2 otherwise noted.

3 c) The several amounts named herein, or so much thereof as shall be
4 sufficient to accomplish the purpose designated, being the undisbursed
5 and/or unexpended balances of the prior year's appropriations, are here-
6 by reappropriated from the same funds and made available for the same
7 purposes as the prior year's appropriations, unless herein amended, for
8 the fiscal year beginning April 1, 2022. Certain reappropriations in
9 this chapter are shown using abbreviated text, with three leader dots
10 (an ellipsis) followed by three spaces (...) used to indicate where
11 existing law that is being continued is not shown. However, unless a
12 change is clearly indicated by the use of brackets [] for deletions and
13 underscores for additions, the purposes, amounts, funding source and all
14 other aspects pertinent to each item of appropriation shall be as last
15 appropriated.

16 For the purpose of complying with the state finance law, the year,
17 chapter and section of the last act reappropriating a former original
18 appropriation or any part thereof is, unless otherwise indicated, chap-
19 ter 53, section 1, of the laws of 2021.

20 d) No moneys appropriated by this chapter shall be available for

23 audit and control, the chairperson of the senate finance committee and
24 the chairperson of the assembly ways and means committee.

25 e) Notwithstanding any provision of law to the contrary, for purposes
26 of any appropriation made by this chapter which authorizes spending in
27 an amount net of refunds, rebates, reimbursements, credits, repayments,
28 and/or disallowances, "refunds" shall mean funds received to the state
29 resulting from the overpayment of monies, "rebates" shall mean funds
30 received to the state resulting from a return of a full or partial
31 amount previously paid, as for goods or services, serving as a
32 reduction, discount or rebate to the original payment amount,
33 "reimbursements" shall mean funds received to the state as repayment
34 an equivalent amount for goods or services, including but not limited to
35 personal service costs, incurred by the state in the first instance

38 available to the state that reduce the amount owed to a third party,
39 including but not limited to billing errors, rebates, and prior overpay-
40 ments, "repayment" shall mean the return of monies as pay back for
41 expenses incurred, and "disallowance" shall mean monies made available

46 disallowances, he or she shall credit the refunded, rebated, reimbursed,
47 credited, repaid, and disallowed amount back to the original appropri-
48 ation and reduce expenditures in the year which such credit is received
49 regardless of the timing of the initial expenditure.

50 f) Notwithstanding any other provision of law to the contrary, if the
51 state or any agency thereof incurs any costs associated with administer-
52 ing the rent regulation program in accordance with subdivision (c) of
53 section 8 of chapter 576 of the laws of 1974, as amended, for a city
54 having a population of one million or more, the director of the budget
55 may direct any other state agency or agencies making payments to such
56 city, or any department, agency, or instrumentality thereof, to perma-

1 nently reduce the amount of any other payment or payments owed to such
2 city or any department, agency, or instrumentality thereof pursuant to
3 any appropriation set forth in this chapter. Provided however, that such
4 reduction shall be in an amount equal to the costs incurred by the state
5 or agency thereof in accordance with subdivision (c) of section 8 of
6 chapter 576 of the laws of 1974 and provided further that such direction
7 shall be made in writing by the director of the budget. If the director

14 department, agency, or instrumentality thereof is entitled to any cash
15 disbursement authorized by any appropriation contained in this chapter,
16 such entitlement shall be reduced commensurate with reductions in
17 payments made in accordance with this part.

16 accordance with the requirements of the

21 2022 authorizing a 5.4 percent cost of
22 living adjustment increase for the period
23 commencing on April 1, 2022 and ending
24 March 31, 2023, the commissioner shall not
25 apply any other cost of living adjustment
26 for the purpose of establishing rates of
27 payments, contracts or any other form of

32 herein that are otherwise reimbursable by
33 the state from April 1, 2022 through March
34 31, 2023 shall be limited to a district
35 allocation, hereinafter referred to as the
36 district's block grant allocation.
37 Notwithstanding any other provision of
38 law, such block grant allocation shall be
39 based, in part, on each district's claims

15 sive of any federal funds made available
16 for such purposes, in accordance with
17 directives of the department of family

20 submitted by a social services district
21 for reimbursement for a particular state

23 district does not receive state or federal
24 reimbursement during that state fiscal
25 year may not be claimed against that
26 district's block grant apportionment for
27 the next state fiscal year.

28 The office of children and family services,
29 with the approval of the director of the
30 budget, may reduce a district's block
31 grant allocation by the state share
32 decrease related to federal retroactive

6 er, if the office determines that any
7 federal disallowance for services provided
8 between January 1, 1999 and May 31, 1999
9 results solely from the late enactment of
10 the state legislation implementing the
11 federal adoption and safe families act,
12 the state shall be solely responsible for
13 the full amount of the disallowance or

15 provision shall be deemed to apply both
16 prospectively and retroactively regardless
17 of whether such sanctions or disallowances
18 are for services provided or claims made
19 prior to or after April 1, 2022.

20 Notwithstanding any other provision of law,
21 any federal disallowance resulting from a
22 federal title IV-E eligibility review or
23 audit that uses extrapolated statistic
24 techniques shall be passed along by the
25 state to any and all social services
26 districts that the office of children and
27 family services has determined have not
28 complied with the title IV-E eligibility
29 requirements or have not taken the neces-
30 sary actions to ensure compliance with
31 such requirements including, but not
32 limited to, failing to: assess and fully
33 document all the criteria and have readily

43 voluntary agency foster care services.

45 office of children and family services
46 shall impose on social services districts
47 any federal disallowance issued against
48 the state as a result of a federal title
49 IV-E secondary eligibility review regard-

3 reimbursement; provided, however, that the
4 state shall be responsible for the disal-
5 lowed costs and expenditures related to
6 the placement of children in a facility
7 operated by the office of children and
8 family services, which shall be determined
9 in the same manner as the disallowed costs
10 and expenditures for social services
11 districts other than the city of New York.
12 In order to reimburse the federal govern-
13 ment for the full amount of any disallow-
14 ance imposed on the state by the federal
15 administration for children and families
16 within the timeframes necessary to avoid
17 any potential interest payments on such
18 amount, the office of children and family
19 services is authorized to immediately
20 offset funds otherwise due to each
21 district for a pro rata share of the total
22 disallowed costs based on the percentage
23 of applicable federal title IV-E claims
24 made by that district for the relevant
25 time period as compared to the total
26 applicable statewide title IV-E claims.
27 The amount of the offset against each
28 district will be adjusted, if necessary,
29 upon completion of the disallowance allo-
30 cation process. The final allocation of
31 the amount of any federal disallowance
32 resulting from a title IV-E secondary
33 eligibility review shall be allocated
34 among the districts so that each district
35 shall be responsible for the amount
36 attributable to each of the district's
37 children or cases that are determined by
38 the federal review to be unallowable. Each
39 district shall also be responsible for a
40 portion of the federal extrapolated disal-
41 lowance amount based on the relative error
42 rate for the district. The city of New
43 York's error rate will be based on the
44 federal sample and federal statistics. For
45 all social services districts other than
46 the city of New York, the error rate will
47 be based on a review conducted by the
48 district of a sample of children and/or
49 cases determined by the office of children
50 and family services and a re-review of a
51 sub-sample by the office of those children

1 and/or cases determined by the office. The
2 office of children and family services
3 will determine what is reasonable in
4 establishing the size of the sample and
5 sub-sample for each district. The office
6 of children and family services shall
7 notify each social services district of
8 the sample of children and/or cases from
9 the federal audit period that the social
10 services district must review. Any child
11 or case from the social services district
12 that was included in the federal sample
13 will automatically be included in the
14 social services district's review sample
15 and the determination made at the federal
16 review regarding that child or case will
17 govern for the purposes of the social
18 services district's review. The social
19 services district must complete and submit
20 the results of its review to the office of
21 children and family services within 60
22 days of receipt of the sample. The error
23 rate for the district will be based on the
24 findings of the district's review and the
25 office of children and family services'
26 re-review. If a social services district
27 does not complete its review within 60
28 days of receiving the sample from the
29 office of children and family services,
30 the office of children and family services
31 shall assign an error rate to the social
32 services district based on the relative
33 percentage of the district's applicable
34 title IV-E claims for the relevant period
35 as compared to applicable statewide title
36 IV-E claims for that period and other
37 circumstances that the office of children
38 and family services may consider in order
39 to allocate 100 percent of the federal
40 disallowance. The office of children and
41 family services shall apply each social
42 services district's error rate to the
43 total amount of the district's applicable

7 payments for non-recurring guardianship expenses and eligible
8 expenditures associated with local compliance with the federal Fami-
9 ly First Prevention Services Act (P.L. 115-123); except that,
10 reimbursement from the amount appropriated herein shall not be
11 available for tuition expenditures for foster children, including
12 persons in need of supervision and adjudicated juvenile delinquents,
13 made by a social services district located within a city having a
14 population of one million or more.

15 Notwithstanding any other provision of law, a portion of the funds are
16 available to reimburse social services districts for the change in
17 the maximum state aid rates established by the office of children
18 and family services for the 2021-22 rate year pursuant to section
19 398-a of the social services law and sections 4003 and 4405 of the
20 education law to reflect the continuation of the cost of living
21 adjustments that became effective April 1, 2008 for payments made to
22 foster parents and for salary and fringe benefit costs and other
23 critical nonpersonal services costs for foster care programs as
24 determined by the office. Social services districts must adjust the
25 amount of payments made for care provided by congregate care and
26 foster boarding home programs and to foster parents to reflect the
27 cost of living adjustments in the manner specified by the office.
28 Each authorized agency operating a congregate care or foster board-
29 ing home program in New York state for which the office sets a maxi-
30 mum state aid rate pursuant to section 398-a of the social services
31 law or section 4003 or 4405 of the education law shall submit, at
32 the time and in a manner to be determined by the office, a written
33 certification, attesting that the funds received for the continua-
34 tion of the cost of living adjustment to the maximum state aid rate
35 that became effective April 1, 2008 for that program will be or were
36 used solely in accordance with the requirements of the cost of
37 living adjustment established by the office.

38 Notwithstanding any inconsistent provision of law except a chapter of
39 the laws of 2021 authorizing a 1 percent cost of living adjustment
40 increase, but including section 1 of part C of chapter 57 of the
41 laws of 2006, as amended by section 1 of part I of chapter 60 of the
42 laws of 2014, for the period commencing on April 1, 2021 and ending
43 March 31, 2022 the director shall not apply any other cost of living
44 adjustment for the purpose of establishing rates of payments,
45 contracts or any other form of reimbursement.

46 Within the amounts appropriated herein, state reimbursement to each
47 social services district for services identified herein that are
48 otherwise reimbursable by the state from April 1, 2021 through March
49 31, 2022 shall be limited to a district allocation, hereinafter
50 referred to as the district's block grant allocation. Notwithstand-
51 ing any other provision of law, such block grant allocation shall be

1 based, in part, on each district's claims for such costs, adjusted
2 by the applicable cost allocation methodology and net of any retro-
3 active payments for the 12 month period ending June 30, 2020 that
4 are submitted on or before January 2, 2021 and, in part, on such
5 other factors as determined by the office of children and family
6 services and approved by the director of the budget. Any portion of
7 a social services district's allocation from funds appropriated
8 herein not claimed by such district during the state fiscal year may
9 be used by such district for expenditures on preventive services
10 provided pursuant to section 409-a of the social services law, inde-
11 pendent living services and aftercare services provided pursuant to
12 regulations of the department of family assistance, claimed by such
13 district during the next state fiscal year up to the amount remain-
14 ing from the district's foster care block grant allocation, provided
15 however, that any claims for such services during the next state
16 fiscal year in excess of such amount shall be subject to 62 percent
17 state reimbursement exclusive of any federal funds made available
18 for such purposes, in accordance with directives of the department
19 of family assistance and subject to the approval of the director of
20 the budget. Any claims submitted by a social services district for
21 reimbursement for a particular state fiscal year for which the
22 social services district does not receive state or federal
23 reimbursement during that state fiscal year may not be claimed
24 against that district's block grant apportionment for the next state
25 fiscal year.

26 The office of children and family services, with the approval of the
27 director of the budget, may reduce a district's block grant allo-
28 cation by the state share decrease related to federal retroactive
29 reimbursement for such foster care services identified herein. The
30 office, with the approval of the director of the budget, may reduce
31 a district's block grant allocation by the state share of disallow-
32 ances or sanctions taken against the district pursuant to the social
33 services law or federal law.

34 Notwithstanding any other provision of law, the state shall not be
35 responsible for reimbursing a social services district and a
36 district shall not seek state reimbursement for any portion of any
37 state disallowance or sanction taken against the social services
38 district, or any federal disallowance attributable to final federal
39 agency decisions or to settlement made, on or after July 1, 1995,
40 when such disallowance or sanction results from the failure of the
41 social services district to comply with federal or state require-
42 ments, including, but not limited to, failure to document eligibil-
43 ity for federal or state funds in the case record; provided, howev-
44 er, if the office determines that any federal disallowance for
45 services provided between January 1, 1999 and May 31, 1999 results
46 solely from the late enactment of the state legislation implementing
47 the federal adoption and safe families act, the state shall be sole-
48 ly responsible for the full amount of the disallowance or sanction;
49 provided, further, however, this provision shall be deemed to apply
50 both prospectively and retroactively regardless of whether such

1 sanctions or disallowances are for services provided or claims made
2 prior to or after April 1, 2021.

3 Notwithstanding any other provision of law, any federal disallowance
4 resulting from a federal title IV-E eligibility review or audit that
5 uses extrapolated statistic techniques shall be passed along by the
6 state to any and all social services districts that the office of
7 children and family services has determined have not complied with
8 the title IV-E eligibility requirements or have not taken the neces-
9 sary actions to ensure compliance with such requirements including,
10 but not limited to, failing to: assess and fully document all the
11 criteria and have readily available all the necessary documents to
12 establish and continue title IV-E eligibility for all title IV-E
13 eligible children within the required time frames; claim title IV-E
14 funding only for cases that meet all of the title IV-E eligibility
15 criteria; and fully implement the social services payment system on
16 or before April 1, 2005 for all direct and voluntary agency foster
17 care services.

18 Notwithstanding any law to the contrary, the office of children and
19 family services shall impose on social services districts any feder-
20 al disallowance issued against the state as a result of a federal
21 title IV-E secondary eligibility review regardless of the date the
22 children may have entered foster care, the date the eligibility or
23 payment errors occurred, or the filing date of any federal claims
24 for reimbursement; provided, however, that the state shall be
25 responsible for the disallowed costs and expenditures related to the
26 placement of children in a facility operated by the office of chil-
27 dren and family services, which shall be determined in the same
28 manner as the disallowed costs and expenditures for social services
29 districts other than the city of New York. In order to reimburse the
30 federal government for the full amount of any disallowance imposed
31 on the state by the federal administration for children and families
32 within the timeframes necessary to avoid any potential interest
33 payments on such amount, the office of children and family services
34 is authorized to immediately offset funds otherwise due to each
35 district for a pro rata share of the total disallowed costs based on
36 the percentage of applicable federal title IV-E claims made by that
37 district for the relevant time period as compared to the total
38 applicable statewide title IV-E claims. The amount of the offset
39 against each district will be adjusted, if necessary, upon
40 completion of the disallowance allocation process. The final allo-
41 cation of the amount of any federal disallowance resulting from a
42 title IV-E secondary eligibility review shall be allocated among the
43 districts so that each district shall be responsible for the amount
44 attributable to each of the district's children or cases that are
45 determined by the federal review to be unallowable. Each district
46 shall also be responsible for a portion of the federal extrapolated
47 disallowance amount based on the relative error rate for the
48 district. The city of New York's error rate will be based on the
49 federal sample and federal statistics. For all social services
50 districts other than the city of New York, the error rate will be
51 based on a review conducted by the district of a sample of children

1 and/or cases determined by the office of children and family
2 services and a re-review of a sub-sample by the office of those
3 children and/or cases determined by the office. The office of chil-
4 dren and family services will determine what is reasonable in estab-
5 lishing the size of the sample and sub-sample for each district. The
6 office of children and family services shall notify each social
7 services district of the sample of children and/or cases from the
8 federal audit period that the social services district must review.
9 Any child or case from the social services district that was
10 included in the federal sample will automatically be included in the
11 social services district's review sample and the determination made
12 at the federal review regarding that child or case will govern for
13 the purposes of the social services district's review. The social
14 services district must complete and submit the results of its review
15 to the office of children and family services within 60 days of
16 receipt of the sample. The error rate for the district will be based
17 on the findings of the district's review and the office of children
18 and family services' re-review. If a social services district does
19 not complete its review within 60 days of receiving the sample from
20 the office of children and family services, the office of children
21 and family services shall assign an error rate to the social
22 services district based on the relative percentage of the district's
23 applicable title IV-E claims for the relevant period as compared to
24 applicable statewide title IV-E claims for that period and other
25 circumstances that the office of children and family services may
26 consider in order to allocate 100 percent of the federal disallow-
27 ance. The office of children and family services shall apply each
28 social services district's error rate to the total amount of the
29 district's applicable title IV-E claims including associated admin-
30 istrative expenses. The resulting dollar amounts for all of the
31 social services districts will be summed to derive the total amount
32 of title IV-E claims deemed to be in error statewide. To establish a
33 disallowance percentage for each social services district, the
34 amount of the district's title IV-E claims deemed to be in error
35 will be divided by the amount of statewide title IV-E claims deemed
36 to be in error. The resulting disallowance percentage for each
37 district will be applied to the entire title IV-E extrapolated
38 disallowance calculated by the federal review to determine the
39 amount of the extrapolated disallowance for which the district is
40 responsible. Each district will be credited for the amount already
41 disallowed for any individual children or cases found to be in error
42 during the federal review. The exclusive appeal rights for the
43 review of the amount of the federal disallowance assigned to each
44 social services district shall be pursuant to article 78 of the
45 civil practice law and rules; provided, however, that in any such
46 action all of the social services districts shall be joined as
47 necessary parties and the venue of any such action shall be in Rens-
48 selaer county. Any social services district that fails to complete
49 its sample review in the required time frames shall have no right to
50 appeal and shall not be a necessary party to any action brought by
51 another social services district.

2 and family services for the 2020-21 rate year pursuant to section
3 398-a of the social services law and sections 4003 and 4405 of the
4 education law to reflect the continuation of the cost of living
5 adjustments that became effective April 1, 2008 for payments made to
6 foster parents and for salary and fringe benefit costs and other
7 critical nonpersonal services costs for foster care programs as
8 determined by the office. Social services districts must adjust the
9 amount of payments made for care provided by congregate care and
10 foster boarding home programs and to foster parents to reflect the
11 cost of living adjustments in the manner specified by the office.
12 Each authorized agency operating a congregate care or foster board-
13 ing home program in New York state for which the office sets a maxi-
14 mum state aid rate pursuant to section 398-a of the social services
15 law or section 4003 or 4405 of the education law shall submit, at
16 the time and in a manner to be determined by the office, a written
17 certification, attesting that the funds received for the continua-
18 tion of the cost of living adjustment to the maximum state aid rate
19 that became effective April 1, 2008 for that program will be or were
20 used solely in accordance with the requirements of the cost of
21 living adjustment established by the office.

22 Notwithstanding any inconsistent provision of law, for the period
23 commencing on April 1, 2020 and ending March 31, 2021 the commis-
24 sioner shall not apply any cost of living adjustment for the purpose
25 of establishing rates of payments, contracts or any other form of
26 reimbursement.

27 Within the amounts appropriated herein, state reimbursement to each
28 social services district for services identified herein that are
29 otherwise reimbursable by the state from April 1, 2020 through March
30 31, 2021 shall be limited to a district allocation, hereinafter
31 referred to as the district's block grant allocation. Notwithstand-
32 ing any other provision of law, such block grant allocation shall be
33 based, in part, on each district's claims for such costs, adjusted
34 by the applicable cost allocation methodology and net of any retro-
35 active payments for the 12 month period ending June 30, 2019 that
36 are submitted on or before January 2, 2020 and, in part, on such
37 other factors as determined by the office of children and family
38 services and approved by the director of the budget. Any portion of
39 a social services district's allocation from funds appropriated
40 herein not claimed by such district during the state fiscal year may
41 be used by such district for expenditures on preventive services
42 provided pursuant to section 409-a of the social services law, inde-
43 pendent living services and aftercare services provided pursuant to
44 regulations of the department of family assistance, claimed by such
45 district during the next state fiscal year up to the amount remain-
46 ing from the district's foster care block grant allocation, provided
47 however, that any claims for such services during the next state
48 fiscal year in excess of such amount shall be subject to 62 percent
49 state reimbursement exclusive of any federal funds made available
50 for such purposes, in accordance with directives of the department
51 of family assistance and subject to the approval of the director of

2 reimbursement for a particular state fiscal year for which the
3 social services district does not receive state or federal
4 reimbursement during that state fiscal year may not be claimed
5 against that district's block grant apportionment for the next state
6 fiscal year.

7 The office of children and family services, with the approval of the
8 director of the budget, may reduce a district's block grant allo-
9 cation by the state share decrease related to federal retroactive
10 reimbursement for such foster care services identified herein. The
11 office, with the approval of the director of the budget, may reduce
12 a district's block grant allocation by the state share of disallow-
13 ances or sanctions taken against the district pursuant to the social
14 services law or federal law.

15 Notwithstanding any other provision of law, the state shall not be
16 responsible for reimbursing a social services district and a
17 district shall not seek state reimbursement for any portion of any
18 state disallowance or sanction taken against the social services
19 district, or any federal disallowance attributable to final federal
20 agency decisions or to settlement made, on or after July 1, 1995,
21 when such disallowance or sanction results from the failure of the
22 social services district to comply with federal or state require-
23 ments, including, but not limited to, failure to document eligibil-
24 ity for federal or state funds in the case record; provided, howev-
25 er, if the office determines that any federal disallowance for
26 services provided between January 1, 1999 and May 31, 1999 results
27 solely from the late enactment of the state legislation implementing
28 the federal adoption and safe families act, the state shall be sole-
29 ly responsible for the full amount of the disallowance or sanction;
30 provided, further, however, this provision shall be deemed to apply
31 both prospectively and retroactively regardless of whether such
32 sanctions or disallowances are for services provided or claims made
33 prior to or after April 1, 2020.

34 Notwithstanding any other provision of law, any federal disallowance
35 resulting from a federal title IV-E eligibility review or audit that
36 uses extrapolated statistic techniques shall be passed along by the
37 state to any and all social services districts that the office of
38 children and family services has determined have not complied with
39 the title IV-E eligibility requirements or have not taken the neces-
40 sary actions to ensure compliance with such requirements including,
41 but not limited to, failing to: assess and fully document all the
42 criteria and have readily available all the necessary documents to
43 establish and continue title IV-E eligibility for all title IV-E
44 eligible children within the required time frames; claim title IV-E
45 funding only for cases that meet all of the title IV-E eligibility
46 criteria; and fully implement the social services payment system on
47 or before April 1, 2005 for all direct and voluntary agency foster
48 care services.

49 Notwithstanding any law to the contrary, the office of children and
50 family services shall impose on social services districts any feder-
51 al disallowance issued against the state as a result of a federal

1 title IV-E secondary eligibility review regardless of the date the
2 children may have entered foster care, the date the eligibility or
3 payment errors occurred, or the filing date of any federal claims
4 for reimbursement; provided, however, that the state shall be
5 responsible for the disallowed costs and expenditures related to the
6 placement of children in a facility operated by the office of chil-
7 dren and family services, which shall be determined in the same
8 manner as the disallowed costs and expenditures for social services
9 districts other than the city of New York. In order to reimburse the
10 federal government for the full amount of any disallowance imposed
11 on the state by the federal administration for children and families
12 within the timeframes necessary to avoid any potential interest
13 payments on such amount, the office of children and family services
14 is authorized to immediately offset funds otherwise due to each
15 district for a pro rata share of the total disallowed costs based on
16 the percentage of applicable federal title IV-E claims made by that
17 district for the relevant time period as compared to the total
18 applicable statewide title IV-E claims. The amount of the offset
19 against each district will be adjusted, if necessary, upon
20 completion of the disallowance allocation process. The final allo-
21 cation of the amount of any federal disallowance resulting from a
22 title IV-E secondary eligibility review shall be allocated among the
23 districts so that each district shall be responsible for the amount
24 attributable to each of the district's children or cases that are
25 determined by the federal review to be unallowable. Each district
26 shall also be responsible for a portion of the federal extrapolated
27 disallowance amount based on the relative error rate for the
28 district. The city of New York's error rate will be based on the
29 federal sample and federal statistics. For all social services
30 districts other than the city of New York, the error rate will be
31 based on a review conducted by the district of a sample of children
32 and/or cases determined by the office of children and family
33 services and a re-review of a sub-sample by the office of those
34 children and/or cases determined by the office. The office of chil-
35 dren and family services will determine what is reasonable in estab-
36 lishing the size of the sample and sub-sample for each district.
37 The office of children and family services shall notify each social
38 services district of the sample of children and/or cases from the
39 federal audit period that the social services district must review.
40 Any child or case from the social services district that was
41 included in the federal sample will automatically be included in the
42 social services district's review sample and the determination made
43 at the federal review regarding that child or case will govern for
44 the purposes of the social services district's review. The social
45 services district must complete and submit the results of its review
46 to the office of children and family services within 60 days of
47 receipt of the sample. The error rate for the district will be based
48 on the findings of the district's review and the office of children
49 and family services' re-review. If a social services district does
50 not complete its review within 60 days of receiving the sample from
51 the office of children and family services, the office of children

1 and family services shall assign an error rate to the social
2 services district based on the relative percentage of the district's
3 applicable title IV-E claims for the relevant period as compared to
4 applicable statewide title IV-E claims for that period and other
5 circumstances that the office of children and family services may
6 consider in order to allocate 100 percent of the federal disallow-
7 ance. The office of children and family services shall apply each
8 social services district's error rate to the total amount of the
9 district's applicable title IV-E claims including associated admin-
10 istrative expenses. The resulting dollar amounts for all of the
11 social services districts will be summed to derive the total amount
12 of title IV-E claims deemed to be in error statewide. To establish a
13 disallowance percentage for each social services district, the
14 amount of the district's title IV-E claims deemed to be in error
15 will be divided by the amount of statewide title IV-E claims deemed
16 to be in error. The resulting disallowance percentage for each
17 district will be applied to the entire title IV-E extrapolated
18 disallowance calculated by the federal review to determine the
19 amount of the extrapolated disallowance for which the district is
20 responsible. Each district will be credited for the amount already
21 disallowed for any individual children or cases found to be in error
22 during the federal review. The exclusive appeal rights for the
23 review of the amount of the federal disallowance assigned to each
24 social services district shall be pursuant to article 78 of the
25 civil practice law and rules; provided, however, that in any such
26 action all of the social services districts shall be joined as
27 necessary parties and the venue of any such action shall be in Rens-
28 selaer county. Any social services district that fails to complete
29 its sample review in the required time frames shall have no right to

32 expected to become available, in the
33 discretion of the commissioner, under the

5 ents or providers.

6 The commissioner shall seek the input of the

8 representing health care providers,
9 consumers, businesses, workers, health

11 tise, in developing such medicaid savings
12 allocation adjustment, to the extent that
13 all or part of such adjustment, in the
14 discretion of the commissioner, is likely
15 to have a material impact on the overall
16 medicaid program, particular categories of
17 service or particular geographic regions
18 of the state.

19 (a) The commissioner shall post the medicaid
20 savings allocation adjustment on the
21 department of health's website and shall

24 the assembly ways and means committees at
25 least 30 days before the date on which
26 implementation is expected to begin.

27 (b) The commissioner may revise the medicaid

29 to the provisions of notice and prior to
30 implementation but needs to provide a new

33 determines, in his or her discretion, that
34 such revisions materially alter the
35 adjustment.

36 Notwithstanding the provisions of paragraphs

38 commissioner need not seek the input
39 described in paragraph (a) of this subdivi-
40 sion or provide notice pursuant to para-
41 graph (b) of this subdivision if, in the
42 discretion of the commissioner, expedited
43 development and implementation of a medi-
44 caid savings allocation adjustment is
45 necessary due to a public health emergen-
46 cy.

47 For purposes of this section, a public
48 health emergency is defined as: (i) a
49 disaster, natural or otherwise, that
50 significantly increases the immediate need

2 serious communicable disease, or the
3 potential for such widespread risk of
4 exposure; or (iii) any other event or
5 condition determined by the commissioner
6 to constitute an imminent threat to public
7 health.

8 Nothing in this paragraph shall be deemed to
9 prevent all or part of such medicaid
10 savings allocation adjustment from taking
11 effect retroactively to the extent permit-
12 ted by the federal centers for medicare
13 and medicaid services.

14 In accordance with the medicaid savings

16 the department of health shall reduce

26 payments or rates of payment; modifying or
27 discontinuing medicaid program benefits;
28 seeking all necessary federal approvals,
29 including, but not limited to waivers,
30 waiver amendments; and suspending time

1 costs of the New York state medical indemnity fund, pursuant to
2 chapter 59 of the laws of 2011, and state costs or savings from the
3 essential plan program. Such projections may be adjusted by the
4 director of the budget to account for increased or expedited depart-
5 ment of health state funds medicaid expenditures as a result of a
6 natural or other type of disaster, including a governmental declara-
7 tion of emergency.

8 The director of the budget, in consultation with the commissioner of
9 health, shall assess on a quarterly basis known and projected medi-
10 caid expenditures by category of service and by geographic region,
11 as determined by the commissioner of health, incurred both prior to
12 and subsequent to such assessment for each such period, and if the
13 director of the budget determines that such expenditures are
14 expected to cause medicaid spending for such period to exceed the
15 aggregate limit specified herein for such period, the state medicaid
16 director, in consultation with the director of the budget and the
17 commissioner of health, shall develop a medicaid savings allocation
18 adjustment to limit such spending to the aggregate limit specified
19 herein for such period.

20 Such medicaid savings allocation adjustment shall be designed, to
21 reduce the expenditures authorized by the appropriations herein in
22 compliance with the following guidelines: (1) reductions shall be
23 made in compliance with applicable federal law, including the
24 provisions of the Patient Protection and Affordable Care Act, Public
25 Law No. 111-148, and the Health Care and Education Reconciliation
26 Act of 2010, Public Law No. 111-152 (collectively "Affordable Care
27 Act") and any subsequent amendments thereto or regulations promul-
28 gated thereunder; (2) reductions shall be made in a manner that
29 complies with the state medicaid plan approved by the federal
30 centers for medicare and medicaid services, provided, however, that
31 the commissioner of health is authorized to submit any state plan
32 amendment or seek other federal approval, including waiver authori-
33 ty, to implement the provisions of the medicaid savings allocation
34 adjustment that meets the other criteria set forth herein; (3)
35 reductions shall be made in a manner that maximizes federal finan-
36 cial participation, to the extent practicable, including any federal
37 financial participation that is available or is reasonably expected
38 to become available, in the discretion of the commissioner, under
39 the Affordable Care Act; (4) reductions shall be made uniformly
40 among categories of services and geographic regions of the state, to
41 the extent practicable, and shall be made uniformly within a catego-
42 ry of service, to the extent practicable, except where the commis-
43 sioner determines that there are sufficient grounds for non-uniform-
44 ity, including but not limited to: the extent to which specific
45 categories of services contributed to department of health medicaid
46 state funds spending in excess of the limits specified herein; the
47 need to maintain safety net services in underserved communities; or
48 the potential benefits of pursuing innovative payment models contem-
49 plated by the Affordable Care Act, in which case such grounds shall
50 be set forth in the medicaid savings allocation adjustment; and (5)
51 reductions shall be made in a manner that does not unnecessarily

1 create administrative burdens to medicaid applicants and recipients
2 or providers.

3 The commissioner shall seek the input of the legislature, as well as
4 organizations representing health care providers, consumers, busi-
5 nesses, workers, health insurers, and others with relevant exper-
6 tise, in developing such medicaid savings allocation adjustment, to
7 the extent that all or part of such adjustment, in the discretion of
8 the commissioner, is likely to have a material impact on the overall
9 medicaid program, particular categories of service or particular
10 geographic regions of the state.

11 (a) The commissioner shall post the medicaid savings allocation
12 adjustment on the department of health's website and shall provide
13 written copies of such adjustment to the chairs of the senate
14 finance and the assembly ways and means committees at least 30 days
15 before the date on which implementation is expected to begin.

16 (b) The commissioner may revise the medicaid savings allocation
17 adjustment subsequent to the provisions of notice and prior to
18 implementation but needs to provide a new notice pursuant to subpar-
19 agraph (i) of this paragraph only if the commissioner determines, in
20 his or her discretion, that such revisions materially alter the
21 adjustment.

22 Notwithstanding the provisions of paragraphs (a) and (b) of this
23 subdivision, the commissioner need not seek the input described in
24 paragraph (a) of this subdivision or provide notice pursuant to
25 paragraph (b) of this subdivision if, in the discretion of the
26 commissioner, expedited development and implementation of a medicaid
27 savings allocation adjustment is necessary due to a public health
28 emergency.

29 For purposes of this section, a public health emergency is defined as:

- 30 (i) a disaster, natural or otherwise, that significantly increases
31 the immediate need for health care personnel in an area of the
32 state; (ii) an event or condition that creates a widespread risk of
33 exposure to a serious communicable disease, or the potential for
34 such widespread risk of exposure; or (iii) any other event or condi-
35 tion determined by the commissioner to constitute an imminent threat
36 to public health.

37 Nothing in this paragraph shall be deemed to prevent all or part of
38 such medicaid savings allocation adjustment from taking effect
39 retroactively to the extent permitted by the federal centers for
40 medicare and medicaid services.

41 In accordance with the medicaid savings allocation adjustment, the
42 commissioner of the department of health shall reduce department of
43 health state funds medicaid spending by the amount of the projected
44 overspending through, actions including, but not limited to modify-
45 ing or suspending reimbursement methods, including but not limited
46 to all fees, premium levels and rates of payment, notwithstanding
47 any provision of law that sets a specific amount or methodology for
48 any such payments or rates of payment; modifying medicaid program
49 benefits; seeking all necessary federal approvals, including, but
50 not limited to waivers, waiver amendments; and suspending time

3 financial participation that is available or is reasonably expected
4 to become available, in the discretion of the commissioner, under
5 the Affordable Care Act; (4) reductions shall be made uniformly
6 among categories of services and geographic regions of the state, to
7 the extent practicable, and shall be made uniformly within a catego-
8 ry of service, to the extent practicable, except where the commis-
9 sioner determines that there are sufficient grounds for non-uniform-
10 ity, including but not limited to: the extent to which specific
11 categories of services contributed to department of health medicaid
12 state funds spending in excess of the limits specified herein; the
13 need to maintain safety net services in underserved communities; or
14 the potential benefits of pursuing innovative payment models contem-
15 plated by the Affordable Care Act, in which case such grounds shall
16 be set forth in the medicaid savings allocation adjustment; and (5)
17 reductions shall be made in a manner that does not unnecessarily
18 create administrative burdens to medicaid applicants and recipients
19 or providers.

20 The commissioner shall seek the input of the legislature, as well as
21 organizations representing health care providers, consumers, busi-
22 nesses, workers, health insurers, and others with relevant exper-

32 before the date on which implementation is expected to begin.

33 (b) The commissioner may revise the medicaid savings allocation
34 adjustment subsequent to the provisions of notice and prior to

5 for the period April 1, 2022 through [March 31] September 15, 2023,
6 shall not exceed [\$25,587,116,000] \$25,936,887,000, but in no event
7 shall department of health state funds medicaid spending for the
8 period April 1, 2021 through [March 31] September 15, 2023 exceed
9 [\$49,118,443,000] \$49,468,214,000 provided, however, such aggregate
10 limits may be adjusted by the director of the budget to account for
11 any changes in the New York state federal medical assistance
12 percentage amount established pursuant to the federal social securi-
13 ty act, increases in provider revenues, reductions in local social
14 services district payments for medical assistance administration,
15 minimum wage increases and beginning April 1, 2012 the operational
16 costs of the New York state medical indemnity fund, pursuant to
17 chapter 59 of the laws of 2011, and state costs or savings from the
18 essential plan program. Such projections may be adjusted by the
19 director of the budget to account for increased or expedited depart-
20 ment of health state funds medicaid expenditures as a result of a
21 natural or other type of disaster, including a governmental declara-
22 tion of emergency.

23 The director of the budget, in consultation with the commissioner of
24 health, shall assess on a quarterly basis known and projected medi-
25 caid expenditures by category of service and by geographic region,
26 as determined by the commissioner of health, incurred both prior to
27 and subsequent to such assessment for each such period, and if the
28 director of the budget determines that such expenditures are
29 expected to cause medicaid spending for such period to exceed the
30 aggregate limit specified herein for such period, the state medicaid
31 director, in consultation with the director of the budget and the
32 commissioner of health, shall develop a medicaid savings allocation
33 adjustment to limit such spending to the aggregate limit specified
34 herein for such period.

35 Such medicaid savings allocation adjustment shall be designed, to
36 reduce the expenditures authorized by the appropriations herein in
37 compliance with the following guidelines: (1) reductions shall be
38 made in compliance with applicable federal law, including the
39 provisions of the Patient Protection and Affordable Care Act, Public
40 Law No. 111-148, and the Health Care and Education Reconciliation
41 Act of 2010, Public Law No. 111-152 (collectively "Affordable Care
42 Act") and any subsequent amendments thereto or regulations promul-
43 gated thereunder; (2) reductions shall be made in a manner that
44 complies with the state medicaid plan approved by the federal
45 centers for medicare and medicaid services, provided, however, that
46 the commissioner of health is authorized to submit any state plan
47 amendment or seek other federal approval, including waiver authori-
48 ty, to implement the provisions of the medicaid savings allocation
49 adjustment that meets the other criteria set forth herein; (3)
50 reductions shall be made in a manner that maximizes federal finan-
51 cial participation, to the extent practicable, including any federal
52 financial participation that is available or is reasonably expected

1 to become available, in the discretion of the commissioner, under
2 the Affordable Care Act; (4) reductions shall be made uniformly
3 among categories of services and geographic regions of the state, to
4 the extent practicable, and shall be made uniformly within a category
5 of service, to the extent practicable, except where the commissioner
6 determines that there are sufficient grounds for non-uniformity,
7 including but not limited to: the extent to which specific
8 categories of services contributed to department of health medicaid
9 state funds spending in excess of the limits specified herein; the
10 need to maintain safety net services in underserved communities; or
11 the potential benefits of pursuing innovative payment models contemplated
12 by the Affordable Care Act, in which case such grounds shall
13 be set forth in the medicaid savings allocation adjustment; and (5)
14 reductions shall be made in a manner that does not unnecessarily
15 create administrative burdens to medicaid applicants and recipients
16 or providers.

17 The commissioner shall seek the input of the legislature, as well as
18 organizations representing health care providers, consumers, businesses,
19 workers, health insurers, and others with relevant expertise, in developing
20 such medicaid savings allocation adjustment, to the extent that all or part
21 of such adjustment, in the discretion of the commissioner, is likely to
22 have a material impact on the overall medicaid program, particular
23 categories of service or particular geographic regions of the state.

24 (a) The commissioner shall post the medicaid savings allocation
