

organization, Santii's Smiles, she saw that young people of different abilities in the Town of Greece may not have the same opportunity to play with their friends as other children, and so she raised over \$10,000 to help make one of our town's parks and playgrounds more handicapped accessible. In that model and in that vein, she just doesn't want to stop with one park. Her goal is to make every park in the State of New York, in the United States of America, and worldwide available so that all children can play. In the Rochester area, she is the youngest recipient in the history of the very prestigious ESL Jefferson awards, which recognizes exemplary people and citizens in the Rochester area. And I'm proud to call her my constituent and my neighbor, and I'd ask you to welcome her and her family to the floor.

ACTING SPEAKER AUBRY: Certainly. On behalf of Mr. Jensen, the Speaker and all the members, we welcome the Patel family here to the New York State Assembly, and we extend to you the privileges of the floor and our appreciation and pride in you, my young friend, for the work that you have done to help other young people. We hope you will continue that into your adult years because that will make this State and this world a better place. Thank you so very much. Continue your great work.

(Applause)

Mr. Angelino for the purpose of an introduction.

MR. ANGELINO: Thank you, Mr. Speaker. I rise to introduce two -- two men who are former members of this House.

They made the bumpy, long journey up Interstate 88 to be with us today. First, a man who served from 1993 to 2004 representing the 123rd Assembly District, Bob Warner. The next, a man who needs no introduction into this House, but did serve the people of the 122nd Assembly District, the district I currently represent. He served from 1995 to 2020, my mentor, Assemblyman Cliff Crouch. And I further ask that the Sergeant-of-Arms be lenient to their combined presence here today.

(Laughter)

Thank you, Mr. Speaker.

ACTING SPEAKER AUBRY: Certainly. On behalf of Mr. Angelino, the Speaker and all the members, once a member, always a member. So great to see the both of you. Happy that you have had this opportunity to return and share a night with us. We hope that life is good for both of you. And understand that your history here in the Chamber requires no delineation. You both served with distinguishment and we appreciate that you have come back and shared this moment with us. Thank you, gentlemen.

(Applause)

Mr. Byrne for the purposes of an introduction.

MR. BYRNE: Thank you, Mr. Speaker. I rise for the purposes of an introduction to introduce a friend and predecessor of mine, the Honorable Will Stephens, Jr., who served in this Chamber from 1996 to 2006, ten years. He is a legacy of this Chamber, right, not only his father, Will Stephens, Sr., but D. Mallory Stephens also

served in this Chamber. Will is also -- was distinguished while he served here by serving as the Minority Leader Pro Tem, he served as the Floor Leader for the Republican Conference, was a member of many different committees and commissions, continues to support the people of this State and this Chamber in those roles, and he continues to support the people of the community that he lives in, the people of southeast, by serving as Town Attorney. I know he's here for some festivities this evening and just to meet with some old colleagues. And if you could, Mr. Speaker, please extend the cordialities of the floor.

ACTING SPEAKER AUBRY: Certainly. On behalf of Mr. Byrne, the Speaker and all the members, Will, good to see you, my friend. Glad that you have come back to join us today for this occasion. Brings back great memories of those times that we served together. Thank you so very much. I hope life is being good to you and you are being rewarded for the great work that you did here in this Chamber. Thank you so very much.

(Applause)

On behalf of the family physicians, the New York State Academy of Family Physicians represents 7,000 board certified family physicians, residents and medical students, and they are going to be holding their 74th annual conference, their Congress of Delegates next week. And they are important to us because they focus on the entire family, comprehensive health maintenance regardless of age or sex. They are broadly educated across disciplines and draw on a wide range of disciplines from pediatrics, internal medicine, OB/GYN, and it's -- they are very important to us. And, you know, personally, I remember our family physician, Dr. Coleman, who actually made house calls. That dates me, I know, but family physicians are important in our health care system and I just would appreciate if we could recognize them and call on the Governor to acknowledge them during their week when they will be having their 74th Congress of Delegates. Thank you, Mr. Speaker.

allergies that are life-threatening, including sesame, which is not a commonly known allergy, it's actually the 9th most common allergy for food for children. I just wanted to thank the sponsor and thank the Saiontz family, grandparents who live in my district, so thank you. And thank everyone for bringing awareness to this issue. Have a good day.

ACTING SPEAKER AUBRY: Mr. Durso on the resolution.

MR. D'URSO: Thank you, Mr. Speaker, and I thank everybody for supporting this -- excuse me. Thank you everybody, thank you for your support on this resolution. ALS, also known as Lou Gehrig's Disease, is a progressive, neurodegenerate disease that attacks motor neurons in the brain and spinal cord. This results in the wasting away of muscle, loss of movement, and eventual paralysis. There are an estimated 30,000 people living with ALS in the United States at any given time. Every 90 minutes, someone is diagnosed with ALS. About 90 percent of all ALS cases are sporadic. ALS can

affect anyone at any age, gender or race; however, for the most part, ALS affects people between the ages of 40 and 70 with no known history of the disease in the family. The remaining ten percent of cases are known as familial ALS. Most people live about three to five years after they experience their first sign of the disease, with one and ten people surviving only ten years. The variable rate of this disease progression makes prognosis difficult to predict, and therapies challenging to develop. Currently there are no effective cures or treatments to stop this disease.

ALS is a complex disease which varies from person to person. Far more research is necessary to discover the effective treatments for each person living with ALS, but thankfully there are many local agencies, volunteers, non-for-profits that have made some amazing strides and fundraising and research as their priorities for such a group. ALS Ride For Life is one of these such groups. Ride For Life was founded in 1997 by Christopher Pendergast and his supporters. Chris was the driving force behind this organization, serving as its president. He ran the daily operations with help from his small but mighty staff of volunteers until his passing in October of 2020. Chris defied the odds, living with ALS for 28 years. The organization is continuing his legacy and celebrating its 25th anniversary this year.

Mr. Speaker, I would like to thank you and all the members for allowing me to speak on this resolution, and I hope that we can somehow find a way to cure this terrible disease. And I want

to thank the many groups like Ride For Life for their ongoing support and efforts to continue to support the people with ALS. Thank you, sir.

ACTING SPEAKER AUBRY: Thank you. On the resolution, all those in favor signify by saying aye -- signify by saying aye; opposed. The resolution is adopted.

THE CLERK: Assembly Resolution No. 860, Mr. Tague.

Legislative Resolution mourning the death of Larry Sharpe, distinguished citizen and devoted member of his community.

ACTING SPEAKER AUBRY: We have a member getting ready to speak on a resolution, members. We haven't left yet. Please take your seats and be quiet.

Mr. Tague on the resolution.

MR. TAGUE: Thank you, Mr. Speaker. Larry Sharpe truly personified what it meant to be a good person, a good neighbor, and a public servant.

Throughout his 80-year life, Larry always sought to serve those around him in any way he could. Beginning his career with the Schoharie County Sheriff's Department as a young man and climbing all the way to the rank of Sergeant, during that time and beyond it, Larry also contributed much of his time outside of work to the community, strongly supporting local sports booster clubs, serving as a little league coach in Schoharie, which he was my little league coach, and also as a member of the community that acquired land for and then built two little league fields in Schoharie. Larry has served in three different fire departments and also as a leader to local Cub Scouts and Boy Scouts. Larry was one of the original first 11 DARE Officers in the State of New York when the program was first instituted. He was also the first DARE Officer for local area schools and for many years, he educated children about the dangers of the drugs and inspired them to lead their lives with integrity.

While doing all of this, in his free time Larry also served as the Esperance Town Justice, and later moved on to take a position within the Town Board. All of this is to say that Larry Sharpe

was a truly driven, selfless and exceptional citizen, and the dedication he displayed to his community throughout his life is something we should all aspire to emulate. As we gather here today, I invite you all to join me in honoring the life and service of Larry Sharpe and the impact he's made on his community and all who have come to know him. If we had more people like Larry Sharpe in our towns, villages and cities, our State would be a better place to live for all of us.

Thank you, Mr. Speaker.

ACTING SPEAKER AUBRY: Thank you, sir.

Mr. Angelino on the resolution.

MR. ANGELINO: On the resolution, Mr. Speaker.

From time to time, this Body recognizes those people who are everything that is right and good about New York State, and this is one of those times and Larry Sharpe is one of these people. After years of being a deputy sheriff and being a founding member of the New York State DARE Program, a program that helps guide young boys and girls on the right path, continuing on in his public service, Mr. Sharpe built little league fields, coached little league teams, served as a town justice and a member of more than one volunteer fire department. This exceptional man deserves our praise, and I'm sure his family has fond memories of their time on Earth with him. Thank you, Mr. Speaker.

ACTING SPEAKER AUBRY: Thank you, sir.

On the resolution, all those in favor signify by saying aye; opposed, no. The resolution is adopted.

We have numerous other fine resolutions, we will take up with one vote. On the resolutions, all those in favor signify by saying aye; opposed, no. The resolutions are adopted.

(Whereupon, Assembly Resolution Nos. 850-859 and 861-863 were unanimously approved.)
