PART B

24 Section 1. Section 1 of part I of chapter 413 of the laws of 1999  
25 relating to providing for mass transportation payments, as amended by  
26 section 1 of part E of chapter 58 of the laws of 2024, is amended to

32 appropriation.

33 In establishing service and usage formulas for distribution of mass  
34 transportation operating assistance, the commissioner of transportation  
35 may combine and/or take into consideration those formulas used to  
36 distribute mass transportation operating assistance payments authorized  
37 by separate appropriations in order to facilitate program administration  
38 and to ensure an orderly distribution of such funds.

39 To improve the predictability in the level of funding for those  
40 systems receiving operating assistance payments under service and usage  
41 formulas, the commissioner of transportation is authorized with the  
42 approval of the director of the budget, to provide service payments  
43 based on service and usage statistics of the preceding year.

42 Notwithstanding any other inconsistent provisions of section 18-b of  
43 the transportation law or any other law, any moneys provided to a public  
44 benefit corporation constituting a transportation authority or to other  
45 public transportation systems in payment of state operating assistance  
46 or such lesser amount as the authority or public transportation system  
47 shall make application for, shall be paid by the commissioner of trans-  
48 portation to such authority or public transportation system in lieu, and  
49 in full satisfaction, of any amounts which the authority would otherwise  
50 be entitled to receive under section 18-b of the transportation law.

51 Notwithstanding the reporting date provision of section 17-a of the  
52 transportation law, the reports of each regional transportation authori-  
53 ty and other major public transportation systems receiving mass trans-  
54 portation operating assistance shall be submitted on or before July 15  
55 of each year in the format prescribed by the commissioner of transporta-

1 tion. Copies of such reports shall also be filed with the chairpersons  
2 of the senate finance committee and the assembly ways and means commit-  
3 tee and the director of the budget. The commissioner of transportation  
4 may withhold future state operating assistance payments to public trans-  
5 portation systems or private operators that do not provide such reports.

6 Payments may be made in quarterly installments as provided in subdivi-  
7 sion 2 of section 18-b of the transportation law or in such other manner  
8 and at such other times as the commissioner of transportation, with the  
9 approval of the director of the budget, may provide; and where payment  
10 is not made in the manner provided by such subdivision 2, the matching  
11 payments required of any city, county, Indian tribe or intercity bus  
12 company shall be made within 30 days of the payment of state operating  
13 assistance pursuant to this section or on such other basis as may be  
14 agreed upon by the commissioner of transportation, the director of the  
15 budget, and the chief executive officer of such city, county, Indian  
16 tribe or intercity bus company.

17 The commissioner of transportation shall be required to annually eval-  
18 uate the operating and financial performance of each major public trans-  
19 portation system. Where the commissioner's evaluation process has iden-  
20 tified a problem related to system performance, the commissioner may  
21 request the system to develop plans to address the performance deficien-  
22 cies. The commissioner of transportation may withhold future state oper-  
23 ating assistance payments to public transportation systems or private  
24 operators that do not provide such operating, financial, or other infor-  
25 mation as may be required by the commissioner to conduct the evaluation  
26 process.

27 Payments shall be made contingent upon compliance with regulations  
28 deemed necessary and appropriate, as prescribed by the commissioner of  
29 transportation and approved by the director of the budget, which shall  
30 promote the economy, efficiency, utility, effectiveness, and coordinated  
31 service delivery of public transportation systems. The chief executive  
32 officer of each public transportation system receiving a payment shall  
33 certify to the commissioner of transportation, in addition to informa-  
34 tion required by section 18-b of the transportation law, such other  
35 information as the commissioner of transportation shall determine is  
36 necessary to determine compliance and carry out the purposes herein.

37 Counties, municipalities or Indian tribes that propose to allocate  
38 service payments to operators on a basis other than the amount earned by  
39 the service payment formula shall be required to describe the proposed  
40 method of distributing governmental operating aid and submit it one  
41 month prior to the start of the operator's fiscal year to the commis-  
42 sioner of transportation in writing for review and approval prior to the  
43 distribution of state aid. The commissioner of transportation shall only  
44 approve alternate distribution methods which are consistent with the  
45 transportation needs of the people to be served and ensure that the  
46 system of private operators does not exceed established maximum service  
47 payment limits. Copies of such approvals shall be submitted to the  
48 chairpersons of the senate finance and assembly ways and means commit-  
49 tees.

50 Notwithstanding the provisions of subdivision 4 of section 18-b of the  
51 transportation law, the commissioner of transportation is authorized to  
52 continue to use prior quarter statistics to determine current quarter  
53 payment amounts, as initiated in the April to June quarter of 1981. In  
54 the event that actual revenue passengers and actual total number of  
55 vehicle, nautical or car miles are not available for the preceding quar-  
56 ter, estimated statistics may be used as the basis of payment upon

1 approval by the commissioner of transportation. In such event, the  
2 succeeding payment shall be adjusted to reflect the difference between  
3 the actual and estimated total number of revenue passengers and vehicle,  
4 nautical or car miles used as the basis of the estimated payment. The  
5 chief executive officer may apply for less aid than the system is eligi-  
6 ble to receive. Each quarterly payment shall be attributable to operat-  
7 ing expenses incurred during the quarter in which it is received, unless  
8 otherwise specified by such commissioner. In the event that a public  
9 transportation system ceases to participate in the program, operating  
10 assistance due for the final quarter that service is provided shall be  
11 based upon the actual total number of revenue passengers and the actual  
12 total number of vehicle, nautical or car miles carried during that quar-  
13 ter.

14 Payments shall be contingent on compliance with audit requirements  
15 determined by the commissioner of transportation.

16 In the event that an audit of a public transportation system or  
17 private operator receiving funds discloses the existence of an overpay-  
18 ment of state operating assistance, regardless of whether such an over-  
19 payment results from an audit of revenue passengers and the actual  
20 number of revenue vehicle miles statistics, or an audit of private oper-  
21 ators in cases where more than a reasonable return based on equity or  
22 operating revenues and expenses has resulted, the commissioner of trans-  
23 portation, in addition to recovering the amount of state operating  
24 assistance overpaid, shall also recover interest, as defined by the  
25 department of taxation and finance, on the amount of the overpayment.

26 Notwithstanding any other law, rule or regulation to the contrary,  
27 whenever the commissioner of transportation is notified by the comp-  
28 troller that the amount of revenues available for payment from an  
29 account is less than the total amount of money for which the public mass  
30 transportation systems are eligible pursuant to the provisions of  
31 section 88-a of the state finance law and any appropriations enacted for  
32 these purposes, the commissioner of transportation shall establish a  
33 maximum payment limit which is proportionally lower than the amounts set  
34 forth in appropriations.

35 Notwithstanding paragraphs (b) of subdivisions 5 and 7 of section 88-a  
36 of the state finance law and any other general or special law, payments  
37 may be made in quarterly installments or in such other manner and at  
38 such other times as the commissioner of transportation, with the  
39 approval of the director of the budget may prescribe.

40 § 2. This act shall take effect immediately and shall be deemed to  
41 have been in full force and effect on and after April 1, 2025.

42

13 believe that the violation was committed by such person.

14 (b) Field testing. Every person operating a motor vehicle which has  
15 been involved in an accident or which is operated in violation of any of  
16 the provisions of this chapter shall, at the request of a police offi-  
17 cer, submit to a breath test and oral/bodily fluid test to be adminis-  
18 tered by the police officer. If such test indicates that such operator  
19 has consumed alcohol or a drug or drugs, the police officer may request  
20 such operator to submit to a chemical test and an evaluation conducted  
21 by a drug recognition expert in the manner set forth in subdivision two  
22 of this section.

23 (c) Refusal to submit to a breath test or oral/bodily fluid test  
24 pursuant to paragraph (b) of this subdivision shall be a traffic infrac-  
25 tion, subject to penalties as defined in section eighteen hundred of  
26 this chapter.

27 2. Chemical tests and drug recognition evaluations. (a) When author-  
28 ized. Any person who operates a motor vehicle in this state shall be  
29 deemed to have given consent to an evaluation conducted by a drug recog-  
30 nition expert, and a chemical test of one or more of the following:  
31 breath, blood, urine, or [saliva] oral/bodily fluid, for the purpose of  
32 determining the alcoholic and/or drug content [of the blood] within such  
33 person's body, provided that such test is administered by or at the  
34 direction of a police officer with respect to a chemical test of breath,  
35 urine or [saliva] oral/bodily fluid or, with respect to a chemical test  
36 of blood, at the direction of a police officer:

37 (1) having reasonable grounds to believe such person to have been  
38 operating in violation of any subdivision of section eleven hundred  
39 ninety-two of this article and within two hours after such person has  
40 been placed under arrest for any such violation; or having reasonable  
41 grounds to believe such person to have been operating in violation of  
42 section eleven hundred ninety-two-a of this article and within two hours  
43 after the stop of such person for any such violation,

44 (2) within two hours after a breath test, or oral/bodily fluid test,  
45 as provided in paragraph (b) of subdivision one of this section, indi-  
46 cates that alcohol and/or a drug or drugs has been consumed by such  
47 person and in accordance with the rules and regulations established by  
48 the police force of which the officer is a member;

49 (3) for the purposes of this paragraph, "reasonable grounds" to  
50 believe that a person has been operating a motor vehicle after having  
51 consumed alcohol in violation of section eleven hundred ninety-two-a of  
52 this article shall be determined by viewing the totality of circum-  
53 stances surrounding the incident which, when taken together, indicate  
54 that the operator was driving in violation of such subdivision. Such  
55 circumstances may include any visible or behavioral indication of alco-  
56 hol consumption by the operator, the existence of an open container

1 containing or having contained an alcoholic beverage in or around the  
2 vehicle driven by the operator, or any other evidence surrounding the  
3 circumstances of the incident which indicates that the operator has been  
4 operating a motor vehicle after having consumed alcohol at the time of  
5 the incident; or

6 (4) notwithstanding any other provision of law to the contrary, no  
7 person under the age of twenty-one shall be arrested for an alleged  
8 violation of section eleven hundred ninety-two-a of this article.  
9 However, a person under the age of twenty-one for whom a chemical test  
10 or an evaluation conducted by a drug recognition expert is authorized  
11 pursuant to this paragraph may be temporarily detained by the police  
12 solely for the purpose of requesting or administering such chemical test  
13 or an evaluation conducted by a drug recognition expert whenever arrest  
14 without a warrant for a petty offense would be authorized in accordance  
15 with the provisions of section 140.10 of the criminal procedure law or  
16 paragraph (a) of subdivision one of this section.

17 (b) Report of refusal. (1) If: (A) such person having been placed  
18 under arrest; or (B) after a breath or oral/bodily fluid test indicates  
19 the presence of alcohol and/or a drug or drugs in the person's system;  
20 or (C) with regard to a person under the age of twenty-one, there are  
21 reasonable grounds to believe that such person has been operating a  
22 motor vehicle after having consumed alcohol in violation of section  
23 eleven hundred ninety-two-a of this article; and having thereafter been  
24 requested to submit to such chemical test or an evaluation conducted by  
25 a drug recognition expert and having been informed that the person's  
26 license or permit to drive and any non-resident operating privilege  
27 shall be immediately suspended and subsequently revoked, or, for opera-  
28 tors under the age of twenty-one for whom there are reasonable grounds  
29 to believe that such operator has been operating a motor vehicle after  
30 having consumed alcohol in violation of section eleven hundred ninety-  
31 two-a of this article, shall be revoked for refusal to submit to such  
32 chemical test or any portion thereof, or an evaluation conducted by a  
33 drug recognition expert or any portion thereof whether or not the person  
34 is found guilty of the charge for which such person is arrested or  
35 detained, refuses to submit to such chemical test or any portion there-  
36 of, [unless a court order has been granted pursuant to subdivision three  
37 of this section,] or an evaluation conducted by a drug recognition  
38 expert or any portion thereof, the test shall not be given and a written  
39 report of such refusal shall be immediately made by the police officer  
40 before whom such refusal was made. Such report may be verified by having  
41 the report sworn to, or by affixing to such report a form notice that  
42 false statements made therein are punishable as a class A misdemeanor  
43 pursuant to section 210.45 of the penal law and such form notice togeth-  
44 er with the subscription of the deponent shall constitute a verification  
45 of the report.

46 (2) The report of the police officer shall set forth reasonable  
47 grounds to believe such arrested person or such detained person under  
48 the age of twenty-one had been driving in violation of any subdivision  
49 of section eleven hundred ninety-two or eleven hundred ninety-two-a of  
50 this article, that said person had refused to submit to such chemical  
51 test, [and that no chemical test was administered pursuant to the  
52 requirements of subdivision three of this section] or an evaluation  
53 conducted by a drug recognition expert, or any portion thereof. The  
54 report shall be presented to the court upon arraignment of an arrested  
55 person, provided, however, in the case of a person under the age of  
56 twenty-one, for whom a test was authorized pursuant to the provisions of

1 subparagraph two or three of paragraph (a) of this subdivision, and who  
2 has not been placed under arrest for a violation of any of the  
3 provisions of section eleven hundred ninety-two of this article, such  
4 report shall be forwarded to the commissioner within forty-eight hours  
5 in a manner to be prescribed by the commissioner, and all subsequent  
6 proceedings with regard to refusal to submit to such chemical test or an  
7 evaluation conducted by a drug recognition expert by such person shall  
8 be as set forth in subdivision three of section eleven hundred ninety-  
9 four-a of this article.

10 (3) For persons placed under arrest for a violation of any subdivision  
11 of section eleven hundred ninety-two of this article, the license or  
12 permit to drive and any non-resident operating privilege shall, upon the  
13 basis of such written report, be temporarily suspended by the court  
14 without notice pending the determination of a hearing as provided in  
15 paragraph (c) of this subdivision. Copies of such report must be trans-  
16 mitted by the court to the commissioner and such transmittal may not be  
17 waived even with the consent of all the parties. Such report shall be  
18 forwarded to the commissioner within forty-eight hours of such arraign-  
19 ment.

20 (4) The court or the police officer, in the case of a person under the  
21 age of twenty-one alleged to be driving after having consumed alcohol,  
22 shall provide such person with a scheduled hearing date, a waiver form,  
23 and such other information as may be required by the commissioner. If a  
24 hearing, as provided for in paragraph (c) of this subdivision, or subdi-  
25 vision three of section eleven hundred ninety-four-a of this article, is  
26 waived by such person, the commissioner shall immediately revoke the  
27 license, permit, or non-resident operating privilege, as of the date of  
28 receipt of such waiver in accordance with the provisions of paragraph  
29 (d) of this subdivision.

30 (c) Hearings. Any person whose license or permit to drive or any non-  
31 resident driving privilege has been suspended pursuant to paragraph (b)  
32 of this subdivision is entitled to a hearing in accordance with a hear-  
33 ing schedule to be promulgated by the commissioner. If the department  
34 fails to provide for such hearing fifteen days after the date of the  
35 arraignment of the arrested person, the license, permit to drive or  
36 non-resident operating privilege of such person shall be reinstated  
37 pending a hearing pursuant to this section. The hearing shall be limited  
38 to the following issues: (1) did the police officer have reasonable  
39 grounds to believe that such person had been driving in violation of any  
40 subdivision of section eleven hundred ninety-two of this article; (2)  
41 did the police officer make a lawful arrest of such person; (3) was such  
42 person given sufficient warning, in clear or unequivocal language, prior  
43 to such refusal that such refusal to submit to such chemical test or any  
44 portion thereof, or an evaluation conducted by a drug recognition expert  
45 or any portion thereof, would result in the immediate suspension and  
46 subsequent revocation of such person's license or operating privilege  
47 whether or not such person is found guilty of the charge for which the  
48 arrest was made; and (4) did such person refuse to submit to such chemi-  
49 cal test or any portion thereof, or an evaluation conducted by a drug  
50 recognition expert or any portion thereof. If, after such hearing, the  
51 hearing officer, acting on behalf of the commissioner, finds on any one  
52 of said issues in the negative, the hearing officer shall immediately  
53 terminate any suspension arising from such refusal. If, after such hear-  
54 ing, the hearing officer, acting on behalf of the commissioner finds all  
55 of the issues in the affirmative, such officer shall immediately revoke  
56 the license or permit to drive or any non-resident operating privilege

1 in accordance with the provisions of paragraph (d) of this subdivision.  
2 A person who has had a license or permit to drive or non-resident oper-  
3 ating privilege suspended or revoked pursuant to this subdivision may  
4 appeal the findings of the hearing officer in accordance with the  
5 provisions of article three-A of this chapter. Any person may waive the  
6 right to a hearing under this section. Failure by such person to appear  
7 for the scheduled hearing shall constitute a waiver of such hearing,  
8 provided, however, that such person may petition the commissioner for a  
9 new hearing which shall be held as soon as practicable.

10 (d) Sanctions. (1) Revocations. a. Any license which has been revoked  
11 pursuant to paragraph (c) of this subdivision shall not be restored for  
12 at least one year after such revocation, nor thereafter, except in the  
13 discretion of the commissioner. However, no such license shall be  
14 restored for at least eighteen months after such revocation, nor there-  
15 after except in the discretion of the commissioner, in any case where  
16 the person has had a prior revocation resulting from refusal to submit  
17 to a chemical test or an evaluation conducted by a certified drug recog-  
18 nitition expert or any portion thereof, or has been convicted of or found  
19 to be in violation of any subdivision of section eleven hundred ninety-  
20 two or section eleven hundred ninety-two-a of this article not arising  
21 out of the same incident, within the five years immediately preceding  
22 the date of such revocation; provided, however, a prior finding that a  
23 person under the age of twenty-one has refused to submit to a chemical  
24 test or an evaluation conducted by a certified drug recognition expert  
25 or any portion thereof pursuant to subdivision three of section eleven  
26 hundred ninety-four-a of this article shall have the same effect as a  
27 prior finding of a refusal pursuant to this subdivision solely for the  
28 purpose of determining the length of any license suspension or revoca-  
29 tion required to be imposed under any provision of this article,  
30 provided that the subsequent offense or refusal is committed or occurred  
31 prior to the expiration of the retention period for such prior refusal  
32 as set forth in paragraph (k) of subdivision one of section two hundred  
33 one of this chapter.

34 b. Any license which has been revoked pursuant to paragraph (c) of  
35 this subdivision or pursuant to subdivision three of section eleven  
36 hundred ninety-four-a of this article, where the holder was under the  
37 age of twenty-one years at the time of such refusal, shall not be  
38 restored for at least one year, nor thereafter, except in the discretion  
39 of the commissioner. Where such person under the age of twenty-one years  
40 has a prior finding, conviction or youthful offender adjudication  
41 resulting from a violation of section eleven hundred ninety-two or  
42 section eleven hundred ninety-two-a of this article, not arising from  
43 the same incident, such license shall not be restored for at least one  
44 year or until such person reaches the age of twenty-one years, whichever  
45 is the greater period of time, nor thereafter, except in the discretion  
46 of the commissioner.

47 c. Any commercial driver's license which has been revoked pursuant to  
48 paragraph (c) of this subdivision based upon a finding of refusal to  
49 submit to a chemical test or an evaluation conducted by a certified drug  
50 recognition expert or any portion thereof, where such finding occurs  
51 within or outside of this state, shall not be restored for at least  
52 eighteen months after such revocation, nor thereafter, except in the  
53 discretion of the commissioner, but shall not be restored for at least  
54 three years after such revocation, nor thereafter, except in the  
55 discretion of the commissioner, if the holder of such license was oper-  
56 ating a commercial motor vehicle transporting hazardous materials at the

1 time of such refusal. However, such person shall be permanently disqual-  
2 ified from operating a commercial motor vehicle in any case where the  
3 holder has a prior finding of refusal to submit to a chemical test or an  
4 evaluation thereof conducted by a certified drug recognition expert or  
5 any portion thereof pursuant to this section or has a prior conviction  
6 of any of the following offenses: any violation of section eleven  
7 hundred ninety-two of this article; any violation of subdivision one or  
8 two of section six hundred of this chapter; or has a prior conviction of  
9 any felony involving the use of a motor vehicle pursuant to paragraph  
10 (a) of subdivision one of section five hundred ten-a of this chapter.  
11 Provided that the commissioner may waive such permanent revocation after  
12 a period of ten years has expired from such revocation provided:

13 (i) that during such ten year period such person has not been found to  
14 have refused a chemical test or an evaluation conducted by a certified  
15 drug recognition expert or any portion thereof pursuant to this section  
16 and has not been convicted of any one of the following offenses: any  
17 violation of section eleven hundred ninety-two of this article; refusal  
18 to submit to a chemical test or an evaluation conducted by a certified  
19 drug recognition expert or any portion thereof pursuant to this section;  
20 any violation of subdivision one or two of section six hundred of this  
21 chapter; or has a prior conviction of any felony involving the use of a  
22 motor vehicle pursuant to paragraph (a) of subdivision one of section  
23 five hundred ten-a of this chapter;

24 (ii) that such person provides acceptable documentation to the commis-  
25 sioner that such person is not in need of alcohol or drug treatment or  
26 has satisfactorily completed a prescribed course of such treatment; and

27 (iii) after such documentation is accepted, that such person is grant-  
28 ed a certificate of relief from disabilities or a certificate of good  
29 conduct pursuant to article twenty-three of the correction law by the  
30 court in which such person was last penalized.

31 d. Upon a third finding of refusal and/or conviction of any of the  
32 offenses which require a permanent commercial driver's license revoca-  
33 tion, such permanent revocation may not be waived by the commissioner  
34 under any circumstances.

35 (2) Civil penalties. Except as otherwise provided, any person whose  
36 license, permit to drive, or any non-resident operating privilege is  
37 revoked pursuant to the provisions of this section shall also be liable  
38 for a civil penalty in the amount of five hundred dollars except that if  
39 such revocation is a second or subsequent revocation pursuant to this  
40 section issued within a five year period, or such person has been  
41 convicted of a violation of any subdivision of section eleven hundred  
42 ninety-two of this article within the past five years not arising out of  
43 the same incident, the civil penalty shall be in the amount of seven  
44 hundred fifty dollars. Any person whose license is revoked pursuant to  
45 the provisions of this section based upon a finding of refusal to submit  
46 to a chemical test or an evaluation conducted by a certified drug recog-  
47 inition expert or any portion thereof while operating a commercial motor  
48 vehicle shall also be liable for a civil penalty of five hundred fifty  
49 dollars except that if such person has previously been found to have  
50 refused a chemical test or an evaluation conducted by a certified drug  
51 recognition expert or any portion thereof pursuant to this section while  
52 operating a commercial motor vehicle or has a prior conviction of any of  
53 the following offenses while operating a commercial motor vehicle: any  
54 violation of section eleven hundred ninety-two of this article; any  
55 violation of subdivision two of section six hundred of this chapter; or  
56 has a prior conviction of any felony involving the use of a commercial

1 motor vehicle pursuant to paragraph (a) of subdivision one of section  
2 five hundred ten-a of this chapter, then the civil penalty shall be  
3 seven hundred fifty dollars. No new driver's license or permit shall be  
4 issued, or non-resident operating privilege restored to such person  
5 unless such penalty has been paid. All penalties collected by the  
6 department pursuant to the provisions of this section shall be the prop-  
7 erty of the state and shall be paid into the general fund of the state  
8 treasury.

9 (3) Effect of rehabilitation program. No period of revocation arising  
10 out of this section may be set aside by the commissioner for the reason  
11 that such person was a participant in the alcohol and drug rehabili-  
12 tation program set forth in section eleven hundred ninety-six of this  
13 article.

14 (e) Regulations. The commissioner shall promulgate such rules and  
15 regulations as may be necessary to effectuate the provisions of subdivi-  
16 sions one and two of this section.

17 (f) Evidence. Evidence of a refusal to submit to such chemical test or  
18 any portion thereof or an evaluation conducted by a certified drug  
19 recognition expert or any portion thereof shall be admissible in any  
20 trial, proceeding or hearing based upon a violation of the provisions of  
21 section eleven hundred ninety-two of this article but only upon a show-  
22 ing that the person was given sufficient warning, in clear and unequiv-  
23 ocal language, of the effect of such refusal and that the person  
24 persisted in the refusal. Evidence of a refusal shall be admissible  
25 pursuant to this section regardless of the time of the refusal.

26 (g) Results. Upon the request of the person who was tested, the  
27 results of such test shall be made available to such person.

28 3. Compulsory chemical tests. (a) Court ordered chemical tests.  
29 Notwithstanding the provisions of subdivision two of this section, no  
30 person who operates a motor vehicle in this state may refuse to submit  
31 to a chemical test of one or more of the following: breath, blood, urine  
32 or [saliva] oral/bodily fluids, for the purpose of determining the alco-  
33 holic and/or drug content of the blood or oral/bodily fluids when a  
34 court order for such chemical test has been issued in accordance with  
35 the provisions of this subdivision.

36 (b) When authorized. Upon refusal by any person to submit to a chemi-  
37 cal test or any portion thereof as described above, the test shall not  
38 be given unless a police officer or a district attorney, as defined in  
39 subdivision thirty-two of section 1.20 of the criminal procedure law,  
40 requests and obtains a court order to compel a person to submit to a  
41 chemical test to determine the alcoholic or drug content of the person's  
42 blood or oral/bodily fluids upon a finding of reasonable cause to  
43 believe that:

44 (1) such person was the operator of a motor vehicle and in the course  
45 of such operation [a person other than the operator was killed or  
46 suffered serious physical injury as defined in section 10.00 of the  
47 penal law] the motor vehicle was involved in a crash; or personal injury  
48 has been caused to another person, due to an incident involving the  
49 motor vehicle operated by such person; or such person has a previous  
50 conviction for a violation of any subdivision of section eleven hundred  
51 ninety-two of this article; and

52 (2) a. either such person operated the vehicle in violation of any  
53 subdivision of section eleven hundred ninety-two of this article, or

54 b. a breath test or oral/bodily fluid test administered by a police  
55 officer in accordance with paragraph (b) of subdivision one of this

1 section indicates that alcohol or a drug or drugs has been consumed by  
2 such person; and

3 (3) such person has been placed under lawful arrest; and

4 (4) such person has refused to submit to a chemical test or any  
5 portion thereof or an evaluation conducted by a certified drug recogni-  
6 tion expert, or any portion thereof, requested in accordance with the  
7 provisions of paragraph (a) of subdivision two of this section or is  
8 unable to give consent to such a test.

9 (c) Reasonable cause; definition. For the purpose of this subdivision  
10 "reasonable cause" shall be determined by viewing the totality of  
11 circumstances surrounding the incident which, when taken together, indi-  
12 cate that the operator was driving in violation of section eleven  
13 hundred ninety-two of this article. Such circumstances may include, but  
14 are not limited to: evidence that the operator was operating a motor  
15 vehicle in violation of any provision of this article or any other  
16 moving violation at the time of the incident; any visible indication of  
17 alcohol or drug consumption or impairment by the operator; the existence  
18 of an open container containing an alcoholic beverage or a drug or drugs  
19 in or around the vehicle driven by the operator; the odor of cannabis,  
20 burnt cannabis or other drug; any other evidence surrounding the circum-  
21 stances of the incident which indicates that the operator has been oper-  
22 ating a motor vehicle while impaired by the consumption of alcohol or  
23 drugs or intoxicated at the time of the incident.

24 (d) Court order; procedure. (1) An application for a court order to  
25 compel submission to a chemical test or any portion thereof, may be made  
26 to any supreme court justice, county court judge or district court judge  
27 in the judicial district in which the incident occurred, or if the inci-  
28 dent occurred in the city of New York before any supreme court justice  
29 or judge of the criminal court of the city of New York. Such application  
30 may be communicated by telephone, radio or other means of electronic  
31 communication, or in person.

32 (2) The applicant must provide identification by name and title and  
33 must state the purpose of the communication. Upon being advised that an  
34 application for a court order to compel submission to a chemical test is  
35 being made, the court shall place under oath the applicant and any other  
36 person providing information in support of the application as provided  
37 in subparagraph three of this paragraph. After being sworn the applicant  
38 must state that the person from whom the chemical test was requested was  
39 the operator of a motor vehicle and in the course of such operation [a  
40 person, other than the operator, has been killed or seriously injured]  
41 the motor vehicle was involved in a crash; or personal injury has been  
42 caused to another person, due to an incident involving the motor vehicle  
43 operated by such person; or such person has a previous arrest for a  
44 violation of any subdivision of section eleven hundred ninety-two of  
45 this article; and, based upon the totality of circumstances, there is  
46 reasonable cause to believe that such person was operating a motor vehi-  
47 cle in violation of any subdivision of section eleven hundred ninety-two  
48 of this article and, after being placed under lawful arrest such person  
49 refused to submit to a chemical test or any portion thereof, in accord-  
50 ance with the provisions of this section or is unable to give consent to  
51 such a test or any portion thereof. The applicant must make specific  
52 allegations of fact to support such statement. Any other person properly  
53 identified, may present sworn allegations of fact in support of the  
54 applicant's statement.

55 (3) Upon being advised that an oral application for a court order to  
56 compel a person to submit to a chemical test is being made, a judge or

1 justice shall place under oath the applicant and any other person  
2 providing information in support of the application. Such oath or oaths  
3 and all of the remaining communication must be recorded, either by means  
4 of a voice recording device or verbatim stenographic or verbatim long-  
5 hand notes. If a voice recording device is used or a stenographic record  
6 made, the judge must have the record transcribed, certify to the accura-  
7 cy of the transcription and file the original record and transcription  
8 with the court within seventy-two hours of the issuance of the court  
9 order. If the longhand notes are taken, the judge shall subscribe a copy  
10 and file it with the court within twenty-four hours of the issuance of  
11 the order.

12 (4) If the court is satisfied that the requirements for the issuance  
13 of a court order pursuant to the provisions of paragraph (b) of this  
14 subdivision have been met, it may grant the application and issue an  
15 order requiring the accused to submit to a chemical test to determine  
16 the alcoholic and/or drug content of [his] their blood [and] or  
17 oral/bodily fluids and ordering the withdrawal of a blood or oral/bodily  
18 fluid sample in accordance with the provisions of paragraph (a) of  
19 subdivision four of this section. When a judge or justice determines to  
20 issue an order to compel submission to a chemical test based on an oral  
21 application, the applicant therefor shall prepare the order in accord-  
22 ance with the instructions of the judge or justice. In all cases the  
23 order shall include the name of the issuing judge or justice, the name  
24 of the applicant, and the date and time it was issued. It must be  
25 signed by the judge or justice if issued in person, or by the applicant  
26 if issued orally.

27 (5) Any false statement by an applicant or any other person in support  
28 of an application for a court order shall subject such person to the  
29 offenses for perjury set forth in article two hundred ten of the penal  
30 law.

31 (6) The chief administrator of the courts shall establish a schedule  
32 to provide that a sufficient number of judges or justices will be avail-  
33 able in each judicial district to hear oral applications for court  
34 orders as permitted by this section.

35 (e) Administration of compulsory chemical test. An order issued pursu-  
36 ant to the provisions of this subdivision shall require that a chemical  
37 test to determine the alcoholic and/or drug content of the operator's

28 § 385-b. Owner liability for failure of operator to comply with weight  
29 restrictions on a covered agency and authority's facilities. 1. (a)  
30 Notwithstanding any other provision of law, a covered agency or authori-  
31 ty may establish a weigh-in-motion program on its facilities imposing  
32 monetary liability on the owner of a vehicle for failure of an operator  
33 thereof to comply with gross vehicle weight and/or axle weight  
34 restrictions on such facilities in accordance with the provisions of  
35 this section. Such program shall empower the covered agency or authority  
36 to install and operate weigh-in-motion violation monitoring systems on  
37 its facilities. Such systems may be activated at locations on such  
38 portion of its facilities as determined by the covered agency or author-  
39 ity. A covered agency or authority may enter into a memorandum of agree-  
40 ment with another covered agency or authority for the purposes of coor-  
41 minating the planning, design, installation, operation, construction and  
42 maintenance of such weigh-in-motion program. Such memorandum shall  
43 address, for purposes of such program, the use of systems, devices and  
44 other facilities owned and operated by the other covered agency or  
45 authority.

46 (b) No weigh-in-motion violation monitoring system shall be used  
47 unless: (i) on the day it is to be used it has undergone a self-test  
48 for the operation of such system; and (ii) it has undergone an annual  
49 calibration check performed pursuant to paragraph (c) of this subdivi-  
50 sion. A result of the daily self-test for each such system shall include  
51 the date and time that the self-test was successfully performed. The  
52 covered agency or authority shall retain each such daily self-test until  
53 the later of the date on which the weigh-in-motion system to which it  
54 applies has been permanently removed from use or the final resolution of

1 all cases involving notices of liability issued based on photographs,  
2 microphotographs, video or other recorded images, and information and  
3 data generated in conjunction therewith, produced by such system.

4 (c) Each weigh-in-motion violation monitoring system shall undergo a  
5 calibration check every twelve months in accordance with specifications  
6 prescribed pursuant to a memorandum of agreement between the covered  
7 agency or authority and the New York state department of agriculture and  
8 markets, or in accordance with an applicable reference standard as  
9 determined by the covered agency or authority. Such calibration check  
10 shall be performed by an independent calibration laboratory, which shall  
11 issue a signed certificate of calibration on its letterhead to the  
12 covered agency or authority. Nothing contained in this paragraph shall  
13 be deemed to require the signature of a notary public on such certifi-  
14 cate. The covered agency or authority shall retain each such annual  
15 certificate of calibration on file until the final resolution of all  
16 cases involving notices of liability issued during such twelve-month  
17 time period which were based on photographs, microphotographs, video or  
18 other recorded images, and information and data generated in conjunction  
19 therewith, produced by such weigh-in-motion violation monitoring system.

20 (d) The covered agency or authority shall monitor the system by evalu-  
21 ating information and data collected from sensor readings of each weigh-  
22 in-motion violation monitoring system. The covered agency or authority  
23 shall promulgate rules for monitoring collected data, responding to  
24 system alerts, and establishing a protocol for action which may include  
25 recertification.

26 (e) Weigh-in-motion violation monitoring systems used in accordance  
27 with the weigh-in-motion program authorized pursuant to this section  
28 shall be operated only on the covered agency or authority's facilities  
29 or on another agency or authority's facilities if agreed upon in a memo-  
30 randum of agreement.

31 (f) (i) No photograph, microphotograph, videotape or other recorded  
32 image, nor any information and data generated in conjunction therewith,  
33 shall be used for any purpose other than as specified in this section,  
34 except as may be otherwise provided by this paragraph. Notwithstanding  
35 the above, all information and data from weigh-in-motion violation moni-  
36 toring systems may be shared among covered agencies and authorities for  
37 the purposes of monitoring impacts to a covered agency or authority's  
38 facilities and for reporting purposes.

39 (ii) Such program shall utilize necessary technologies to ensure, to  
40 the extent practicable, that photographs, microphotographs, videotape or  
41 other recorded images produced by such weigh-in-motion violation moni-  
42 toring systems shall not include images that identify the driver, the  
43 passengers, or the contents of the vehicle. Provided, however, that no  
44 notice of liability issued pursuant to this section shall be dismissed  
45 solely because such a photograph, microphotograph, videotape or other  
46 recorded image allows for the identification of the driver, the passen-  
47 gers, or the contents of vehicles where the covered agency or authority  
48 shows that it made reasonable efforts to comply with the provisions of  
49 this paragraph in such case.

50 (iii) Photographs, microphotographs, videotape or any other recorded  
51 image, and any information and data generated in conjunction therewith,  
52 produced by a weigh-in-motion violation monitoring system shall be for  
53 the exclusive use of the covered agency or authority, or by use of  
54 another covered agency or authority adjudicating on behalf of a covered  
55 agency, for the purpose of the adjudication of liability imposed pursu-  
56 ant to this section, and of the owner receiving a notice of liability

1 pursuant to this section, and as required by the covered agency or  
2 authority to study the impact of overweight vehicles on its facilities  
3 and management of such facilities, and shall be destroyed by the covered  
4 agency or authority, or another covered agency or authority where appli-  
5 cable, upon the final resolution of the notice of liability to which  
6 such photographs, microphotographs, videotape or other recorded images

32 misdemeanor or felony offense was committed in this state or another  
33 state, or that a particular person participated in the commission of a  
34 misdemeanor or felony offense in this state or another state, provided,  
35 however, that if such offense was against the laws of another state, the

45 the prosecution, or the defense, or the investigation by an authorized  
46 law enforcement official, of the alleged commission of a misdemeanor or  
47 felony in this state or another state, provided, however, that if such

24 gross vehicle weight and/or axle weight; or operated such vehicle in  
25 accordance with the terms and conditions of any overweight permit issued  
26 in accordance with this chapter and any rules and regulations promulgat-

12 covered agency or authority, or by any other entity authorized by the  
13 covered agency or authority to prepare and mail such notice of liabil-

19 violations bureau, such liability imposed pursuant to this section may  
20 only occur within the city of New York.

21 9. If an owner receives a notice of liability pursuant to this section  
22 for any time period during which the vehicle or the number plate or

9 subdivision seven of this section.

10 11. (a) If the owner liable for a violation of section three hundred  
11 eighty-five of this article and the rules and regulations of the covered  
12 agency or authority in relation to gross vehicle weight and/or axle  
13 weight pursuant to this section was not the operator of the vehicle at  
14 the time of the violation, the owner may maintain an action for indemni-  
15 fication against the operator.

16 (b) Notwithstanding any other provision of this section, no owner of a  
17 vehicle shall be subject to a monetary fine imposed pursuant to this

20 vehicle in violation of section three hundred eighty-five of this arti-  
21 cle and the rules and regulations of the covered agency or authority in  
22 relation to gross vehicle weight and/or axle weight. For purposes of  
23 this subdivision there shall be a presumption that the operator of such  
24 vehicle was operating such vehicle with the consent of the owner at the  
25 time such operator operated such vehicle in violation of section three  
26 hundred eighty-five of this article and the rules and regulations of the  
27 covered agency or authority in relation to gross vehicle weight and/or  
28 axle weight.

29 12. Nothing in this section shall be construed to limit the liability  
30 of an operator of a vehicle for any violation of section three hundred  
31 eighty-five of this article and the rules and regulations of the covered  
32 agency or authority in relation to gross vehicle weight and/or axle  
33 weight.

35 section three hundred eighty-five of this article and the rules and  
36 regulations of the covered agency or authority in relation to gross  
37 vehicle weight and/or axle weight pursuant to this section that such  
38 weigh-in-motion violation monitoring system was malfunctioning at the  
39 time of the alleged violation.

40 § 2. Subdivision 2 of section 87 of the public officers law is amended  
41 by adding a new paragraph (v) to read as follows:

48 public the plan for the use of vehicle weigh-in-motion violation moni-  
49 toring systems to enforce vehicle weight restrictions so as to maximize  
50 awareness of such program; (ii) during the first 60-day period in which  
51 weigh-in-motion violation monitoring systems are in operation pursuant  
52 to the provisions of this act send by first class mail a written warning  
53 in lieu of a notice of liability to all owners of motor vehicles who  
54 would be held liable for failure of operators thereof to comply with  
55 section 385-b of the vehicle and traffic law in relation to gross vehi-  
56 cle weight and/or axle weight, together with notice of the weigh-in-mo-

1 tion program authorized by section 385-b of the vehicle and traffic law;

47 section 11-1614 of the administrative code of the city of New York.

48 2. Any local law enacted pursuant to this article shall require that  
49 the surcharge be paid to the agency issuing the permit prior to the  
50 issuance or renewal of such permit for the term of such permit, in a  
51 form and manner determined by such agency.

52 3. Such surcharge shall not be refundable except where a reduction for  
53 such surcharge is authorized pursuant to subdivision four of section  
54 seventeen hundred twelve of this article and an application for such  
55 reduction is filed with the department of transportation no later than:

56 (a) eighteen months after execution of: (i) an agreement with a federal,

1 state or local government entity, public benefit corporation or public  
2 housing authority, relating to the creation or preservation of affor-  
3 able housing units; or (ii) a similar instrument; or (b) eighteen months  
4 after payment of such surcharge.

5 § 1715. Limitations on assessment of surcharge. Except in the case of  
6 a willfully false or fraudulent permit application with intent to evade  
7 the surcharge authorized by the provisions of this article, no assess-  
8 ment of additional surcharge shall be made with respect to the surcharge  
9 imposed under the authority of this article, after the expiration of  
10 more than three years from the date of the permit application or renewal  
11 thereof, provided, however, that where no such application has been  
12 filed, or where there has been a change relating to the use of the  
13 street or pedestrian plaza for which a permit has been issued that would  
14 increase the amount of surcharge liability, as provided by law, the  
15 surcharge may be assessed at any time. Where a person subject to the  
16 surcharge authorized by the provisions of this article makes a change or  
17 correction to a permit that has been issued, as provided by law, an  
18 assessment may be made at any time within two years after the applica-  
19 tion for such permit was filed. Any local law enacted pursuant to this  
20 article shall authorize enforcement remedies, including but not limited  
21 to the imposition of civil penalties in an amount no greater than ten  
22 percent of such surcharge where a person subject to the surcharge  
23 authorized by the provisions of this article fails to pay such surcharge  
24 by failing to submit the required permit application.

25 § 1716. Judicial review. Any final determination of the amount of any  
26 surcharge payable under this article shall be reviewable for error,  
27 illegality or unconstitutionality or any other reason whatsoever by a  
28 proceeding under article seventy-eight of the civil practice law and  
29 rules if application therefor is made to the supreme court within four  
30 months after the giving of the notice of such final determination,  
31 provided, however, that any such proceeding under article seventy-eight  
32 of the civil practice law and rules shall not be instituted by a person  
33 liable for such surcharge unless: 1. the amount of any surcharge sought  
34 to be reviewed, with such interest and penalties thereon as may be  
35 provided for by local law or regulation, shall be first deposited and  
36 there is filed an undertaking, issued by a surety company authorized to  
37 transact business in this state and approved by the superintendent of  
38 financial services of this state as to solvency and responsibility, in  
39 such amount as a justice of the supreme court shall approve to the  
40 effect that if such proceeding be dismissed or surcharge confirmed such  
41 liable person will pay all costs and charges which may accrue in the  
42 prosecution of such proceeding; or 2. at the option of such liable  
43 person, such undertaking may be in a sum sufficient to cover the  
44 surcharge, interest and penalties stated in such determination, plus the  
45 costs and charges which may accrue against such liable person in the  
46 prosecution of the proceeding, in which event the liable person shall  
47 not be required to pay such surcharge, interest or penalties as a condi-  
48 tion precedent to the application.

49 § 2. Title 11 of the administrative code of the city of New York is  
50 amended by adding a new chapter 32 to read as follows:

2 to such term in the housing maintenance code.

3 (f) Full obstruction. The term "full obstruction" means the occupation

5 for construction-related activity where there is a permit issued to  
6 close such length to motor vehicles, pedestrians, or bicyclists.

7 (g) Partial obstruction. The term "partial obstruction" means the

26 § 11-3202 Surcharge for permit to obstruct or close the street for  
27 construction-related purposes. (a) A surcharge is imposed on the issu-  
28 ance of any construction permit.

29 (b) The rate of such surcharge shall be: (1) For a construction permit  
30 for the partial obstruction of a sidewalk, five dollars for up to and  
31 including ten linear feet of sidewalk per day, except for in the central  
32 business district, where the rate shall be ten dollars for up to and  
33 including ten linear feet of sidewalk per day;

34 (2) For a construction permit for the full obstruction of a sidewalk,  
35 two hundred dollars for up to and including one hundred linear feet per  
36 day, except for in the central business district where the rate shall be  
37 four hundred dollars for up to and including one hundred linear feet per  
38 day;

39 (3) For a construction permit for the full obstruction of a curb lane,  
40 fifteen dollars for up to and including ten linear feet of curb lane per  
41 day, except for in the central business district where the rate shall be  
42 thirty-five dollars for up to and including ten linear feet per day;

43 (4) For a construction permit for the full obstruction of a vehicular  
44 travel lane, three hundred dollars for up to and including one hundred  
45 linear feet of vehicular travel lane per day, except for in the central  
46 business district where the rate shall be seven hundred dollars for up  
47 to and including one hundred linear feet of vehicular travel lane per  
48 day; and

49 (5) For a construction permit for the full obstruction of any portion  
50 of a pedestrian plaza, thirty cents for up to and including ten square  
51 feet of vehicular travel lane per day, except for in the central busi-  
52 ness district where the rate shall be sixty cents for up to and includ-  
53 ing ten square feet of pedestrian plaza per day.

54 (c) Such rate shall be reduced for the initial three hundred sixty-  
55 five days for which the construction permit has been issued as follows:

1 (1) sixty percent of the surcharge due for days one through ninety;  
2 and

3 (2) forty percent of the surcharge due for days ninety-one through  
4 three hundred sixty-five.

5 (d) Such rate shall be reduced in proportion to the percentage of  
6 affordable housing units created or preserved.

7 § 11-3203 General powers of the commissioner of transportation. The  
8 commissioner of transportation is hereby authorized and empowered:

9 (a) To make, adopt and amend rules and regulations appropriate to the  
10 carrying out of this chapter and the purposes thereof;

11 (b) To prescribe methods for determining the construction permits  
12 issued or the length or area of street or pedestrian plaza obstructed;

13 (c) To require construction contractors, construction managers, design  
14 engineers, or other persons, as applicable, to maintain records with  
15 respect to streets and pedestrian plazas obstructed, and to furnish any  
16 information with respect thereto upon request to the commissioner of  
17 transportation;

18 (d) To assess, determine and readjust the surcharge imposed under this  
19 chapter;

20 (e) (1) To administer oaths and take affidavits, or to cause the  
21 employees or officers of the department of transportation to administer  
22 oaths and affidavits in relation to any matter or proceeding in the  
23 exercise of their powers and duties under this chapter; and

24 (2) To subpoena and require the attendance of witnesses and the  
25 production of books, papers and documents to secure information perti-  
26 nent to the performance of such commissioner's duties pursuant to this  
27 chapter and of the enforcement of this chapter and to examine them in  
28 relation thereto, and to issue commissions for the examination of  
29 witnesses who are out of the state or unable to attend before such  
30 commissioner or excused from attendance;

31 (f) To remit penalties but not interest; and to compromise disputed  
32 claims in connection with the surcharge hereby imposed; and

33 (g) To delegate the functions hereunder to an assistant commissioner  
34 or deputy commissioner of transportation or to any employee or employees  
35 of such commissioner.

36 § 11-3204 Presumption and burden of proof; payment of surcharge. (a)  
37 If a street or pedestrian plaza is obstructed without the issuance of a  
38 valid construction permit, or if a street or pedestrian plaza is  
39 obstructed beyond the area or beyond the time period authorized in a  
40 construction permit, in a manner that would subject such obstruction to  
41 the surcharge described in section 11-3202 of this chapter, there shall  
42 be a rebuttable presumption that such obstruction is subject to the  
43 surcharge. If an obstruction is observed beyond the time period in which  
44 such obstruction was authorized in a construction permit, there shall be  
45 a rebuttable presumption that such obstruction occurred continuously  
46 until such observation. If an obstruction is observed beyond the area in  
47 which such obstruction was authorized in a construction permit, there  
48 shall be a rebuttable presumption that such obstruction occurred contin-  
49 uously from the point at which such construction permit authorized any  
50 obstruction. Such presumption shall prevail until the contrary is estab-  
51 lished and the burden of proving the contrary shall be upon the person  
52 to whom the construction permit is issued. Such surcharge shall be due  
53 against the person to whom the construction permit is issued, or if no  
54 such permit was issued, against the person creating such obstruction.  
55 Any person under contract with such person for the performance of work

1 or other activity creating such obstruction shall also be liable for  
2 such surcharge.

3 (b) For the purpose of proper administration of this chapter and to  
4 prevent evasion of the surcharge authorized under this chapter, the  
5 surcharge authorized by this chapter shall be due prior to issuance of a  
6 construction permit. The payment shall be made by the person to whom the  
7 construction permit is issued and shall be paid to the department of  
8 transportation in accordance with rules of such department.

9 (c) The surcharge shall not be refundable, except where a reduction  
10 for such surcharge is authorized pursuant to subdivision (d) of section  
11 11-3202 of this chapter and an application for such reduction is filed  
12 with the department of transportation no later than: (1) eighteen months  
13 after execution of: (i) an agreement with a federal, state or local  
14 government entity, public benefit corporation, or public housing author-  
15 ity, relating to the creation or preservation of affordable housing  
16 units; or (ii) a similar instrument; or (2) eighteen months after  
17 payment of such surcharge.

18 § 11-3205 Records to be kept. Every person to whom a construction  
19 permit has been issued shall keep records in such form and manner as the  
20 commissioner may by rule require. Such records shall be preserved for a  
21 period of three years from the date of issuance of such construction  
22 permit. Such records shall be available for inspection and examination  
23 upon demand by the commissioner of transportation or the commissioner's  
24 duly authorized agent or employee.

25 § 11-3206 Exemptions. The surcharge imposed pursuant to the authority  
26 of section 11-3202 of this chapter shall not be imposed on any  
27 construction permit issued to:

28 (a) The state of New York, or any of its agencies; instrumentalities,  
29 public corporations or political subdivisions where it is the permittee;

30 (b) The United States of America, and any of its agencies and instru-  
31 mentalities, insofar as it is immune from taxation where it is the  
32 permittee; or

33 (c) Any person where the construction for which such permit is issued  
34 relates to the creation or preservation of affordable housing units  
35 provided that such affordable housing units constitute no less than  
36 fifty percent of the total number of dwelling units created or preserved  
37 by such construction.

38 § 11-3207 Determination of surcharge. If a surcharge required by  
39 section 11-3202 of this chapter is not paid, or if the amount of the  
40 surcharge that is paid is incorrect or insufficient, the amount of  
41 surcharge due shall be determined by the commissioner of transportation  
42 from such information as may be obtainable, and, if necessary, such  
43 surcharge may be estimated on the basis of factors determined by the  
44 commissioner of transportation, in accordance with the presumptions set  
45 forth in subdivision (a) of section 11-3204 of this chapter. Notice of  
46 such determination shall be given to the person liable for the payment  
47 of the surcharge. Such determination shall finally and irrevocably fix  
48 the surcharge unless the person against whom it is assessed, within  
49 ninety days after giving notice of such determination, shall apply to  
50 the hearing officer at the department of transportation for a hearing,  
51 or unless the commissioner of transportation on their own motion shall  
52 redetermine the same. After such hearing, the commissioner of transpor-  
53 tation's determination shall be reviewable for error, illegality or  
54 unconstitutionality or any other reason whatsoever by a proceeding under  
55 article seventy-eight of the civil practice law and rules if application  
56 therefor is made to the supreme court within four months after giving of

1 the notice of such determination. A proceeding under article seventy-  
2 eight of the civil practice law and rules shall not be instituted  
3 unless: (a) the amount of any surcharge sought to be reviewed, with  
4 penalties and interest thereon, if any, shall be first deposited with  
5 the commissioner of transportation and there shall be filed with the  
6 commissioner of transportation an undertaking, issued by a surety compa-  
7 ny authorized to transact business in this state, and approved by the  
8 superintendent of insurance of this state as to solvency and responsi-  
9 bility, in such amount as a justice of the supreme court shall approve  
10 to the effect that if such proceeding be dismissed or the surcharge  
11 confirmed, the petitioner will pay all costs and charges which may  
12 accrue in the prosecution of the proceeding; or (b) at the option of the  
13 applicant such undertaking filed with the commissioner of transportation  
14 may be in a sum sufficient to cover the surcharges, penalties and inter-  
15 est thereon stated in such determination plus the costs and charges  
16 which may accrue against it in the prosecution of the proceeding, in  
17 which event the applicant shall not be required to deposit such  
18 surcharges, penalties and interest as a condition precedent to the  
19 application.

20 § 11-3208 Remedies exclusive. The remedies provided by section 11-3207  
21 of this chapter shall be the exclusive remedy available to any person  
22 for the review of liability for the surcharge imposed by section 11-3202  
23 of this chapter; and no determination or proposed determination of  
24 surcharge shall be enjoined or reviewed by an action for declaratory  
25 judgment, an action for money had and received or by any action or  
26 proceeding other than a proceeding in the nature of a certiorari  
27 proceeding under article seventy-eight of the civil practice law and  
28 rules; provided, however, that such person may proceed by declaratory  
29 judgment if such person institutes suit within thirty days after a defi-  
30 ciency assessment is made and pays the amount of the deficiency assess-  
31 ment to the commissioner of transportation prior to the institution of  
32 such suit and posts a bond for costs as provided in section 11-3207 of  
33 this chapter.

34 § 11-3209 Proceedings to recover surcharge. (a) Whenever any person to  
35 whom a construction permit has been issued fails to pay the correct and  
36 sufficient surcharge, penalty or interest imposed by this chapter as  
37 therein provided, the commissioner of transportation shall notify the  
38 commissioner of finance of all relevant records determined necessary by  
39 the commissioner of finance to facilitate collection of such surcharge.  
40 The corporation counsel shall, upon the request of the commissioner of  
41 finance bring or cause to be brought an action to enforce the payment of  
42 the same on behalf of the city of New York in any court of the state of  
43 New York or of any other state or of the United States. If, however, the  
44 commissioner of finance in their discretion believes that any such  
45 person is about to cease business, leave the state or remove or dissi-  
46 pate the assets out of which the surcharge, penalty or interest might be  
47 satisfied, and that any such surcharge, penalty or interest will not be  
48 paid when due, the commissioner of finance may declare such surcharge,  
49 penalty or interest to be immediately due and payable and may issue a  
50 warrant immediately.

51 (b) As an additional or alternate remedy, the commissioner of finance  
52 may issue a warrant, directed to the city sheriff commanding the city  
53 sheriff to levy upon and sell the real and personal property of the  
54 person liable for the surcharge, which may be found within the city, for  
55 the payment of the amount thereof, with any penalties and interest, and  
56 the cost of executing the warrant, and to return such warrant to the

1 commissioner of finance and to pay to the commissioner of finance the  
2 money collected by virtue thereof within sixty days after the receipt of  
3 such warrant. The city sheriff shall within five days after the receipt  
4 of the warrant file with the county clerk a copy thereof, and thereupon  
5 such clerk shall enter in the judgment docket the name of the person  
6 mentioned in the warrant and the amount of the surcharge, penalties and  
7 interest for which the warrant is issued and the date when such copy is  
8 filed. Thereupon the amount of such warrant so docketed shall become a  
9 lien upon the title to and interest in real and personal property of the  
10 person against whom the warrant is issued. The city sheriff shall then  
11 proceed upon the warrant, in the same manner, and with like effect, as  
12 that provided by law in respect to executions issued against property  
13 upon judgments of a court of record, and for services in executing the  
14 warrant the city sheriff shall be entitled to the same fees, which such  
15 city sheriff may collect in the same manner. In the discretion of the  
16 commissioner of finance a warrant of like terms, force and effect may be  
17 issued and directed to any officer or employee of the department of  
18 finance, and in the execution thereof such officer or employee shall  
19 have all the powers conferred by law upon sheriffs, but shall be enti-  
20 tled to no fee or compensation in excess of the actual expenses paid in  
21 the performance of such duty. If a warrant is returned not satisfied in  
22 full, the commissioner of finance may from time to time issue new  
23 warrants and shall also have the same remedies to enforce the amount due  
24 thereunder as if the city had recovered judgment therefore and execution  
25 thereon had been returned unsatisfied.

26 (c) The commissioner of finance, if such commissioner finds that the  
27 interests of the city will not thereby be jeopardized, and upon such  
28 conditions as the commissioner of finance may require, may release any  
29 property from the lien of any warrant or vacate such warrant for unpaid  
30 surcharges, penalties and interest filed pursuant to subdivision (b) of  
31 this section, and such release or vacating of the warrant may be  
32 recorded in the office of any recording officer in which such warrant  
33 has been filed. The clerk shall thereupon cancel and discharge as of the  
34 original date of docketing the vacated warrant.

35 § 11-3210 Penalties and interest. (a) Any person failing to pay any  
36 surcharge to the commissioner of transportation within the time required  
37 by this chapter shall be subject to a penalty of five percent of the  
38 amount of surcharge due; plus interest at the rate of one percent of  
39 such surcharge for each month of delay excepting the first month after  
40 such surcharge became due; but the commissioner of transportation if  
41 satisfied that the delay was excusable, may remit all or any part of  
42 such penalty, but not interest at the rate of six percent per year. Such  
43 penalties and interest shall be paid and disposed of in the same manner  
44 as other revenues from this chapter. Unpaid penalties and interest may  
45 be enforced in the same manner as the surcharge imposed by this chapter.

46 (b) Any person failing to keep the records required by subdivision (c)  
47 of section 11-3203 of this chapter, shall, in addition to the penalties  
48 herein or elsewhere prescribed, be subject to a civil penalty in an  
49 amount up to one hundred dollars per day from the date on which a deter-  
50 mination has been made that any such person failed to keep any such  
51 records until the date on which such records are provided, provided that  
52 such period shall be no greater than three years. It shall not be any  
53 defense to an action under this subdivision that the failure to keep the  
54 records was unintentional or not willful.

55 (c) The certificate of the commissioner of transportation to the  
56 effect that a surcharge has not been paid or that information has not

1 been supplied pursuant to the provisions of this chapter, shall be  
2 presumptive evidence thereof.

3 (d) Any person failing to submit the required permit application for a  
4 construction permit and who fails to pay the surcharge authorized by the  
5 provisions of this chapter, shall, in addition to the penalties herein  
6 or elsewhere prescribed, be subject to a civil penalty in an amount no  
7 greater than ten percent of such surcharge.

8 § 11-3211 Notices and limitations of time. (a) Any notice authorized  
9 or required under the provisions of this chapter may be given by mailing  
10 the same to the person for whom it is intended in a postpaid envelope  
11 addressed to such person at the address given in the construction permit  
12 issued to such person pursuant to the rules of the city of New York or,  
13 if no permit has been issued to such person, then to such address as may  
14 be obtainable. The mailing of such notice shall be presumptive evidence  
15 of the receipt of the same by the person to whom addressed. Any period  
16 of time which is determined according to the provisions of this chapter  
17 by the giving of notice shall commence to run from the date of mailing  
18 of such notice.

19 (b) The provisions of the civil practice law and rules or any other  
20 law relative to limitations of time for the enforcement of a civil reme-  
21 dy shall not apply to any proceeding or action taken by the city to  
22 levy, appraise, assess, determine or enforce the collection of any  
23 surcharge or penalty provided by this chapter. However, except in the  
24 case of a willfully false or fraudulently obtained construction permit  
25 with intent to evade the surcharge, no assessment of additional  
26 surcharge shall be made after the expiration of more than three years  
27 from the date of the issuance of a construction permit or the renewal  
28 thereof; provided, however, that where no construction permit has been  
29 issued, or where there has been a change relating to the use of the  
30 street for which a construction permit has been issued that would  
31 increase the amount of the surcharge, any additional surcharge may be  
32 assessed at any time.

33 § 3. Any local law enacted pursuant to the authority of section one of  
34 this act shall designate an agency to adopt rules and regulations to  
35 implement the provisions of such section.

36 § 4. This act shall take effect immediately, except that section two  
37 of this act shall take effect January 1, 2028.

## PART Q

39 Section 1. The section heading, paragraphs 1, 2, 4 and subparagraph  
40 (i) of paragraph 6 of subdivision (a), subdivisions (b), (e), (f), (h),  
41 (i), (j), paragraph 3 of subdivision (g) and the opening paragraph of  
42 subdivision (m) of section 1180-e of the vehicle and traffic law, as  
43 added by chapter 421 of the laws of 2021, are amended to read as  
44 follows:

45 Owner liability for failure of operator to comply with certain posted  
46 maximum speed limits; highway construction or maintenance work area.

47 1. Notwithstanding any other provision of law, the commissioner of  
48 transportation is hereby authorized to establish a [demonstration]  
49 program imposing monetary liability on the owner of a vehicle for fail-  
50 ure of an operator thereof to comply with posted maximum speed limits in  
51 a highway construction or maintenance work area located on a cont-  
52 rolled-access highway (i) when highway construction or maintenance work  
53 is occurring and a work area speed limit is in effect as provided in  
54 paragraph two of subdivision (d) or subdivision (f) of section eleven

1 hundred eighty of this article or (ii) when highway construction or  
2 maintenance work is occurring and other speed limits are in effect as  
3 provided in subdivision (b) or (g) or paragraph one of subdivision (d)  
4 of section eleven hundred eighty of this article. Such [demonstration]  
5 program shall empower the commissioner to install photo speed violation  
6 monitoring systems within no more than twenty highway construction or  
7 maintenance work areas located on controlled-access highways and to  
8 operate such systems within such work areas (iii) when highway  
9 construction or maintenance work is occurring and a work area speed  
10 limit is in effect as provided in paragraph two of subdivision (d) or  
11 subdivision (f) of section eleven hundred eighty of this article or (iv)  
12 when highway construction or maintenance work is occurring and other  
13 speed limits are in effect as provided in subdivision (b) or (g) or  
14 paragraph one of subdivision (d) of section eleven hundred eighty of  
15 this article. The commissioner, in consultation with the superintendent  
16 of the division of state police, shall determine the location of the  
17 highway construction or maintenance work areas located on a controlled-  
18 access highway in which to install and operate photo speed violation  
19 monitoring systems. In selecting a highway construction or maintenance  
20 work area in which to install and operate a photo speed violation moni-  
21 toring system, the commissioner shall consider criteria including, but  
22 not limited to, the speed data, crash history, and roadway geometry  
23 applicable to such highway construction or maintenance work area. A  
24 photo speed violation monitoring system shall not be installed or oper-  
25 ated on a controlled-access highway exit ramp.

26 2. Notwithstanding any other provision of law, [after holding a public  
27 hearing in accordance with the public officers law and subsequent  
28 approval of the establishment of a demonstration program in accordance  
29 with this section by a majority of the members of the entire board of  
30 the thruway authority,] the chair of the thruway authority is hereby  
31 authorized to establish a [demonstration] program imposing monetary  
32 liability on the owner of a vehicle for failure of an operator thereof  
33 to comply with posted maximum speed limits in a highway construction or  
34 maintenance work area located on the thruway (i) when highway  
35 construction or maintenance work is occurring and a work area speed  
36 limit is in effect as provided in paragraph two of subdivision (d) or  
37 subdivision (f) of section eleven hundred eighty of this article or (ii)  
38 when highway construction or maintenance work is occurring and other  
39 speed limits are in effect as provided in subdivision (b) or (g) or  
40 paragraph one of subdivision (d) of section eleven hundred eighty of  
41 this article. Such [demonstration] program shall empower the chair to  
42 install photo speed violation monitoring systems within no more than ten  
43 highway construction or maintenance work areas located on the thruway  
44 and to operate such systems within such work areas (iii) when highway  
45 construction or maintenance work is occurring and a work area speed  
46 limit is in effect as provided in paragraph two of subdivision (d) or  
47 subdivision (f) of section eleven hundred eighty of this article or (iv)  
48 when highway construction or maintenance work is occurring and other  
49 speed limits are in effect as provided in subdivision (b) or (g) or  
50 paragraph one of subdivision (d) of section eleven hundred eighty of  
51 this article. The chair, in consultation with the superintendent of the  
52 division of state police, shall determine the location of the highway  
53 construction or maintenance work areas located on the thruway in which  
54 to install and operate photo speed violation monitoring systems. In  
55 selecting a highway construction or maintenance work area in which to  
56 install and operate a photo speed violation monitoring system, the chair

1 shall consider criteria including, but not limited to, the speed data,  
2 crash history, and roadway geometry applicable to such highway  
3 construction or maintenance work area. A photo speed violation monitor-  
4 ing system shall not be installed or operated on a thruway exit ramp.

5 4. Operators of photo speed violation monitoring systems shall have  
6 completed training in the procedures for setting up, testing, and oper-  
7 ating such systems. Each such operator shall complete and sign a daily  
8 set-up log for each such system that [he or she] the operator operates  
9 that (i) states the date and time when, and the location where, the  
10 system was set up that day, and (ii) states that such operator success-  
11 fully performed, and the system passed, the self-tests of such system  
12 before producing a recorded image that day. The commissioner or the  
13 chair, as applicable, shall retain each such daily log until the later  
14 of the date on which the photo speed violation monitoring system to  
15 which it applies has been permanently removed from use or the final  
16 resolution of all cases involving notices of liability issued based on  
17 photographs, microphotographs, video or other recorded images produced  
18 by such system.

19 (i) Such [demonstration] program shall utilize necessary technologies  
20 to ensure, to the extent practicable, that photographs, microphoto-  
21 graphs, videotape or other recorded images produced by such photo speed  
22 violation monitoring systems shall not include images that identify the  
23 driver, the passengers, or the contents of the vehicle. Provided,  
24 however, that no notice of liability issued pursuant to this section  
25 shall be dismissed solely because such a photograph, microphotograph,  
26 videotape or other recorded image allows for the identification of the  
27 driver, the passengers, or the contents of vehicles where the commis-  
28 sioner or the chair, as applicable, shows that they made reasonable  
29 efforts to comply with the provisions of this paragraph in such case.

30 (b) If the commissioner or chair establishes a [demonstration] program  
31 pursuant to subdivision (a) of this section, the owner of a vehicle  
32 shall be liable for a penalty imposed pursuant to this section if such  
33 vehicle was used or operated with the permission of the owner, express  
34 or implied, within a highway construction or maintenance work area  
35 located on a controlled-access highway or on the thruway in violation of  
36 paragraph two of subdivision (d) or subdivision (f), or when other speed  
37 limits are in effect in violation of subdivision (b) or (g) or paragraph  
38 one of subdivision (d), of section eleven hundred eighty of this arti-  
39 cle, such vehicle was traveling at a speed of more than ten miles per  
40 hour above the posted speed limit in effect within such highway  
41 construction or maintenance work area, and such violation is evidenced  
42 by information obtained from a photo speed violation monitoring system;  
43 provided however that no owner of a vehicle shall be liable for a penal-  
44 ty imposed pursuant to this section where the operator of such vehicle  
45 has been convicted of the underlying violation of subdivision (b), (d),  
46 (f) or (g) of section eleven hundred eighty of this article.

47 (e) An owner liable for a violation of subdivision (b), (d), (f) or  
48 (g) of section eleven hundred eighty of this article pursuant to a  
49 [demonstration] program established pursuant to this section shall be  
50 liable for monetary penalties not to exceed fifty dollars for a first  
51 violation, [seventy-five] one hundred twenty-five dollars for a second  
52 violation both of which were committed within a period of eighteen  
53 months, and one hundred seventy-five dollars for a third or subsequent  
54 violation all of which were committed within a period of eighteen  
55 months; provided, however, that an additional penalty not in excess of

1 twenty-five dollars for each violation may be imposed for the failure to  
2 respond to a notice of liability within the prescribed time period.

3 (f) An imposition of liability under the [demonstration] program  
4 established pursuant to this section shall not be deemed a conviction as  
5 an operator and shall not be made part of the operating record of the  
6 person upon whom such liability is imposed nor shall it be used for  
7 insurance purposes in the provision of motor vehicle insurance coverage.

8 3. The notice of liability shall contain information advising the  
9 person charged of the manner and the time in which [he or she] the owner  
10 may contest the liability alleged in the notice. Such notice of liabil-  
11 ity shall also contain a prominent warning to advise the person charged  
12 that failure to contest in the manner and time provided shall be deemed  
13 an admission of liability and that a default judgment may be entered  
14 thereon.

15 (h) Adjudication of the liability imposed upon owners of this section  
16 shall be by a traffic violations bureau established pursuant to section  
17 three hundred seventy of the general municipal law where the violation  
18 occurred or, if there be none, by [the court having jurisdiction over  
19 traffic infractions where the violation occurred, except that if a city  
20 has established an administrative tribunal to hear and determine  
21 complaints of traffic infractions constituting parking, standing or  
22 stopping violations such city may, by local law, authorize such adjudi-  
23 cation by such tribunal], a hearing officer designated by the commis-  
24 sioner of motor vehicles provided, however, if a city with a population  
25 of one million or more has established an administrative tribunal to  
26 hear and determine complaints of traffic infractions constituting park-  
27 ing, standing or stopping violations, such tribunal shall adjudicate  
28 liability pursuant to this section.

29 (i) If an owner receives a notice of liability pursuant to this  
30 section for any time period during which the vehicle or the number plate  
31 or plates of such vehicle was reported to the police department as  
32 having been stolen, it shall be a valid defense to an allegation of  
33 liability for a violation of subdivision (b), (d), (f) or (g) of section  
34 eleven hundred eighty of this article pursuant to this section that the  
35 vehicle or the number plate or plates of such vehicle had been reported  
36 to the police as stolen prior to the time the violation occurred and had  
37 not been recovered by such time. For purposes of asserting the defense  
38 provided by this subdivision, it shall be sufficient that a certified  
39 copy of the police report on the stolen vehicle or number plate or  
40 plates of such vehicle be sent by first class mail to the [traffic  
41 violations bureau, court having jurisdiction or parking violations  
42 bureau] department of transportation or thruway authority as applicable.

43 (j) 1. [Where the adjudication of liability imposed upon owners pursu-  
44 ant to this section is by a traffic violations bureau or a court having  
45 jurisdiction, an] An owner who is a lessor of a vehicle to which a  
46 notice of liability was issued pursuant to subdivision (g) of this  
47 section shall not be liable for the violation of subdivision (b), (d),  
48 (f) or (g) of section eleven hundred eighty of this article pursuant to  
49 this section, provided that [he or she] the owner sends to the [traffic  
50 violations bureau or court having jurisdiction] commissioner or chair as  
51 applicable a copy of the rental, lease or other such contract document  
52 covering such vehicle on the date of the violation, with the name and  
53 address of the lessee clearly legible, within thirty-seven days after  
54 receiving notice from the [bureau or court] commissioner or chair as  
55 applicable of the date and time of such violation, together with the  
56 other information contained in the original notice of liability. Failure

1 to send such information within such thirty-seven day time period shall  
2 render the owner liable for the penalty prescribed by this section.  
3 Where the lessor complies with the provisions of this paragraph, the  
4 lessee of such vehicle on the date of such violation shall be deemed to  
5 be the owner of such vehicle for purposes of this section, shall be  
6 subject to liability for the violation of subdivision (b), (d), (f) or  
7 (g) of section eleven hundred eighty of this article pursuant to this  
8 section and shall be sent a notice of liability pursuant to subdivision  
9 (g) of this section.

10 2. [(i)] In a city which, by local law, has authorized the adjudi-  
11 cation of liability imposed upon owners by this section by a parking  
12 violations bureau, an owner who is a lessor of a vehicle to which a  
13 notice of liability was issued pursuant to subdivision (g) of this  
14 section shall not be liable for the violation of subdivision (b), (d),  
15 (f) or (g) of section eleven hundred eighty of this article, provided  
16 that:

18 in accordance with the provisions of section two hundred thirty-nine of  
19 this chapter; and

20 [(B)] (ii) within thirty-seven days after receiving notice from the  
21 [bureau] chair or commissioner as applicable of the date and time of a  
22 liability, together with the other information contained in the original  
23 notice of liability, the lessor submits to the bureau the correct name  
24 and address of the lessee of the vehicle identified in the notice of  
25 liability at the time of such violation, together with such other addi-  
26 tional information contained in the rental, lease or other contract  
27 document, as may be reasonably required by the [bureau] chair or commis-  
28 sioner as applicable pursuant to regulations that may be promulgated for  
29 such purpose.

30 [(ii)] 3. Failure to comply with [clause (B) of subparagraph (i) of]  
31 this [paragraph] subdivision shall render the owner liable for the  
32 penalty prescribed in this section.

33 [(iii)] 4. Where the lessor complies with the provisions of this  
34 [paragraph] subdivision, the lessee of such vehicle on the date of such  
35 violation shall be deemed to be the owner of such vehicle for purposes  
36 of this section, shall be subject to liability for such violation pursu-  
37 ant to this section and shall be sent a notice of liability pursuant to  
38 subdivision (g) of this section.

39 If the commissioner or chair adopts a [demonstration] program pursuant  
40 to subdivision (a) of this section the commissioner or chair, as appli-  
41 cable, shall [conduct a study and] submit a report on or before [May

44 the governor, the temporary president of the senate and the speaker of  
45 the assembly. The commissioner or chair shall also make such reports  
46 available on their public-facing websites, provided that they may  
47 provide aggregate data from paragraph one of this subdivision if the  
48 commissioner or chair finds that publishing specific location data would  
49 jeopardize public safety. Such report shall include:

50 § 2. The vehicle and traffic law is amended by adding a new section  
51 1180-h to read as follows:

52 § 1180-h. Owner liability for failure of operator to comply with  
53 certain posted maximum speed limits; Triborough bridge and tunnel  
54 project highway construction or maintenance work area. (a) 1. Notwith-  
55 standing any other provision of law, the Triborough bridge and tunnel  
56 authority, a body corporate and politic constituting a public benefit

1 corporation created and constituted pursuant to title three of article  
2 three of the public authorities law, is hereby authorized to establish a  
3 program imposing monetary liability on the owner of a vehicle for fail-  
4 ure of an operator thereof to comply with posted maximum speed limits in  
5 a construction or maintenance work area located at any Triborough bridge  
6 and tunnel authority project referred to in subdivision nine of section  
7 five hundred fifty-three of the public authorities law, or as otherwise  
8 provided in an applicable interagency agreement, (i) when construction  
9 or maintenance work is occurring and a work area speed limit is in  
10 effect as provided in paragraph two of subdivision (d) or subdivision  
11 (f) of section eleven hundred eighty of this article or (ii) when  
12 construction or maintenance work is occurring and other speed limits are  
13 in effect as provided in subdivision (b) or (g) or paragraph one of  
14 subdivision (d) of section eleven hundred eighty of this article. Such  
15 program shall empower the Triborough bridge and tunnel authority to  
16 install photo speed violation monitoring systems within construction or  
17 maintenance work areas located at Triborough bridge and tunnel authority  
18 projects and to operate such systems within such work areas (iii) when  
19 construction or maintenance work is occurring and a work area speed  
20 limit is in effect as provided in paragraph two of subdivision (d) or  
21 subdivision (f) of section eleven hundred eighty of this article or (iv)  
22 when construction or maintenance work is occurring and other speed  
23 limits are in effect as provided in subdivision (b) or (g) or paragraph  
24 one of subdivision (d) of section eleven hundred eighty of this article.  
25 The Triborough bridge and tunnel authority shall determine the location  
26 of the construction or maintenance work areas located at a Triborough  
27 bridge and tunnel authority project in which to install and operate  
28 photo speed violation monitoring systems. In selecting a construction or  
29 maintenance work area in which to install and operate a photo speed  
30 violation monitoring system, the Triborough bridge and tunnel authority  
31 shall consider criteria including, but not limited to, the speed data,  
32 crash history, and roadway geometry applicable to such construction or  
33 maintenance work area.

34 2. No photo speed violation monitoring system shall be used in a  
35 construction or maintenance work area unless (i) on the day it is to be  
36 used it has successfully passed a self-test of its functions; and (ii)  
37 it has undergone an annual calibration check performed pursuant to para-  
38 graph four of this subdivision. The Triborough bridge and tunnel author-  
39 ity shall install signs giving notice that a photo speed violation moni-  
40 toring system is in use, in conformance with standards established in  
41 the MUTCD.

42 3. Operators of photo speed violation monitoring systems shall have  
43 completed training in the procedures for setting up, testing, and oper-  
44 ating such systems. Each such operator shall complete and sign a daily  
45 set-up log for each such system that the operator operates that (i)  
46 states the date and time when, and the location where, the system was  
47 set up that day, and (ii) states that such operator successfully  
48 performed, and the system passed, the self-tests of such system before  
49 producing a recorded image that day. The Triborough bridge and tunnel  
50 authority shall retain each such daily log until the later of the date  
51 on which the photo speed violation monitoring system to which it applies  
52 has been permanently removed from use or the final resolution of all  
53 cases involving notices of liability issued based on photographs, micro-  
54 photographs, video or other recorded images produced by such system.

55 4. Each photo speed violation monitoring system shall undergo an annu-  
56 al calibration check performed by an independent calibration laboratory

1 which shall issue a signed certificate of calibration. The Triborough  
2 bridge and tunnel authority shall keep each such annual certificate of  
3 calibration on file until the final resolution of all cases involving a  
4 notice of liability issued during such year which were based on photo-  
5 graphs, microphotographs, videotape or other recorded images produced by  
6 such photo speed violation monitoring system.

7 5. (i) Such program shall utilize necessary technologies to ensure, to  
8 the extent practicable, that photographs, microphotographs, videotape or  
9 other recorded images produced by such photo speed violation monitoring  
10 systems shall not include images that identify the driver, the passen-  
11 gers, or the contents of the vehicle. Provided, however, that no notice  
12 of liability issued pursuant to this section shall be dismissed solely  
13 because such a photograph, microphotograph, videotape or other recorded  
14 image allows for the identification of the driver, the passengers, or  
15 the contents of vehicles where the Triborough bridge and tunnel authori-  
16 ty shows that it made reasonable efforts to comply with the provisions  
17 of this paragraph in such case.

18 (ii) Photographs, microphotographs, videotape or any other recorded  
19 image from a photo speed violation monitoring system shall be for the  
20 exclusive use of the Triborough bridge and tunnel authority for the  
21 purpose of the adjudication of liability imposed pursuant to this  
22 section and of the owner receiving a notice of liability pursuant to  
23 this section, and shall be destroyed by the Triborough bridge and tunnel  
24 authority upon the final resolution of the notice of liability to which  
25 such photographs, microphotographs, videotape or other recorded images  
26 relate, or one year following the date of issuance of such notice of  
27 liability, whichever is later. Notwithstanding the provisions of any  
28 other law, rule or regulation to the contrary, photographs, microphoto-  
29 graphs, videotape or any other recorded image from a photo speed  
30 violation monitoring system shall not be open to the public, nor subject  
31 to civil or criminal process or discovery, nor used by any court or  
32 administrative or adjudicatory body in any action or proceeding therein  
33 except that which is necessary for the adjudication of a notice of  
34 liability issued pursuant to this section, and no public entity or  
35 employee, officer or agent thereof shall disclose such information,  
36 except that such photographs, microphotographs, videotape or any other  
37 recorded images from such systems:

38 (A) shall be available for inspection and copying and use by the motor  
39 vehicle owner and operator for so long as such photographs, microphoto-  
40 graphs, videotape or other recorded images are required to be maintained  
41 or are maintained by such public entity, employee, officer or agent; and

42 (B) (1) shall be furnished when described in a search warrant issued  
43 by a court authorized to issue such a search warrant pursuant to article  
44 six hundred ninety of the criminal procedure law or a federal court  
45 authorized to issue such a search warrant under federal law, where such  
46 search warrant states that there is reasonable cause to believe such  
47 information constitutes evidence of, or tends to demonstrate that, a  
48 misdemeanor or felony offense was committed in this state or another  
49 state, or that a particular person participated in the commission of a  
50 misdemeanor or felony offense in this state or another state, provided,  
51 however, that if such offense was against the laws of another state, the  
52 court shall only issue a warrant if the conduct comprising such offense  
53 would, if occurring in this state, constitute a misdemeanor or felony  
54 against the laws of this state; and

55 (2) shall be furnished in response to a subpoena duces tecum signed by  
56 a judge of competent jurisdiction and issued pursuant to article six

1 hundred ten of the criminal procedure law or a judge or magistrate of a  
2 federal court authorized to issue such a subpoena duces tecum under  
3 federal law, where the judge finds and the subpoena states that there is  
4 reasonable cause to believe such information is relevant and material to  
5 the prosecution, or the defense, or the investigation by an authorized  
6 law enforcement official, of the alleged commission of a misdemeanor or  
7 felony in this state or another state, provided, however, that if such  
8 offense was against the laws of another state, such judge or magistrate  
9 shall only issue such subpoena if the conduct comprising such offense  
10 would, if occurring in this state, constitute a misdemeanor or felony in  
11 this state; and

12 (3) may, if lawfully obtained pursuant to this clause and clause (A)  
13 of this subparagraph and otherwise admissible, be used in such criminal  
14 action or proceeding.

15 (b) The owner of a vehicle shall be liable for a penalty imposed  
16 pursuant to this section if such vehicle was used or operated with the  
17 permission of the owner, express or implied, within a construction or  
18 maintenance work area located at a Triborough bridge and tunnel authori-  
19 ty project in violation of paragraph two of subdivision (d) or subdivi-  
20 sion (f), or when other speed limits are in effect in violation of  
21 subdivision (b) or (g) or paragraph one of subdivision (d) of section  
22 eleven hundred eighty of this article, such vehicle was traveling at a  
23 speed of more than ten miles per hour above the posted speed limit in  
24 effect within such construction or maintenance work area, and such  
25 violation is evidenced by information obtained from a photo speed  
26 violation monitoring system; provided however that no owner of a vehicle  
27 shall be liable for a penalty imposed pursuant to this section where the  
28 operator of such vehicle has been convicted of the underlying violation  
29 of subdivision (b), (d), (f) or (g) of section eleven hundred eighty of  
30 this article.

31 (c) For purposes of this section, the following terms shall have the  
32 following meanings:

34 the manual and specifications for a uniform system of traffic control  
35 devices maintained by the commissioner of transportation pursuant to  
36 section sixteen hundred eighty of this chapter;

37 2. "owner" shall have the meaning provided in article two-B of this  
38 chapter;

39 3. "photo speed violation monitoring system" shall mean a vehicle  
40 sensor installed to work in conjunction with a speed measuring device  
41 which automatically produces two or more photographs, two or more micro-  
42 photographs, a videotape or other recorded images of each vehicle at the  
43 time it is used or operated in a construction or maintenance work area  
44 located at a Triborough bridge and tunnel authority project in violation  
45 of subdivision (b), (d), (f) or (g) of section eleven hundred eighty of  
46 this article in accordance with the provisions of this section;

47 4. "Triborough bridge and tunnel authority projects" shall mean the

53 or a facsimile thereof, based upon inspection of photographs, micropho-  
54 tographs, videotape or other recorded images produced by a photo speed  
55 violation monitoring system, shall be prima facie evidence of the facts  
56 contained therein. Any photographs, microphotographs, videotape or other

1 recorded images evidencing such a violation shall include at least two  
2 date and time stamped images of the rear of the motor vehicle that  
3 include the same stationary object near the motor vehicle to the extent  
4 practicable and shall be available for inspection reasonably in advance  
5 of and at any proceeding to adjudicate the liability for such violation  
6 pursuant to this section.

7 (e) An owner liable for a violation of subdivision (b), (d), (f) or  
8 (g) of section eleven hundred eighty of this article pursuant to a  
9 program established pursuant to this section shall be liable for mone-  
10 tary penalties not to exceed fifty dollars for a first violation, one  
11 hundred twenty-five dollars for a second violation both of which were  
12 committed within a period of eighteen months, and one hundred seventy-  
13 five dollars for a third or subsequent violation all of which were  
14 committed within a period of eighteen months; provided, however, that an  
15 additional penalty not in excess of twenty-five dollars for each  
16 violation may be imposed for the failure to respond to a notice of  
17 liability within the prescribed time period.

18 (f) An imposition of liability under the program established pursuant  
19 to this section shall not be deemed a conviction as an operator and  
20 shall not be made part of the operating record of the person upon whom  
21 such liability is imposed nor shall it be used for insurance purposes in  
22 the provision of motor vehicle insurance coverage.

23 (g) 1. A notice of liability shall be sent by first class mail to each  
24 person alleged to be liable as an owner for a violation of subdivision  
25 (b), (d), (f) or (g) of section eleven hundred eighty of this article  
26 pursuant to this section, within fourteen business days if such owner is  
27 a resident of this state and within forty-five business days if such  
28 owner is a non-resident. Personal delivery on the owner shall not be  
29 required. A manual or automatic record of mailing prepared in the ordi-  
30 nary course of business shall be prima facie evidence of the facts  
31 contained therein.

32 2. A notice of liability shall contain the name and address of the  
33 person alleged to be liable as an owner for a violation of subdivision  
34 (b), (d), (f) or (g) of section eleven hundred eighty of this article  
35 pursuant to this section, the registration number of the vehicle  
36 involved in such violation, the location where such violation took  
37 place, the date and time of such violation, the identification number of  
38 the camera which recorded the violation or other document locator  
39 number, at least two date and time stamped images of the rear of the  
40 motor vehicle that include the same stationary object near the motor  
41 vehicle to the extent practicable, and the certificate charging the  
42 liability.

43 3. The notice of liability shall contain information advising the  
44 person charged of the manner and the time in which such person may  
45 contest the liability alleged in the notice. Such notice of liability  
46 shall also contain a prominent warning to advise the person charged that  
47 failure to contest in the manner and time provided shall be deemed an  
48 admission of liability and that a default judgment may be entered there-  
49 on.

50 4. The notice of liability shall be prepared and mailed by the Tribor-  
51 ough bridge and tunnel authority or by any other entity authorized by  
52 the Triborough bridge and tunnel authority to prepare and mail such  
53 notice of liability.

54 (h) Adjudication of the liability imposed upon owners of this section  
55 shall be by the New York city parking violations bureau.

1 (i) If an owner receives a notice of liability pursuant to this  
2 section for any time period during which the vehicle or the number plate  
3 or plates of such vehicle was reported to the police department as  
4 having been stolen, it shall be a valid defense to an allegation of  
5 liability for a violation of subdivision (b), (d), (f) or (g) of section  
6 eleven hundred eighty of this article pursuant to this section that the  
7 vehicle or the number plate or plates of such vehicle had been reported  
8 to the police as stolen prior to the time the violation occurred and had  
9 not been recovered by such time. For purposes of asserting the defense  
10 provided by this subdivision, it shall be sufficient that a certified  
11 copy of the police report on the stolen vehicle or number plate or  
12 plates of such vehicle be sent by first class mail to the Triborough  
13 bridge and tunnel authority.

14 (j) 1. An owner who is a lessor of a vehicle to which a notice of  
15 liability was issued pursuant to subdivision (g) of this section shall  
16 not be liable for the violation of subdivision (b), (d), (f) or (g) of  
17 section eleven hundred eighty of this article pursuant to this section,  
18 provided that the owner sends to the Triborough Bridge and tunnel  
19 authority a copy of the rental, lease or other such contract document  
20 covering such vehicle on the date of the violation, with the name and  
21 address of the lessee clearly legible, within thirty-seven days after  
22 receiving notice from the Triborough bridge and tunnel authority of the  
23 date and time of such violation, together with the other information  
24 contained in the original notice of liability. Failure to send such  
25 information within such thirty-seven-day time period shall render the  
26 owner liable for the penalty prescribed by this section. Where the  
27 lessor complies with the provisions of this paragraph, the lessee of  
28 such vehicle on the date of such violation shall be deemed to be the  
29 owner of such vehicle for purposes of this section, shall be subject to  
30 liability for the violation of subdivision (b), (d), (f) or (g) of  
31 section eleven hundred eighty of this article pursuant to this section  
32 and shall be sent a notice of liability pursuant to subdivision (g) of  
33 this section.

34 2. An owner who is a lessor of a vehicle to which a notice of liabil-  
35 ity was issued pursuant to subdivision (g) of this section shall not be  
36 liable for the violation of subdivision (b), (d), (f) or (g) of section  
37 eleven hundred eighty of this article, provided that:

38 (i) prior to the violation, the lessor has filed with the bureau in  
39 accordance with the provisions of section two hundred thirty-nine of  
40 this chapter; and

41 (ii) within thirty-seven days after receiving notice from the Tribor-  
42 ough bridge and tunnel authority of the date and time of a liability,  
43 together with the other information contained in the original notice of  
44 liability, the lessor submits to the Triborough bridge and tunnel  
45 authority the correct name and address of the lessee of the vehicle  
46 identified in the notice of liability at the time of such violation,  
47 together with such other additional information contained in the rental,  
48 lease or other contract document, as may be reasonably required by the  
49 Triborough bridge and tunnel authority pursuant to regulations that may  
50 be promulgated for such purpose.

51 3. Failure to comply with this subdivision shall render the owner  
52 liable for the penalty prescribed in this section.

53 4. Where the lessor complies with the provisions of this subdivision,  
54 the lessee of such vehicle on the date of such violation shall be deemed  
55 to be the owner of such vehicle for purposes of this section, shall be  
56 subject to liability for such violation pursuant to this section and

1 shall be sent a notice of liability pursuant to subdivision (g) of this  
2 section.

3 (k) 1. If the owner liable for a violation of subdivision (b), (d),  
4 (f) or (g) of section eleven hundred eighty of this article pursuant to  
5 this section was not the operator of the vehicle at the time of the  
6 violation, the owner may maintain an action for indemnification against  
7 the operator.

8 2. Notwithstanding any other provision of this section, no owner of a  
9 vehicle shall be subject to a monetary fine imposed pursuant to this  
10 section if the operator of such vehicle was operating such vehicle with-  
11 out the consent of the owner at the time such operator operated such  
12 vehicle in violation of subdivision (b), (d), (f) or (g) of section  
13 eleven hundred eighty of this article. For purposes of this subdivision  
14 there shall be a presumption that the operator of such vehicle was oper-  
15 ating such vehicle with the consent of the owner at the time such opera-  
16 tor operated such vehicle in violation of subdivision (b), (d), (f) or  
17 (g) of section eleven hundred eighty of this article.

18 (l) Nothing in this section shall be construed to limit the liability  
19 of an operator of a vehicle for any violation of subdivision (b), (d),  
20 (f) or (g) of section eleven hundred eighty of this article.

21 (m) It shall be a defense to any prosecution for a violation of subdi-  
22 vision (b), (d), (f) or (g) of section eleven hundred eighty of this  
23 article pursuant to this section that such photo speed violation moni-  
24 toring system was malfunctioning at the time of the alleged violation.

25 § 3. The vehicle and traffic law is amended by adding a new section  
26 1180-i to read as follows:

27 § 1180-i. Owner liability for failure of operator to comply with  
28 certain posted maximum speed limits; New York state bridge authority  
29 project highway construction or maintenance work area. (a) 1. Notwith-  
30 standing any other provision of law, the New York state bridge authority  
31 "bridge authority", a body corporate and politic constituting a public  
32 benefit corporation created and constituted pursuant to title two of  
33 article three of the public authorities law, is hereby authorized to  
34 establish a program imposing monetary liability on the owner of a vehi-  
35 cle for failure of an operator thereof to comply with posted maximum  
36 speed limits in a construction or maintenance work area located at any  
37 bridge authority project referred to in subdivision ten or ten-a of  
38 section five hundred twenty-eight of the public authorities law, or as  
39 otherwise provided in an applicable interagency agreement, (i) when  
40 construction or maintenance work is occurring and a work area speed  
41 limit is in effect as provided in paragraph two of subdivision (d) or  
42 subdivision (f) of section eleven hundred eighty of this article or (ii)  
43 when construction or maintenance work is occurring and other speed  
44 limits are in effect as provided in subdivision (b) or (g) or paragraph  
45 one of subdivision (d) of section eleven hundred eighty of this article.  
46 Such program shall empower the bridge authority to install photo speed  
47 violation monitoring systems within construction or maintenance work  
48 areas located at bridge authority projects and to operate such systems  
49 within such work areas (iii) when construction or maintenance work is  
50 occurring and a work area speed limit is in effect as provided in para-  
51 graph two of subdivision (d) or subdivision (f) of section eleven  
52 hundred eighty of this article or (iv) when construction or maintenance  
53 work is occurring and other speed limits are in effect as provided in  
54 subdivision (b) or (g) or paragraph one of subdivision (d) of section  
55 eleven hundred eighty of this article. The bridge authority shall deter-  
56 mine the location of the construction or maintenance work areas located

1 at a bridge authority project in which to install and operate photo  
2 speed violation monitoring systems. In selecting a construction or main-  
3 tenance work area in which to install and operate a photo speed  
4 violation monitoring system, the bridge authority shall consider crite-  
5 ria including, but not limited to, the speed data, crash history, and  
6 roadway geometry applicable to such construction or maintenance work  
7 area.

8 2. No photo speed violation monitoring system shall be used in a  
9 construction or maintenance work area unless (i) on the day it is to be  
10 used it has successfully passed a self-test of its functions; and (ii)  
11 it has undergone an annual calibration check performed pursuant to para-  
12 graph four of this subdivision. The bridge authority shall install signs  
13 giving notice that a photo speed violation monitoring system is in use,  
14 in conformance with standards established in the MUTCD.

15 3. Operators of photo speed violation monitoring systems shall have  
16 completed training in the procedures for setting up, testing, and oper-  
17 ating such systems. Each such operator shall complete and sign a daily  
18 set-up log for each such system that the operator operates that (i)  
19 states the date and time when, and the location where, the system was  
20 set up that day, and (ii) states that such operator successfully  
21 performed, and the system passed, the self-tests of such system before  
22 producing a recorded image that day. The bridge authority shall retain  
23 each such daily log until the later of the date on which the photo speed  
24 violation monitoring system to which it applies has been permanently  
25 removed from use or the final resolution of all cases involving notices  
26 of liability issued based on photographs, microphotographs, video or  
27 other recorded images produced by such system.

28 4. Each photo speed violation monitoring system shall undergo an annu-  
29 al calibration check performed by an independent calibration laboratory  
30 which shall issue a signed certificate of calibration. The bridge  
31 authority shall keep each such annual certificate of calibration on file  
32 until the final resolution of all cases involving a notice of liability  
33 issued during such year which were based on photographs, microphoto-  
34 graphs, videotape or other recorded images produced by such photo speed  
35 violation monitoring system.

36 5. (i) Such program shall utilize necessary technologies to ensure, to  
37 the extent practicable, that photographs, microphotographs, videotape or  
38 other recorded images produced by such photo speed violation monitoring  
39 systems shall not include images that identify the driver, the passen-  
40 gers, or the contents of the vehicle. Provided, however, that no notice  
41 of liability issued pursuant to this section shall be dismissed solely  
42 because such a photograph, microphotograph, videotape or other recorded  
43 image allows for the identification of the driver, the passengers, or  
44 the contents of vehicles where the bridge authority shows that it made  
45 reasonable efforts to comply with the provisions of this paragraph in  
46 such case.

47 (ii) Photographs, microphotographs, videotape or any other recorded  
48 image from a photo speed violation monitoring system shall be for the  
49 exclusive use of the bridge authority for the purpose of the adjudi-  
50 cation of liability imposed pursuant to this section and of the owner  
51 receiving a notice of liability pursuant to this section, and shall be  
52 destroyed by the bridge authority upon the final resolution of the  
53 notice of liability to which such photographs, microphotographs, vide-  
54 otape or other recorded images relate, or one year following the date of  
55 issuance of such notice of liability, whichever is later. Notwithstand-  
56 ing the provisions of any other law, rule or regulation to the contrary,

1 photographs, microphotographs, videotape or any other recorded image  
2 from a photo speed violation monitoring system shall not be open to the  
3 public, nor subject to civil or criminal process or discovery, nor used  
4 by any court or administrative or adjudicatory body in any action or  
5 proceeding therein except that which is necessary for the adjudication  
6 of a notice of liability issued pursuant to this section, and no public  
7 entity or employee, officer or agent thereof shall disclose such infor-  
8 mation, except that such photographs, microphotographs, videotape or any  
9 other recorded images from such systems:

10 (A) shall be available for inspection and copying and use by the motor  
11 vehicle owner and operator for so long as such photographs, microphoto-  
12 graphs, videotape or other recorded images are required to be maintained  
13 or are maintained by such public entity, employee, officer or agent; and

14 (B) (1) shall be furnished when described in a search warrant issued  
15 by a court authorized to issue such a search warrant pursuant to article  
16 six hundred ninety of the criminal procedure law or a federal court  
17 authorized to issue such a search warrant under federal law, where such  
18 search warrant states that there is reasonable cause to believe such  
19 information constitutes evidence of, or tends to demonstrate that, a  
20 misdemeanor or felony offense was committed in this state or another  
21 state, or that a particular person participated in the commission of a  
22 misdemeanor or felony offense in this state or another state, provided,  
23 however, that if such offense was against the laws of another state, the  
24 court shall only issue a warrant if the conduct comprising such offense  
25 would, if occurring in this state, constitute a misdemeanor or felony  
26 against the laws of this state; and

27 (2) shall be furnished in response to a subpoena duces tecum signed by  
28 a judge of competent jurisdiction and issued pursuant to article six  
29 hundred ten of the criminal procedure law or a judge or magistrate of a  
30 federal court authorized to issue such a subpoena duces tecum under  
31 federal law, where the judge finds and the subpoena states that there is  
32 reasonable cause to believe such information is relevant and material to  
33 the prosecution, or the defense, or the investigation by an authorized  
34 law enforcement official, of the alleged commission of a misdemeanor or  
35 felony in this state or another state, provided, however, that if such  
36 offense was against the laws of another state, such judge or magistrate  
37 shall only issue such subpoena if the conduct comprising such offense  
38 would, if occurring in this state, constitute a misdemeanor or felony in  
39 this state; and

40 (3) may, if lawfully obtained pursuant to this clause and clause (A)  
41 of this subparagraph and otherwise admissible, be used in such criminal  
42 action or proceeding.

43 (b) The owner of a vehicle shall be liable for a penalty imposed  
44 pursuant to this section if such vehicle was used or operated with the  
45 permission of the owner, express or implied, within a construction or  
46 maintenance work area located at a bridge authority project in violation  
47 of paragraph two of subdivision (d) or subdivision (f), or when other  
48 speed limits are in effect in violation of subdivision (b) or (g) or  
49 paragraph one of subdivision (d) of section eleven hundred eighty of  
50 this article, such vehicle was traveling at a speed of more than ten  
51 miles per hour above the posted speed limit in effect within such  
52 construction or maintenance work area, and such violation is evidenced  
53 by information obtained from a photo speed violation monitoring system;  
54 provided however that no owner of a vehicle shall be liable for a penal-  
55 ty imposed pursuant to this section where the operator of such vehicle

1 has been convicted of the underlying violation of subdivision (b), (d),  
2 (f) or (g) of section eleven hundred eighty of this article.

3 (c) For purposes of this section, the following terms shall have the  
4 following meanings:

15 time it is used or operated in a construction or maintenance work area  
16 located at a bridge authority project in violation of subdivision (b),

23 (d) A certificate, sworn to or affirmed by a technician employed by  
24 the bridge authority or its agent as applicable, or a facsimile thereof,  
25 based upon inspection of photographs, microphotographs, videotape or  
26 other recorded images produced by a photo speed violation monitoring  
27 system, shall be prima facie evidence of the facts contained therein.  
28 Any photographs, microphotographs, videotape or other recorded images  
29 evidencing such a violation shall include at least two date and time  
30 stamped images of the rear of the motor vehicle that include the same  
31 stationary object near the motor vehicle to the extent practicable and  
32 shall be available for inspection reasonably in advance of and at any  
33 proceeding to adjudicate the liability for such violation pursuant to  
34 this section.

42 committed within a period of eighteen months; provided, however, that an  
43 additional penalty not in excess of twenty-five dollars for each  
44 violation may be imposed for the failure to respond to a notice of  
45 liability within the prescribed time period.

46 (f) An imposition of liability under the program established pursuant  
47 to this section shall not be deemed a conviction as an operator and  
48 shall not be made part of the operating record of the person upon whom

50 the provision of motor vehicle insurance coverage.

51 (g) 1. A notice of liability shall be sent by first class mail to each  
52 person alleged to be liable as an owner for a violation of subdivision  
53 (b), (d), (f) or (g) of section eleven hundred eighty of this article

6 (b), (d), (f) or (g) of section eleven hundred eighty of this article  
7 pursuant to this section, the registration number of the vehicle  
8 involved in such violation, the location where such violation took

12 motor vehicle that include the same stationary object near the motor  
13 vehicle to the extent practicable, and the certificate charging the  
14 liability.

15 3. The notice of liability shall contain information advising the  
16 person charged of the manner and the time in which such person may  
17 contest the liability alleged in the notice. Such notice of liability

23 authority or by any other entity authorized by the bridge authority to  
24 prepare and mail such notice of liability.

25 (h) Adjudication of the liability imposed upon owners of this section  
26 shall be by a traffic violations bureau established pursuant to section  
27 three hundred seventy of the general municipal law where the violation  
28 occurred or, if there be none, by a hearing officer designated by the

30 and/or services, other than a motor vehicle as defined under section one  
31 hundred twenty-five of the vehicle and traffic law. A "buy-now-pay-later  
32 loan" does not include credit where the creditor is the seller of such  
33 goods and/or services, unless it is credit pursuant to an agreement  
34 whereby, at a consumer's request, the creditor purchases a specific good

39 "offer" means offering to make a buy-now-pay-later loan by extending  
40 credit directly to a consumer or operating a platform, software or  
41 system with which a consumer interacts and the primary purpose of which  
42 is to allow third parties to offer buy-now-pay-later loans, or both. A  
43 person shall not be considered a buy-now-pay-later lender on the basis  
44 of isolated, incidental or occasional transactions which otherwise meet  
45 the definitions of this section.

46 4. "Exempt organization" means any banking organization or foreign  
47 banking corporation licensed by the superintendent or the comptroller of  
48 the currency to transact business in this state or originating buy-now-  
49 pay-later loans from a branch in this state subject to article five-C of  
50 this chapter, licensed lender licensed by the superintendent under arti-  
51 cle nine of this chapter, national bank, federal savings bank, federal  
52 savings and loan association, federal credit union, or state depository

55 5. "Licensee" means a person who has been issued a license under this  
56 article.

1 6. "Person" means an individual, partnership, corporation, association  
2 or any other business organization.

3 § 737. License. 1. No person or other entity, except an exempt organ-  
4 ization as defined in this article, shall act as a buy-now-pay-later  
5 lender without first obtaining a license from the superintendent under  
6 this article.

7 2. An application for a license shall be in writing, under oath, and  
8 in the form and containing such information as the superintendent may  
9 require.

10 3. At the time of filing an application for a license, the applicant  
11 shall pay to the superintendent a fee as prescribed pursuant to section  
12 eighteen-a of this chapter.

13 4. A license granted under this article shall be valid unless revoked  
14 or suspended by the superintendent or unless surrendered by the licensee  
15 and accepted by the superintendent.

16 5. In connection with an application for a license, the applicant  
17 shall submit an affidavit of financial solvency, including financial  
18 statements, noting such capitalization requirements and access to such  
19 credit or such other affirmation or information as may be prescribed by  
20 the regulations of the superintendent.

21 § 738. Conditions precedent to issuing a license; procedure where  
22 application is denied. 1. After the filing of an application for a  
23 license accompanied by payment of the fee pursuant to subdivision three  
24 of section seven hundred thirty-seven of this article, it shall be  
25 substantively reviewed. After the application is deemed sufficient and  
26 complete, if the superintendent finds that the financial responsibility,  
27 including meeting any capital requirements as established pursuant to  
28 subdivision three of this section, experience, character and general  
29 fitness of the applicant or any person associated with the applicant are  
30 such as to command the confidence of the community and to warrant the  
31 belief that the business will be conducted honestly, fairly and effi-  
32 ciently within the purposes and intent of this article, the superinten-  
33 dent shall issue the license. For the purpose of this subdivision, the  
34 applicant shall be deemed to include all the members of the applicant if  
35 it is a partnership or unincorporated association or organization, and  
36 all the stockholders, officers and directors of the applicant if it is a  
37 corporation.

38 2. If the superintendent refuses to issue a license, the superinten-  
39 dent shall notify the applicant of the denial and retain the fee paid  
40 pursuant to subdivision three of section seven hundred thirty-seven of  
41 this article.

42 3. The superintendent may promulgate rules and regulations setting  
43 capital requirements to ensure the solvency and financial integrity of  
44 licensees and their ongoing operations, taking into account the risks,  
45 volume of business, complexity, and other relevant factors regarding  
46 such licensees. Further, the superintendent may promulgate rules and  
47 regulations prescribing a methodology to calculate capital requirements  
48 with respect to licensees or categories thereof.

49 § 739. License provisions and posting. 1. A license issued under this  
50 article shall state the name and address of the licensee, and if the  
51 licensee be a co-partnership or association, the names of the members  
52 thereof, and if a corporation the date and place of its incorporation.

53 2. Such license shall be kept conspicuously posted on the mobile  
54 application, website, or other consumer interface of the licensee, as  
55 well as listed in the terms and conditions of any buy-now-pay-later loan

1 offered or entered into by the licensee. The superintendent may provide  
2 by regulation an alternative form of notice of licensure.

3 3. A license issued under this article shall not be transferable or  
4 assignable.

5 § 740. Application for acquisition of control of buy-now-pay-later  
6 lender by purchase of stock. 1. It shall be unlawful except with the  
7 prior approval of the superintendent for any action to be taken which  
8 results in a change of control of the business of a licensee. Prior to  
9 any change of control, the person desirous of acquiring control of the  
10 business of a licensee shall make written application to the superinten-  
11 dent and pay an investigation fee as prescribed pursuant to section  
12 eighteen-a of this chapter to the superintendent. The application shall  
13 contain such information as the superintendent, by regulation, may  
14 prescribe as necessary or appropriate for the purpose of making the  
15 determination required by subdivision two of this section.

16 2. The superintendent shall approve or disapprove the proposed change  
17 of control of a licensee in accordance with the provisions of section  
18 seven hundred thirty-eight of this article.

19 3. For a period of six months from the date of qualification thereof  
20 and for such additional period of time as the superintendent may  
21 prescribe, in writing, the provisions of subdivisions one and two of  
22 this section shall not apply to a transfer of control by operation of  
23 law to the legal representative, as hereinafter defined, of one who has  
24 control of a licensee. Thereafter, such legal representative shall  
25 comply with the provisions of subdivisions one and two of this section.  
26 The provisions of subdivisions one and two of this section shall be  
27 applicable to an application made under such section by a legal repre-  
28 sentative.

29 4. The term "legal representative," for the purposes of this section,  
30 shall mean one duly appointed by a court of competent jurisdiction to  
31 act as executor, administrator, trustee, committee, conservator or  
32 receiver, including one who succeeds a legal representative and one  
33 acting in an ancillary capacity thereto in accordance with the  
34 provisions of such court appointment.

35 5. As used in this section, the term "control" means the possession,  
36 directly or indirectly, of the power to direct or cause the direction of  
37 the management and policies of a licensee, whether through the ownership  
38 of voting stock of such licensee, the ownership of voting stock of any  
39 person which possesses such power or otherwise. Control shall be  
40 presumed to exist if any person, directly or indirectly, owns, controls  
41 or holds with power to vote ten per centum or more of the voting stock  
42 of any licensee or of any person which owns, controls or holds with  
43 power to vote ten per centum or more of the voting stock of any licen-  
44 see, but no person shall be deemed to control a licensee solely by  
45 reason of being an officer or director of such licensee or person. The  
46 superintendent may in the superintendent's discretion, upon the applica-  
47 tion of a licensee or any person who, directly or indirectly, owns,  
48 controls or holds with power to vote or seeks to own, control or hold  
49 with power to vote any voting stock of such licensee, determine whether  
50 or not the ownership, control or holding of such voting stock consti-  
51 tutes or would constitute control of such licensee for purposes of this  
52 section.

53 § 741. Grounds for revocation or suspension of license; procedure. 1.  
54 A license granted under this article may be revoked or suspended by the  
55 superintendent upon a finding that:

56 (a) the licensee has violated any applicable law or regulation;

1 (b) any fact or condition exists which, if it had existed at the time  
2 of the original application for such license, clearly would have  
3 warranted the superintendent's refusal to issue such license; or

4 (c) the licensee has failed to pay any sum of money lawfully demanded  
5 by the superintendent or to comply with any demand, ruling or require-  
6 ment of the superintendent.

7 2. Any licensee may surrender any license by delivering to the super-  
8 intendent written notice that the licensee thereby surrenders such  
9 license. Such surrender shall be effective upon its acceptance by the  
10 superintendent, and shall not affect such licensee's civil or criminal  
11 liability for acts committed prior to such surrender.

12 3. Every license issued under this article shall remain in force and  
13 effect until the same shall have been surrendered, revoked or suspended,  
14 in accordance with the provisions of this article, but the superinten-  
15 dent shall have authority to reinstate suspended licenses or to issue a  
16 new license to a licensee whose license has been revoked if no fact or  
17 condition then exists which clearly would have warranted the superinten-  
18 dent's refusal to issue such license.

19 4. Whenever the superintendent shall revoke or suspend a license  
20 issued under this article, the superintendent shall forthwith execute a  
21 written order to that effect, which order may be reviewed in the manner  
22 provided by article seventy-eight of the civil practice law and rules.  
23 Such special proceeding for review as authorized by this section must be  
24 commenced within thirty days from the date of such order of suspension  
25 or revocation.

26 5. The superintendent may, for good cause, without notice and a hear-  
27 ing, suspend any license issued under this article for a period not  
28 exceeding thirty days, pending investigation. "Good cause," as used in  
29 this subdivision, shall exist only when the licensee has engaged in or  
30 is likely to engage in a practice prohibited by this article or the  
31 rules and regulations promulgated thereunder or engages in dishonest or  
32 inequitable practices which may cause substantial harm to the public.

33 6. No revocation, suspension or surrender of any license shall impair  
34 or affect any pre-existing lawful contracts between the licensee and any  
35 borrower.

36 § 742. Superintendent authorized to examine. 1. The superintendent  
37 shall have the power to make such investigations as the superintendent  
38 shall deem necessary to determine whether any buy-now-pay-later lender  
39 or any other person has violated any of the provisions of this article  
40 or any other applicable law, or whether any licensee has conducted  
41 itself in such manner as would justify the revocation of its license,  
42 and to the extent necessary therefor, the superintendent may require the  
43 attendance of and examine any person under oath, and shall have the  
44 power to compel the production of all relevant books, records, accounts,  
45 and documents.

46 2. The superintendent shall have the power to make such examinations  
47 of the books, records, accounts and documents used in the business of  
48 any licensee as the superintendent shall deem necessary to determine  
49 whether any such licensee has violated any of the provisions of this  
50 chapter or any other applicable law or to secure information lawfully  
51 required by the superintendent.

52 § 743. Licensee's books and records; reports. 1. A buy-now-pay-later  
53 lender shall keep and use in its business such books, accounts and  
54 records as will enable the superintendent to determine whether such  
55 buy-now-pay-later lender is complying with the provisions of this arti-  
56 cle and with the rules and regulations promulgated by the superintendent

1 thereunder. Every buy-now-pay-later lender shall preserve such books,  
2 accounts and records for at least six years after making the final entry  
3 in respect to any buy-now-pay-later loan recorded therein; provided,  
4 however, the preservation of photographic or digital reproductions ther-  
5 eof or records in photographic or digital form shall constitute compli-  
6 ance with this requirement.

7 2. By a date to be set by the superintendent, each licensee shall  
8 annually file a report with the superintendent giving such information  
9 as the superintendent may require concerning the licensee's business and  
10 operations during the preceding calendar year within the state under the  
11 authority of this article. Such report shall be subscribed and affirmed  
12 as true by the licensee under the penalties of perjury and be in the  
13 form prescribed by the superintendent. In addition to such annual  
14 reports, the superintendent may require of licensees such additional  
15 regular or special reports as the superintendent may deem necessary to  
16 the proper supervision of licensees under this article. Such additional  
17 reports shall be in the form prescribed by the superintendent and shall  
18 be subscribed and affirmed as true under the penalties of perjury.

19 § 744. Acts prohibited. 1. No buy-now-pay-later lender shall take or  
20 cause to be taken any confession of judgment or any power of attorney to  
21 confess judgment or to appear for the consumer in a judicial proceeding.

22 2. No buy-now-pay-later lender shall:

23 (a) employ any scheme, device, or artifice to defraud or mislead a  
24 borrower;

25 (b) engage in any deceptive or unfair practice toward any person or  
26 misrepresent or omit any material information in connection with the  
27 buy-now-pay-later loans, including, but not limited to, misrepresenting  
28 the amount, nature or terms of any fee or payment due or claimed to be  
29 due on the loan, the terms and conditions of the loan agreement or the  
30 borrower's obligations under the loan;

31 (c) misapply payments to the outstanding balance of any buy-now-pay-  
32 later loan or to any related fees;

33 (d) provide inaccurate information to a consumer reporting agency; or

34 (e) make any false statement or make any omission of a material fact  
35 in connection with any information or reports filed with a governmental  
36 agency or in connection with any investigation conducted by the super-  
37 intendent or another governmental agency.

38 § 745. Interest and other charges. 1. Subject to applicable federal  
39 law, no buy-now-pay-later lender shall charge, contract for, or other-  
40 wise receive from a consumer any interest, discount, or other consider-  
41 ation in connection with a buy-now-pay-later loan, whether directly or  
42 indirectly, greater than the rate permitted by section 5-501 of the  
43 general obligations law.

44 2. The superintendent may establish a standard amount or percentage  
45 for total maximum charge or fee in connection with late payment, default  
46 or any other violation of the buy-now-pay-later loan agreement that a  
47 buy-now-pay-later lender can charge a consumer. Such fee or charge shall  
48 not be collected more than once for a single such late payment, default,  
49 or other violation of the buy-now-pay-later loan agreement.

50 3. The superintendent may promulgate rules and regulations regarding  
51 the manner of charging interest and fees described in this section.

52 § 746. Consumer protections. 1. A buy-now-pay-later lender shall  
53 disclose or cause to be disclosed to consumers the terms of buy-now-pay-  
54 later loans, including the cost, such as interest and fees, repayment  
55 schedule, whether the transaction will or will not be reported to a  
56 credit reporting agency, and other material conditions, in a clear and

1 conspicuous manner. Disclosures shall comply with applicable federal  
2 regulations, including but not limited to regulation Z of title I of the  
3 Consumer Credit Protection Act.

4 2. Subject to regulations to be promulgated by the superintendent, a  
5 buy-now-pay-later lender shall, before providing or causing to be  
6 provided a buy-now-pay-later loan to a consumer, make, or cause to be  
7 made, a reasonable determination that such consumer has the ability to  
8 repay the buy-now-pay-later loan. No licensee shall collect, evaluate,  
9 report, or maintain in the file on a borrower the credit worthiness,  
10 credit standing, or credit capacity of members of the borrower's social  
11 network for purposes of determining the credit worthiness of the borrow-  
12 er; the average credit worthiness, credit standing, or credit capacity  
13 of members of the borrower's social network; or any group score that is  
14 not the borrower's own credit worthiness, credit standing, or credit  
15 capacity.

16 3. A buy-now-pay-later lender shall maintain or cause to be maintained  
17 policies and procedures for maintaining accurate data that may be  
18 reported to credit reporting agencies. The superintendent may promulgate  
19 rules and regulations requiring that buy-now-pay-later lenders report or  
20 cause to be reported data on buy-now-pay-later loans to credit reporting  
21 agencies, requiring that such reporting occur in a particular manner, or  
22 prohibiting such reporting.

23 4. A buy-now-pay-later lender shall provide or cause to be provided  
24 refunds or credits for goods or services purchased in connection with a  
25 buy-now-pay-later loan, upon consumer request, in a manner that is fair,  
26 transparent, and not unduly burdensome to consumers. A buy-now-pay-later  
27 lender shall maintain or cause to be maintained policies and procedures  
28 to provide such refunds or credits. Such policies and procedures shall  
29 be fair, transparent, and not unduly burdensome to the consumer. A buy-  
30 now-pay-later lender shall disclose or cause to be disclosed to consum-  
31 ers, in a clear and conspicuous manner, the process by which they can  
32 obtain refunds or credits for goods or services they have purchased in  
33 connection with a buy-now-pay-later loan.

34 5. A buy-now-pay-later lender shall resolve or cause to be resolved  
35 disputes in a manner that is fair and transparent to consumers. A buy-  
36 now-pay-later lender shall create or cause to be created a readily  
37 available and prominently disclosed method for consumers to bring a  
38 dispute to the buy-now-pay-later lender. A buy-now-pay-later lender  
39 shall maintain policies and procedures for handling consumer disputes.  
40 The superintendent may promulgate rules and regulations regarding treat-  
41 ment of unauthorized use, so that consumers are liable for use of buy-  
42 now-pay-later loans in their name only under circumstances where such  
43 liability would be fair and reasonable. A buy-now-pay-later lender shall  
44 apply to buy-now-pay-later loans the dispute rights and unauthorized  
45 charges requirements that apply to credit cards under the Truth in Lend-  
46 ing Act, 15 U.S.C. § 1643, 1666, 1666a, 1666i, regardless of whether  
47 such law applies to buy-now-pay-later loans or whether the buy-now-pay-  
48 later lender offers a credit card within the scope of such law.

49 6. A buy-now-pay-later lender may use, sell, or share the data of a  
50 consumer, other than in connection with the making of a particular buy-  
51 now-pay-later loan to the consumer, only with the consumer's consent. A  
52 buy-now-pay-later lender shall disclose or cause to be disclosed to a  
53 consumer in a clear and conspicuous manner how such consumer's data may  
54 be used, shared, or sold by the buy-now-pay-later lender before obtain-  
55 ing such consumer's consent and also shall disclose or cause to be  
56 disclosed to such consumer in a clear and conspicuous manner how such

1 consumer may subsequently withdraw consent to such use, sharing, or  
2 sale. The superintendent, in their discretion, may by regulation prohib-  
3 it certain uses of consumer data. A buy-now-pay-later lender shall main-  
4 tain policies and procedures regarding its use, sale, and sharing of  
5 consumers' data.

6 7. Any buy-now-pay-later loan made by a person not licensed under this  
7 article, other than an exempt organization, shall be void, and such  
8 person shall have no right to collect or receive any principal, interest  
9 or charge whatsoever.

10 § 747. Authority of superintendent. 1. The superintendent is author-  
11 ized to promulgate such general rules and regulations as may be appro-  
12 priate to implement the provisions of this article, protect consumers,  
13 and ensure the solvency and financial integrity of buy-now-pay-later  
14 lenders. The superintendent is further authorized to make such specific  
15 rulings, demands, and findings as may be necessary for the proper  
16 conduct of the business authorized and licensed under and for the  
17 enforcement of this article, in addition hereto and not inconsistent  
18 herewith.

19 2. In addition to such powers as may otherwise be prescribed by law,  
20 the superintendent is hereby authorized and empowered to promulgate such  
21 rules and regulations as may in the judgment of the superintendent be  
22 consistent with the purposes of this article, or appropriate for the

## PART HH

20 Section 1. Short title. This act shall be known and may be cited as  
21 the "private activity bond allocation act of 2025".

22 § 2. Legislative findings and declaration. The legislature hereby  
23 finds and declares that the federal tax reform act of 1986 established a  
24 statewide bond volume ceiling on the issuance of certain tax exempt  
25 private activity bonds and notes and, under certain circumstances,  
26 governmental use bonds and notes issued by the state and its public  
27 authorities, local governments, agencies which issue on behalf of local  
28 governments, and certain other issuers. The federal tax reform act  
29 establishes a formula for the allocation of the bond volume ceiling  
30 which was subject to temporary modification by gubernatorial executive  
31 order until December 31, 1987. That act also permits state legislatures  
32 to establish, by statute, an alternative formula for allocating the  
33 volume ceiling. Bonds and notes subject to the volume ceiling require an  
34 allocation from the state's annual volume ceiling in order to qualify  
35 for federal tax exemption.

36 It is hereby declared to be the policy of the state to maximize the  
37 public benefit through the issuance of private activity bonds for the  
38 purposes of, among other things, allocating a fair share of the bond  
39 volume ceiling upon initial allocation and from a bond reserve to local  
40 agencies and for needs identified by local governments; providing hous-  
41 ing and promoting economic development; job creation; an economical  
42 energy supply; and resource recovery and to provide for an orderly and  
43 efficient volume ceiling allocation process for state and local agencies  
44 by establishing an alternative formula for making such allocations.

45 § 3. Definitions. As used in this act, unless the context requires  
46 otherwise:

5 gross income of such holders for federal income tax purposes under the  
6 code.

7 6. "Director" means the director of the New York state division of the  
8 budget.

15 entity, other than a local agency or state agency, that is authorized to

24 Jersey, the power authority of the state of New York, the dormitory  
25 authority of the state of New York, the New York state housing finance  
26 agency, the state of New York mortgage agency, and any other public  
27 benefit corporation or public authority designated by the governor for  
28 the purposes of this act.

29 12. "Statewide ceiling" means for any calendar year the highest state  
30 ceiling (as such term is used in section 146 of the code) applicable to  
31 New York state.

43 set-aside to local agencies.

44 § 5. State agency set-aside. A set-aside of statewide ceiling for all  
45 state agencies for any calendar year shall be one-third of the statewide  
46 ceiling. The director shall administer allocations of such set-aside to  
47 state agencies and may grant an allocation to any state agency upon  
48 receipt of an application in such form as the director shall require.

49 § 6. Statewide bond reserve. One-third of the statewide ceiling is  
50 hereby set aside as a statewide bond reserve to be administered by the  
51 director.

52 1. Allocation of the statewide bond reserve among state agencies,  
53 local agencies and other issuers. The director shall transfer a portion  
54 of the statewide bond reserve to the commissioner for allocation to and  
55 use by local agencies and other issuers in accordance with the terms of  
56 this section. The remainder of the statewide bond reserve may be allo-

1 cated by the director to state agencies in accordance with the terms of  
2 this section.

3 2. Allocation of statewide bond reserve to local agencies or other  
4 issuers.

5 (a) Local agencies or other issuers may at any time apply to the  
6 commissioner for an allocation from the statewide bond reserve. Such  
7 application shall demonstrate:

8 (i) that the requested allocation is required under the code for the  
9 interest earned on the bonds to be excluded from the gross income of  
10 bondholders for federal income tax purposes;

11 (ii) that the local agency's remaining unused allocation provided  
12 pursuant to section four of this act, and other issuer's remaining  
13 unused allocation, or any available carryforward will be insufficient  
14 for the specific project or projects for which the reserve allocation is  
15 requested; and

16 (iii) that, except for those allocations made pursuant to section  
17 thirteen of this act to enable carryforward elections, the requested  
18 allocation is reasonably expected to be used during the calendar year,  
19 and the requested future allocation is reasonably expected to be used in  
20 the calendar year to which the future allocation relates.

21 (b) In reviewing and approving or disapproving applications, the  
22 commissioner shall exercise discretion to ensure an equitable distrib-  
23 ution of allocations from the statewide bond reserve to local agencies  
24 and other issuers. Prior to making a determination on such applications,  
25 the commissioner shall notify and seek the recommendation of the presi-  
26 dent and chief executive officer of the New York state housing finance  
27 agency in the case of an application related to the issuance of multi-  
28 family housing or mortgage revenue bonds, and in the case of other  
29 requests, such state officers, departments, divisions and agencies as  
30 the commissioner deems appropriate.

31 (c) Applications for allocations shall be made in such form and  
32 contain such information and reports as the commissioner shall require.

33 (d) On or before September fifteenth of each year, the commissioner  
34 shall publish the total amount of local agency set-aside that has been  
35 recaptured pursuant to section twelve of this act for that year on the  
36 department of economic development's website.

37 3. Allocation of statewide bond reserve to state agencies. The direc-  
38 tor may make an allocation from the statewide bond reserve to any state  
39 agency. Before making any allocation of statewide bond reserve to state  
40 agencies the director shall be satisfied:

41 (a) that the allocation is required under the code for the interest  
42 earned on the bonds to be excluded from the gross income of bondholders  
43 for federal income tax purposes;

44 (b) that the state agency's remaining unused allocation provided  
45 pursuant to section five of this act or any available carryforward will  
46 be insufficient to accommodate the specific bond issue or issues for  
47 which the reserve allocation is requested; and

48 (c) that, except for those allocations made pursuant to section thir-  
49 teen of this act to enable carryforward elections, the requested allo-  
50 cation is reasonably expected to be used during the calendar year, and  
51 the requested future allocation is reasonably expected to be used in the  
52 calendar year to which the future allocation relates.

53 § 7. Access to employment opportunities. 1. All issuers shall require  
54 that any new employment opportunities created in connection with indus-  
55 trial or manufacturing projects financed through the issuance of quali-  
56 fied small issue bonds shall be listed with the New York state depart-

1 ment of labor and with the one-stop career center established pursuant  
2 to the federal Workforce Innovation and Opportunity Act (Pub. L. No.  
3 113-128) serving the locality in which the employment opportunities are  
4 being created. Such listing shall be in a manner and form prescribed by  
5 the commissioner. All issuers shall further require that for any new  
6 employment opportunities created in connection with an industrial or  
7 manufacturing project financed through the issuance of qualified small  
8 issue bonds by such issuer, industrial or manufacturing firms shall  
9 first consider persons eligible to participate in the Workforce Inno-  
10 vation and Opportunity Act (Pub. L. No. 113-128) programs who shall be  
11 referred to the industrial or manufacturing firm by one-stop centers in  
12 local workforce investment areas or by the department of labor. Issuers  
13 of qualified small issue bonds are required to monitor compliance with  
14 the provisions of this section as prescribed by the commissioner.

15 2. Nothing in this section shall be construed to require users of  
16 qualified small issue bonds to violate any existing collective bargain-  
17 ing agreement with respect to the hiring of new employees. Failure on  
18 the part of any user of qualified small issue bonds to comply with the  
19 requirements of this section shall not affect the allocation of bonding  
20 authority to the issuer of the bonds or the validity or tax exempt  
21 status of such bonds.

22 § 8. Overlapping jurisdictions. In a geographic area represented by a  
23 county local agency and one or more sub-county local agencies, the allo-  
24 cation granted by section four of this act with respect to such area of  
25 overlapping jurisdiction shall be apportioned one-half to the county  
26 local agency and one-half to the sub-county local agency or agencies.  
27 Where there is a local agency for the benefit of a village within the  
28 geographic area of a town for the benefit of which there is a local  
29 agency, the allocation of the village local agency shall be based on the  
30 population of the geographic area of the village, and the allocation of  
31 the town local agency shall be based upon the population of the  
32 geographic area of the town outside of the village. Notwithstanding the  
33 foregoing, a local agency may surrender all or part of its allocation  
34 for such calendar year to another local agency with an overlapping  
35 jurisdiction. Such surrender shall be made at such time and in such  
36 manner as the commissioner shall prescribe.

37 § 9. Ineligible local agencies. To the extent that any allocation of  
38 the local agency set-aside would be made by this act to a local agency  
39 which is ineligible to receive such allocation under the code or under  
40 regulations interpreting the state volume ceiling provisions of the  
41 code, such allocation shall instead be made to the political subdivision  
42 for whose benefit that local agency was created.

43 § 10. Municipal reallocation. The chief executive officer of any poli-  
44 tical subdivision or, if such political subdivision has no chief execu-  
45 tive officer, the governing board of the political subdivision for the  
46 benefit of which a local agency has been established, may withdraw all  
47 or any portion of the allocation granted by section four of this act to  
48 such local agency. The political subdivision may then reallocate all or  
49 any portion of such allocation, as well as all or any portion of the  
50 allocation received pursuant to section nine of this act, to itself or  
51 any other issuer established for the benefit of that political subdivi-  
52 sion or may assign all or any portion of the allocation received pursu-  
53 ant to section nine of this act to the local agency created for its  
54 benefit. The chief executive officer or governing board of the political  
55 subdivision, as the case may be, shall notify the commissioner of any  
56 such reallocation.

1 § 11. Future allocations for multi-year housing development projects.  
2 1. In addition to other powers granted under this act, the commissioner  
3 is authorized to make the following future allocations of statewide  
4 ceiling for any multi-year housing development project for which the  
5 commissioner also makes an allocation of statewide ceiling for the  
6 current year under this act or for which, in the event of expiration of  
7 provisions of this act described in section eighteen of this act, an  
8 allocation of volume cap for a calendar year subsequent to such expira-  
9 tion shall have been made under section 146 of the code: (a) to local  
10 agencies from the local agency set-aside (but only with the approval of  
11 the chief executive officer of the political subdivision to which the  
12 local agency set-aside relates or the governing body of a political  
13 subdivision having no chief executive officer) and (b) to other issuers  
14 from that portion, if any, of the statewide bond reserve transferred to  
15 the commissioner by the director. Any future allocation made by the  
16 commissioner shall constitute an allocation of statewide ceiling for the  
17 future year specified by the commissioner and shall be deemed to have  
18 been made on the first day of the future year so specified.

19 2. In addition to other powers granted under this act, the director is  
20 authorized to make future allocations of statewide ceiling from the  
21 state agency set-aside or from the statewide bond reserve to state agen-  
22 cies for any multi-year housing development project for which the direc-  
23 tor also makes an allocation of statewide ceiling from the current year  
24 under this act or for which, in the event of expiration of provisions of  
25 this act described in section eighteen of this act, an allocation of  
26 volume cap for a calendar year subsequent to such expiration shall have  
27 been made under section 146 of the code, and is authorized to make  
28 transfers of the statewide bond reserve to the commissioner for future  
29 allocations to other issuers for multi-year housing development projects  
30 for which the commissioner has made an allocation of statewide ceiling  
31 for the current year. Any such future allocation or transfer of the  
32 statewide bond reserve for future allocation made by the director shall  
33 constitute an allocation of statewide ceiling or transfer of the state-  
34 wide bond reserve for the future years specified by the director and  
35 shall be deemed to have been made on the first day of the future year so  
36 specified.

37 3. (a) If an allocation made with respect to a multi-year housing  
38 development project is not used by September fifteenth of the year to  
39 which the allocation relates, the allocation with respect to the then  
40 current year shall be subject to recapture in accordance with the  
41 provisions of section twelve of this act, and in the event of such a  
42 recapture, unless a carryforward election by another issuer shall have  
43 been approved by the commissioner or a carryforward election by a state  
44 agency shall have been approved by the director, all future allocations  
45 made with respect to such project pursuant to subdivision one or two of  
46 this section shall be canceled.

47 (b) The commissioner and the director shall have the authority to make  
48 future allocations from recaptured current year allocations and canceled  
49 future allocations to multi-year housing development projects in a  
50 manner consistent with the provisions of this act. Any such future allo-  
51 cation shall, unless a carryforward election by another issuer shall  
52 have been approved by the commissioner or a carryforward election by a  
53 state agency shall have been approved by the director, be canceled if  
54 the current year allocation for the project is not used by December 31,  
55 2026.

1 (c) The commissioner and the director shall establish procedures  
2 consistent with the provisions of this act relating to carryforward of  
3 future allocations.

4 4. The aggregate future allocations from either of the two succeeding  
5 years shall not exceed six hundred fifty million dollars for each such  
6 year.

7 § 12. Year end allocation recapture. On or before September first of  
8 each year, each state agency shall report to the director and each local  
9 agency and each other issuer shall report to the commissioner the amount  
10 of bonds subject to allocation under this act that will be issued prior  
11 to the end of the then current calendar year, and the amount of the  
12 issuer's then total allocation that will remain unused. As of September  
13 fifteenth of each year, the unused portion of each local agency's and  
14 other issuer's then total allocation as reported and the unallocated  
15 portion of the set-aside for state agencies shall be recaptured and  
16 added to the statewide bond reserve and shall no longer be available to  
17 covered bond issuers except as otherwise provided herein. From September  
18 fifteenth through the end of the year, each local agency or other issuer  
19 having an allocation shall immediately report to the commissioner and  
20 each state agency having an allocation shall immediately report to the  
21 director any changes to the status of its allocation or the status of  
22 projects for which allocations have been made which should affect the  
23 timing or likelihood of the issuance of covered bonds therefor. If the  
24 commissioner determines that a local agency or other issuer has overes-  
25 timated the amount of covered bonds subject to allocation that will be  
26 issued prior to the end of the calendar year, the commissioner may  
27 recapture the amount of the allocation to such local agency or other  
28 issuer represented by such overestimation by notice to the local agency  
29 or other issuer, and add such allocation to the statewide bond reserve.  
30 The director may likewise make such determination and recapture with  
31 respect to state agency allocations.

32 § 13. Allocation carryforward. 1. No local agency or other issuer  
33 shall make a carryforward election utilizing any unused allocation  
34 (pursuant to section 146(f) of the code) without the prior approval of  
35 the commissioner. Likewise no state agency shall make or file such an  
36 election, or elect to issue or carryforward mortgage credit certif-  
37 icates, without the prior approval of the director.

38 2. On or before November fifteenth of each year, each state agency  
39 seeking unused statewide ceiling for use in future years shall make a  
40 request for an allocation for a carryforward to the director, whose  
41 approval shall be required before a carryforward election is filed by or  
42 on behalf of any state agency. A later request may also be considered by  
43 the director, who may file a carryforward election for any state agency  
44 with the consent of such agency.

45 3. On or before November fifteenth of each year, each local agency or  
46 other issuer seeking unused statewide ceiling for use in future years  
47 shall make a request for an allocation for a carryforward to the commis-  
48 sioner, whose approval shall be required before a carryforward election  
49 is filed by or on behalf of any local or other agency. A later request  
50 may also be considered by the commissioner.

51 4. On or before January fifteenth of each year, the director shall  
52 publish the total amount of unused statewide ceiling from the prior year  
53 on the division of budget's website.

54 § 14. New York state bond allocation policy advisory panel. 1. There  
55 is hereby created a policy advisory panel and process to provide policy

1 advice regarding the priorities for distribution of the statewide ceil-  
2 ing.

3 2. The panel shall consist of five members, one designee being  
4 appointed by each of the following: the governor, the temporary presi-  
5 dent of the senate, the speaker of the assembly, the minority leader of  
6 the senate and the minority leader of the assembly. The designee of the  
7 governor shall chair the panel. The panel shall monitor the allocation  
8 process through the year, and in that regard, the division of the budget  
9 and the department of economic development shall assist and cooperate  
10 with the panel as provided in this section. The advisory process shall  
11 operate through the issuance of advisory opinions by members of the  
12 panel as provided in subdivisions six and seven of this section. A meet-  
13 ing may be held at the call of the chair with the unanimous consent of  
14 the members.

15 3. (a) Upon receipt of a request for allocation or a request for  
16 approval of a carryforward election from the statewide reserve from a  
17 local agency or other issuer, the commissioner shall, within five work-  
18 ing days, notify the panel of such request and provide the panel with  
19 copies of all application materials submitted by the applicant.

20 (b) Upon receipt of a request for allocation or a request for approval  
21 of carryforward election from the statewide reserve from a state agency,  
22 the director shall, within five working days, notify the panel of such  
23 request and provide the panel with copies of all application materials  
24 submitted by the applicant.

25 4. (a) Following receipt of a request for allocation from a local  
26 agency or other issuer, the commissioner shall notify the panel of a  
27 decision to approve or exclude from further consideration such request,  
28 and the commissioner shall state the reasons. Such notification shall be  
29 made with or after the transmittal of the information specified in  
30 subdivision three of this section and at least five working days before  
31 formal notification is made to the applicant.

32 (b) Following receipt of a request for allocation from a state agency,  
33 the director shall notify the panel of a decision to approve or exclude  
34 from further consideration such request, and shall state the reasons.  
35 Such notification shall be made with or after the transmission of the  
36 information specified in subdivision three of this section and at least  
37 five working days before formal notification is made to the state agen-  
38 cy.

39 5. The requirements of subdivisions three and four of this section  
40 shall not apply to adjustments to allocations due to bond sizing chang-  
41 es.

42 6. In the event that any decision to approve or to exclude from  
43 further consideration a request for allocation is made within ten work-  
44 ing days of the end of the calendar year and in the case of all requests  
45 for consent to a carryforward election, the commissioner or director, as  
46 is appropriate, shall provide the panel with the longest possible  
47 advance notification of the action, consistent with the requirements of  
48 the code, and shall, wherever possible, solicit the opinions of the  
49 members of the panel before formally notifying any applicant of the  
50 action. Such notification may be made by means of telephone communi-  
51 cation to the members or by written notice delivered to the Albany  
52 office of the appointing authority of the respective members.

53 7. Upon notification by the director or the commissioner, any member  
54 of the panel may, within five working days, notify the commissioner or  
55 the director of any policy objection concerning the expected action. If  
56 three or more members of the panel shall submit policy objections in

1 writing to the intended action, the commissioner or the director shall  
2 respond in writing to the objection prior to taking the intended action  
3 unless exigent circumstances make it necessary to respond after the  
4 action has been taken.

5 8. On or before the first day of July, in any year, the director shall  
6 report to the members of the New York state bond allocation policy advi-  
7 sory panel on the actual utilization of volume cap for the issuance of  
8 bonds during the prior calendar year and the amount of such cap allo-  
9 cated for carryforwards for future bond issuance. The report shall  
10 include, for each local agency or other issuer and each state agency the  
11 initial allocation, the amount of bonds issued subject to the allo-  
12 cation, the amount of the issuer's allocation that remained unused, the  
13 allocation of the statewide bond reserve, carryforward allocations and  
14 recapture of allocations. Further, the report shall include projections  
15 regarding private activity bond issuance for state and local issuers for  
16 the calendar year, as well as any recommendations for legislative  
17 action. The director shall publish the report on the division of budg-  
18 et's website concurrently with the release of the report to the panel.

19 § 15. Severability. If any clause, sentence, paragraph, section, or  
20 item of this part shall be adjudged by any court of competent jurisdic-  
21 tion to be invalid, such judgment shall not affect, impair, or invali-  
22 date the remainder thereof, but shall be confined in its operation to  
23 the clause, sentence, paragraph, section, or item thereof directly  
24 involved in the controversy in which such judgment shall have been  
25 rendered.

26 § 16. Notwithstanding any provisions of this act to the contrary (1)  
27 provided that a local agency or other issuer certifies to the commis-  
28 sioner on or before October 1, 2025 that it has issued private activity  
29 bonds described in this act and the amount thereof which used statewide  
30 ceiling, a commitment or allocation of statewide ceiling to a local  
31 agency or other issuer made to or so used by such local agency or other  
32 issuer pursuant to the federal tax reform act of 1986 on or after Janu-  
33 ary 1, 2025 and prior to the effective date of this act, in an amount  
34 which exceeds the local agency set-aside established by section four of  
35 this act, shall be first chargeable to the statewide bond reserve estab-  
36 lished pursuant to section six of this act, and (2) a commitment or  
37 allocation of statewide ceiling to a state agency made to or used by  
38 such agency pursuant to the internal revenue code, as amended, on or  
39 after January 1, 2025 and prior to the effective date of this act, shall  
40 be first chargeable to the state agency set-aside established pursuant  
41 to section five of this act, and, thereafter, to the statewide bond  
42 reserve established by section six of this act.

43 § 17. Nothing contained in this act shall be deemed to supersede,  
44 alter or impair any allocation used by or committed by the director or  
45 commissioner to a state or local agency or other issuer pursuant to the  
46 federal tax reform act of 1986 and prior to the effective date of this  
47 act.

48 § 18. This act shall take effect immediately; provided, however, that  
49 sections three, four, five, six, seven, eight, nine, ten, twelve, thir-  
50 teen and fourteen of this act shall expire July 1, 2028 when upon such  
51 date the provisions of such sections shall be deemed repealed; except  
52 that the provisions of subdivisions two and three of section thirteen of  
53 this act shall expire and be deemed repealed February 15, 2028.

1 Section 1. Subdivision 32 of section 1676 of the public authorities  
2 law, as added by chapter 672 of the laws of 1993, is amended to read as  
3 follows:

4 32. The term "public library" shall mean [those libraries set forth in  
5 section five of the chapter of the laws of nineteen hundred ninety-three  
6 which added this subdivision, as defined as] any library chartered by  
7 the state board of regents, created by an act of the legislature, or  
8 incorporated under the not-for-profit corporation law constituting a  
9 public library [or as], an association library [pursuant to] or a free  
10 library as defined in section two hundred fifty-three of the education

12 § 2. This act shall not affect the status as a "public library" for  
13 purposes of title 4 of article 8 of the public authorities law of those  
14 libraries set forth in section 5 of chapter 672 of the laws of 1993, as  
15 amended from time to time prior to the effective date of this act, nor  
16 shall this act impair the validity of bonds heretofore issued by the  
17 dormitory authority for the benefit of any such library.

18 § 3. This act shall take effect immediately.

22 to read as follows:

23 Any county, city, town, and village, for the construction, recon-  
24 struction, development, improvement, expansion and/or equipping of a  
25 facility or facilities and necessary ancillary and related facilities;  
26 provided, however, that any alternative delivery authorization derived  
27 pursuant to the Infrastructure Investment Act, part F of chapter 60 of  
28 the laws of 2015, as amended by part DD of chapter 58 the laws of 2020,  
29 shall not be applicable to any project undertaken by the authority on  
30 behalf of any county, city, town, and village pursuant to this section  
31 and further providing that nothing in this section shall result in the:  
32 (1) displacement of any currently employed worker or loss of position  
33 (including partial displacement such as a reduction in the hours of  
34 non-overtime work, wages or employment benefits), or result in the  
35 impairment of existing collective bargaining agreements; and (2) trans-  
36 fer of existing duties and functions currently performed by existing  
37 public employees for a public employer that becomes eligible to utilize

39 § 2. Subdivision 1 of section 1680 of the public authorities law is  
40 amended by adding a new undesignated paragraph to read as follows:

45 pursuant to the Infrastructure Investment Act, part F of chapter 60 of  
46 the laws of 2015, as amended by part DD of chapter 58 the laws of 2020

## PART KK

24 Section 1. The opening paragraph of subdivision (h) of section 121 of  
25 chapter 261 of the laws of 1988, amending the state finance law and

## PART OO

23 Section 1. Section 321 of the agriculture and markets law, as amended  
24 by chapter 158 of the laws of 2018, is amended to read as follows:

25 § 321. Statement of legislative findings and intent. It is hereby  
26 found and declared that agricultural lands are irreplaceable state  
27 assets. In an effort to maintain the economic viability, and environ-  
28 mental and landscape preservation values associated with agriculture,  
29 the state must explore ways to sustain the state's valuable farm economy  
30 [and to protect] by protecting farm operations and the associated land  
31 base [associated with it] and supporting local and regional food  
32 systems. External pressures on farm stability such as population growth  
33 [in non-metropolitan areas], climate change, lack of access to affor-  
34 dable farmland, and public infrastructure development pose a significant  
35 threat to farm operations, yet are the pressures over which farmers have  
36 the least control. Local initiatives in agricultural protection policy,  
37 facilitated by the agricultural districts program established in article  
38 twenty-five-AA of this chapter, have proved effective as a basic step in  
39 addressing these pressures. In an effort to encourage further develop-  
40 ment of agricultural and farmland protection programs, and to recognize  
41 both the crucial role that local government plays in developing these  
42 strategies, plus the state constitutional directive to the legislature  
43 to provide for the protection of agricultural lands, it is therefore  
44 declared the policy of the state to promote local initiatives for agri-  
45 cultural and farmland protection.

46 § 2. Subdivision 1 of section 322 of the agriculture and markets law,  
47 as amended by chapter 158 of the laws of 2018, is amended to read as  
48 follows:

49 1. "Agricultural and farmland protection" means [the preservation]  
50 local government initiatives to: preserve, [conservation] conserve,  
51 [management] manage or [improvement of] improve lands which are part of  
52 viable farming operations, for the purpose of encouraging such lands to  
53 remain in agricultural production[. Such preservation efforts include]  
54 including the use of farmland protection conservation easements [and

1 purchase of development rights.]; and activities which support local and  
2 regional food systems.

3 § 3. Subdivisions 6 and 7 of section 322 of the agriculture and  
4 markets law, as added by chapter 158 of the laws of 2018, are amended to  
5 read as follows:

6 6. "Farmer-purchaser farmland protection agreement" means preemptive  
7 purchase rights or other provisions that are part of or linked to a  
8 farmland protection conservation easement providing the easement holder  
9 the preferential right to purchase protected farmland at its agricul-  
10 tural use value in the event the landowner intends to sell such farmland  
11 to a purchaser who does not intend to maintain the land in [commercial]  
12 agricultural production and who does not have the requisite farming  
13 experience and farming income to demonstrate, in a manner acceptable to  
14 the department, a good faith plan to maintain the land in [commercial]  
15 agricultural production. The purpose of such provisions is to ensure  
16 that farmer-purchasers who would maintain protected farmland in [commer-  
17 cial] agricultural production can afford such farmland that might other-  
18 wise be sold at a higher price to other purchasers.

19 7. "Agricultural use value" means the fair market value of a property  
20 that is restricted by an easement to its productive [commercial] agri-  
21 cultural use value rather than the highest and/or best potential use  
22 value for residential or other non-agricultural purposes.

23 § 4. Section 322 of the agriculture and markets law is amended by  
24 adding three new subdivisions 8, 9 and 10 to read as follows:

25 8. "Local and regional food systems" means a collaborative network  
26 that integrates sustainable production, processing, distribution, and  
27 consumption of human food, and the associated management of wastes orig-  
28 inating from within this network, in order to enhance the environmental,  
29 economic, and social health of a particular area.

30 9. "Local food supply chain" means all processes involved in the local  
31 movement of human foods from the farm to the consumer, including market-  
32 ing, markets, distribution, aggregation, processing, packaging, purchas-  
33 ing, preparation, resource recovery, and waste disposal.

34 10. "Urban agriculture" means the production, processing, distrib-  
35 ution, and marketing of food within urban, suburban, and peri-urban  
36 (i.e., on the perimeter of urban areas) areas for commercial, non-com-  
37 mercial, educational, or not-for-profit purposes.

38 § 5. Section 324 of the agriculture and markets law, as added by chap-  
39 ter 797 of the laws of 1992 and paragraph (c) of subdivision 1 as  
40 amended by chapter 248 of the laws of 2015, is amended to read as  
41 follows:

42 § 324. County agricultural and farmland protection plans. 1. County  
43 agricultural and farmland protection boards may develop plans, in coop-  
44 eration with the local soil and water conservation district and soil

47 (b) an analysis of the following factors concerning any areas and  
48 lands proposed to be protected:  
49 (i) value to the agricultural economy of the county;  
50 (ii) open space value;  
51 (iii) consequences of possible conversion; [and]  
52 (iv) level of conversion pressure on the lands or areas proposed to be  
53 protected; and  
54 (v) the degree to which the lands or areas proposed to be protected  
55 serve as a buffer for a significant public resource; and

1 (c) a description of the activities, programs and strategies, includ-  
2 ing efforts to support the successful transfer of agricultural land from  
3 existing owners to new owners and operators, especially new and begin-  
4 ning farmers, intended to be used by the county to promote continued  
5 agricultural use, and to sustain a resilient local food supply chain  
6 within local and regional food systems, which may include but not be  
7 limited to revisions to the county's comprehensive plan pursuant to  
8 section two hundred thirty-nine-d or two hundred thirty-nine-i of the  
9 general municipal law[.]; and

10 (d) identification of potential funding sources for each of the activ-  
11 ities, programs and strategies identified in the plan, which shall  
12 include public and private sources.

13 2. The county agricultural and farmland protection board shall conduct  
14 at least one public hearing for public input regarding such agricultural  
15 and farmland protection plan, and shall thereafter submit such plan to  
16 the county legislative body for its approval.

17 3. The county agricultural protection plan must be submitted by the  
18 county to the commissioner for approval.

19 4. (a) Subject to the availability of funds, state assistance payments  
20 shall be made available for counties to conduct agricultural and farm-

22 ning shall not exceed fifty thousand dollars to each county or one  
23 hundred thousand dollars to two such counties applying jointly, and

25 and farmland protection plan.

26 (b) A county which has an approved agricultural and farmland  
27 protection plan may after sixty months from the date of such approval by  
28 the commissioner apply for additional state assistance payments for  
29 planning activities related to the updating of their current plan or  
30 development of a new agricultural and farmland protection plan. Such  
31 additional state assistance payments shall not exceed fifty thousand  
32 dollars to each county whether applying individually or if two or more  
33 counties are applying jointly, and shall not exceed fifty percent of the  
34 cost of preparing an agricultural and farmland protection plan.

35 (c) A county or two or more counties acting jointly shall apply for  
36 state assistance payments for agricultural and farmland protection plan-  
37 ning activities in such manner as the commissioner may prescribe.

38 § 6. Section 324-a of the agriculture and markets law, as added by  
39 chapter 527 of the laws of 2005 and paragraph (c) of subdivision 1 as  
40 amended by chapter 248 of the laws of 2015, is amended to read as

3 existing owners to new owners and operators, especially new and begin-

5 ued agricultural use, and to sustain a resilient local food supply chain  
6 within local and regional food systems, which may include but not be  
7 limited to revisions to the municipality's comprehensive plan pursuant  
8 to section two hundred seventy-two-a of the town law, section twenty-  
9 eight-a of the general city law, or section 7-722 of the village law as

14 a county or fifty thousand dollars to two such municipalities applying  
15 jointly, and shall not exceed seventy-five percent of the cost of  
16 preparing an agricultural and farmland protection plan. A county which  
17 has an approved farmland protection plan may after one hundred twenty  
18 months from the date of such approval by the commissioner apply for  
19 additional state assistance payments for planning activities related to  
20 the updating of their current plan or development of a new farmland  
21 protection plan. Such additional state assistance payments shall not  
22 exceed fifty thousand dollars to each county agricultural and farmland  
23 protection board or one hundred thousand dollars to two such boards  
24 applying jointly, and shall not exceed fifty percent of the cost of  
25 preparing an agricultural and farmland protection plan. State assistance  
26 payments for implementation of approved agricultural and farmland  
27 protection plans may fund up to seventy-five percent of the cost of

29 assistance payments are requested. State assistance payments to such  
30 counties shall not exceed seventy-five percent of the cost of implement-  
31 ing the local plan or portion of the plan for which state assistance has  
32 been requested. Such maximum shall be increased by a percentage equal to  
33 the percentage of the total eligible costs for such specified projects  
34 that are contributed by the owner of the agricultural land for which the  
35 project is being funded, provided, however, that in no event shall the  
36 total of such state assistance payments exceed eighty-seven and one-half  
37 percent of such eligible costs for any specified project.]

38 2. (a) [A county agricultural and farmland protection board, two such  
39 boards acting jointly, a municipality or two such municipalities acting  
40 jointly shall make application to the commissioner in such manner as the  
41 commissioner may prescribe. Application for state assistance payments  
42 for planning activities may be made at any time after the county agri-  
43 cultural and farmland protection board has formed and has elected a  
44 chairperson.] A county [agricultural and farmland protection board] may  
45 make application for state assistance payments for plan implementation  
46 at any time after the commissioner has approved a county agricultural  
47 and farmland protection plan pursuant to section three hundred twenty-  
48 four of this article. Application made jointly by two [county agricul-  
49 tural and farmland protection boards] or more counties may be made after  
50 such agricultural and farmland protection plan is approved by each coun-  
51 ty pursuant to the provisions of section three hundred twenty-four of  
52 this article. State assistance payments to such counties shall not  
53 exceed seventy-five percent of the cost of implementing the county agri-  
54 cultural and farmland protection plan or portion of the plan for which  
55 state assistance has been requested. Such maximum shall be increased by  
56 a percentage equal to the percentage of the total eligible costs for

1 agricultural and farmland protection projects that are contributed by  
2 the owner of the agricultural land for which the project is being fund-  
3 ed; provided, however, that in no event shall the total of such state  
4 assistance payments exceed eighty-seven and one-half percent of such  
5 eligible costs for any agricultural and farmland protection project. The  
6 commissioner may require such information or additional planning as [he  
7 or she deems] they deem necessary to evaluate such a request for state  
8 assistance.

9 (b) Within a county, a municipality which has in place a local agri-  
10 cultural and farmland protection plan may apply and shall be eligible  
11 for [agricultural protection] state assistance payments to implement its  
12 plan, or a portion of its plan, provided the proposed project is  
13 endorsed for funding by the agricultural and farmland protection board  
14 for the county in which the municipality is located [and that any]. Any  
15 plan developed on or after January first, two thousand six [complies]  
16 must comply with section three hundred twenty-four-a of this article.  
17 State assistance payments to such municipalities shall not exceed seven-  
18 ty-five percent of the cost of implementing the local plan or portion of  
19 the plan for which state assistance has been requested. Such maximum  
20 shall be increased by a percentage equal to the percentage of the total  
21 eligible costs for [such specified] agricultural and farmland protection  
22 projects that are contributed by the owner of the agricultural land for  
23 which the project is being funded; provided, however, that in no event  
24 shall the total of such state assistance payments exceed eighty-seven  
25 and one-half percent of such eligible costs for any [specified] agricul-  
26 tural and farmland protection project. The commissioner may require such  
27 information or additional planning as [he or she deems] they deem neces-  
28 sary to evaluate such a request for state assistance.

29 (c) A soil and water conservation district may apply and shall be  
30 eligible for agricultural protection state assistance payments to imple-  
31 ment a county or municipal agricultural and farmland protection plan  
32 approved by the commissioner provided that the proposed project is  
33 endorsed for funding by the county agricultural and farmland protection  
34 board for the county in which the proposed project is located. A soil  
35 and water conservation district, two such soil and water conservation  
36 districts acting jointly, a soil and water conservation district and a  
37 municipality acting jointly, or a soil and water conservation district  
38 and a not-for-profit conservation organization acting jointly shall make  
39 application to the commissioner in such manner as the commissioner may  
40 prescribe. The proposed project must also be endorsed for funding by the  
41 municipality in which the proposed project is located if the soil and  
42 water conservation district is seeking agricultural protection state  
43 assistance payments to implement an approved municipal agricultural and  
44 farmland protection plan. Any soil and water conservation district  
45 proposing a project located within the city of New York must have its  
46 project endorsed for funding by the city council or by any board so  
47 delegated by its city council. State assistance payments to such soil  
48 and water conservation districts shall not exceed seventy-five percent  
49 of the cost of implementing the local plan or portion of the plan for  
50 which state assistance has been requested. Such maximum shall be  
51 increased by a percentage equal to the percentage of the total eligible  
52 costs for [such specified] agricultural and farmland protection projects  
53 that are contributed by the owner of the agricultural land for which the  
54 project is being funded; provided, however, that in no event shall the  
55 total of such state assistance payments exceed eighty-seven and one-half  
56 percent of such eligible costs for any [specified] agricultural and

1 farmland protection project. The commissioner may require such informa-  
2 tion or additional planning as [he or she deems] they deem necessary to  
3 evaluate such a request for state assistance.

4 (d) A not-for-profit conservation organization may apply and shall be  
5 eligible for agricultural protection state assistance payments to imple-  
6 ment a county or municipal agricultural and farmland protection plan  
7 approved by the commissioner provided that the proposed project is  
8 endorsed for funding by the [county agricultural and farmland protection  
9 board] legislative body for the [county] municipality in which the  
10 proposed project is located[. The proposed project must also be endorsed  
11 for funding by the municipality in which the proposed project is  
12 located] if the not-for-profit conservation organization is seeking  
13 [agricultural protection state assistance payments to implement]  
14 payments for an agricultural and farmland protection project consistent  
15 with an approved municipal agricultural and farmland protection plan.  
16 Any not-for-profit conservation organization proposing a project located  
17 within the city of New York must have its project endorsed for funding  
18 by the city council or by any board so delegated by its city council.  
19 State assistance payments to such not-for-profit organizations shall not  
20 exceed seventy-five percent of the cost of implementing the [local plan  
21 or portion of the plan] agricultural and farmland protection project for  
22 which state assistance has been requested. Such maximum shall be  
23 increased by a percentage equal to the percentage of the total eligible  
24 costs for [such specified] agricultural and farmland protection projects  
25 that are contributed by the owner of the agricultural land for which the  
26 project is being funded; provided, however, that in no event shall the  
27 total of such state assistance payments exceed eighty-seven and one-half  
28 percent of such eligible costs for any [specified] agricultural and  
29 farmland protection project. The commissioner may require such informa-  
30 tion or additional planning as [he or she deems] they deem necessary to  
31 evaluate such a request for state assistance.

32 (e) In evaluating applications for funding, the commissioner shall  
33 give priority to projects intended to preserve viable agricultural land  
34 as defined in section three hundred one of this chapter; that are in  
35 areas facing significant development pressure; and that serve as a buff-  
36 er for a significant natural public resource containing important  
37 ecosystem or habitat characteristics.

38 (f) In evaluating applications for funding, the commissioner shall  
39 consider whether future physical climate risk due to sea level rise,  
40 and/or storm surges and/or flooding, based on available data predicting  
41 the likelihood of future extreme weather events, including hazard risk  
42 analysis data if applicable, has been considered.

43 (g) In evaluating applications for funding, projects for protecting  
44 agricultural land that include farmer-purchaser farmland protection  
45 agreements are eligible for state assistance payments.

46 3. Upon receipt of a request for state assistance, the commissioner  
47 shall review the request, consult with the advisory council on agricul-  
48 ture and, within ninety days from the receipt of a complete application,  
49 shall make a determination as to whether or not such projects shall  
50 receive state assistance.

51 § 8. Subdivisions 2 and 6 of section 325-a of the agriculture and  
52 markets law, as added by chapter 268 of the laws of 2008, are amended to  
53 read as follows:

54 2. Awards of state assistance payments shall be made on a competitive  
55 basis through a request for proposal process which shall set forth the  
56 standards for the selection process, the required proposal format, the

1 costs which are eligible for funding, reporting requirements, and such  
2 other provisions as the commissioner may deem necessary, proper or  
3 desirable to achieve the purposes of this section. Applications for  
4 state assistance payments for activities to assist counties and municipi-  
5 palities outside the city of New York must be endorsed by the agricul-  
6 tural and farmland protection board for the county or counties in which  
7 the funded activities would be implemented. Any application associated  
8 with activities occurring within the city of New York must be endorsed  
9 for funding by the city council or by any board so delegated by its city  
10 council.

11 6. State assistance payments awarded pursuant to this section shall  
12 not exceed [fifty] seventy-five thousand dollars to any applicant in any  
13 fiscal year[, and shall not exceed five hundred thousand dollars to all  
14 applicants in any fiscal year].

15 § 9. The agriculture and markets law is amended by adding two new  
16 sections 325-b and 325-c to read as follows:

17 § 325-b. State assistance payments to counties. 1. Subject to the  
18 availability of funds, a program is hereby established for the purpose  
19 of awarding state assistance payments to counties to implement activ-  
20 ities of their approved agricultural and farmland protection plans other  
21 than agricultural and farmland protection projects funded pursuant to  
22 section three hundred twenty-five of this article. State assistance  
23 payments to such counties shall not exceed seventy-five percent of the  
24 cost of implementing the activities for which state assistance has been  
25 requested. The commissioner may require such information deemed neces-  
26 sary to evaluate such a request for state assistance. Eligible activ-  
27 ities shall include, but not be limited to:

28 (a) audit a municipality's land use and subdivision regulations,  
29 zoning, or site plan requirements to assess potential hardship or unrea-  
30 sonable restrictions to agricultural land and farm operations;

31 (b) audit a municipality's zoning to assess opportunities and chal-  
32 lenges to recruiting and retaining agriculture support service provid-  
33 ers;

34 (c) incorporate local and regional food system planning into existing  
35 emergency management and disaster plans of county and municipal govern-  
36 ments;

37 (d) compile and disseminate planning guide or guides that help identi-  
38 fy existing and emerging constraints for urban agriculture and suggested  
39 strategies for municipalities to encourage and sustain urban agricul-  
40 ture;

41 (e) compile and disseminate planning guide or guides in support of  
42 agricultural economic development, such as opportunities to incorporate  
43 agricultural tourism or other value-added enterprises to farm operations  
44 in a manner compatible with agricultural land use; and

45 (f) compile and disseminate planning guide(s) that help identify  
46 emerging land use conflicts with agriculture and suggested strategies  
47 for municipalities to avoid or mitigate potential harm to local farm  
48 operations.

49 § 325-c. State assistance payments for agricultural and farmland  
50 protection capacity building initiatives. 1. Subject to the availability  
51 of funds, state assistance payments may be awarded to counties, municipi-  
52 palities, soil and water conservation districts, and not-for-profit  
53 conservation organizations to increase staff capacity to accelerate  
54 locally-led agricultural and farmland protection projects. State  
55 assistance payments may provide up to one hundred percent of the cost of  
56 each awarded staff capacity initiative. The commissioner may require

1 such information as such commissioner deems necessary to evaluate such a  
2 request for state assistance. Any county, municipality, soil and water  
3 conservation district, or not-for-profit conservation organization which  
4 has previously received state assistance from an award from this program  
5 may, after one hundred twenty months from the date of the final payment  
6 associated with such prior award, apply for additional state assistance  
7 payments for agricultural and farmland protection capacity building.

8 2. Subject to the availability of funds, state assistance payments may  
9 be awarded to recently established not-for-profit conservation organiza-  
10 tions to specifically carry out locally led agricultural and farmland  
11 protection projects. State assistance payments may provide up to one  
12 hundred percent of qualified five-year start-up costs for such not-for-  
13 profit conservation organizations. The commissioner may require such  
14 information as they deem necessary to evaluate such a request for state  
15 assistance.

16 § 10. This act shall take effect immediately.

49 vehicle is purchased; provided, however, that the fee shall be paid by a  
50 purchaser to a tire service upon installation of new tires unless the

34 § 2. Paragraph b of subdivision 2 of section 27-1305 of the environ-  
35 mental conservation law, as amended by section 3 of part E of chapter 1  
36 of the laws of 2003, is amended to read as follows:

37 b. The department shall, as part of the registry, assess and, based  
38 upon new information received, reassess by March thirty-first of each  
39 year, in cooperation with the department of health, the relative need  
40 for action at each site to remedy environmental and health problems  
41 resulting from the presence of hazardous wastes at such sites including  
42 in such assessment whether sites shall be prioritized under paragraph b  
43 of subdivision five of section 27-1313 of this title due to site  
44 location in areas identified as a disadvantaged community pursuant to  
45 subdivision five of section 75-0101 of this chapter; provided, however,  
46 that if at the time of such assessment or reassessment, the department

49 negotiations for, or implementation of, a brownfield site cleanup agree-  
50 ment pursuant to title fourteen of this article, obligating the person  
51 subject to such agreement to, at a minimum, eliminate or mitigate all  
52 significant threats to the public health and environment posed by the  
53 hazardous waste pursuant to such agreement, the department shall defer

24 a reasonable attempt to determine who may be responsible is either  
25 unable to determine who may be responsible, or is unable to locate a  
26 person who may be responsible, the department may develop and implement  
27 an inactive hazardous waste disposal site remedial program for such  
28 site. The department shall prioritize implementation of remedial  
29 programs at sites located in disadvantaged communities as identified  
30 pursuant to subdivision five of section 75-0101 of this chapter. The

50 appointed. In addition, any regulations shall set forth findings to be  
51 based on a factual record, which must be made before the commissioner  
52 determines that a significant threat to the environment exists.]

53 2. Any regulations concerning a hearing pursuant to subdivision four  
54 of section 27-1313 of this title shall include provisions which estab-  
55 lish the procedures for such hearing and shall ensure a division of  
56 functions between the commissioner, the staff who present the case, and

1 any hearing officers appointed. In addition, any regulations shall set  
2 forth findings to be based on a factual record, which shall be made  
3 before the commissioner determines that a significant threat to the  
4 environment exists.

5 3. Such rules and regulations of the department as shall be in effect  
6 on the effective date of this subdivision that shall have been promul-  
7 gated to carry out the purposes of this title shall be deemed to be  
8 revised, as of the effective date of this subdivision, to include the  
9 definition of "hazardous waste" as it appears in section 27-1301 of this  
10 title.

11 § 5. Subdivision 2 of section 27-1323 of the environmental conserva-  
12 tion law, as added by section 9 of part E of chapter 1 of the laws of  
13 2003, is amended to read as follows:

14 2. Municipal exemption. (a) For the purposes of this title no municipi-  
15 ality or public corporation shall incur any liability [from any statu-  
16 tory claims of the state as an owner or operator of a site, or a person  
17 responsible for the disposal of a hazardous waste at such site, if such  
18 public corporation acquired such site involuntarily, and such public  
19 corporation retained such site without participating in the development  
20 of such site] as a responsible person.

21 (b) This exemption shall not apply to any municipality or public  
22 corporation that [has caused or contributed to the release or threatened  
23 release of a hazardous waste from or onto the site, or to any public  
24 corporation that generated, transported, or disposed of, arranged for,  
25 or that caused the generation, transportation, or disposal of hazardous  
26 waste, from or onto the site] through action or inaction, intentionally  
27 or recklessly caused or contributed to contamination, outside of its  
28 performance of governmental functions, which threatens public health or  
29 the environment, at real property it owns or operates.

30 (c) When used in this section:

31 (1) "Public corporation" means a public corporation as defined in  
32 section sixty-five of the general construction law, a local public  
33 authority, supervisory district, improvement district within a county,  
34 city, town, or village, or Indian nation or tribe recognized by the  
35 state or the United States with a reservation wholly or partly within  
36 the boundaries of New York state, or any combination thereof.

37 (2) "Involuntary acquisition of ownership or control" includes but is  
38 not limited to the following:

39 (i) Acquisitions by a public corporation in its sovereign capacity,  
40 including but not limited to acquisitions pursuant to abandonment  
41 proceedings or bequest;

42 (ii) Acquisitions by a public corporation, or its agent, acting as a  
43 conservator or receiver pursuant to a clear and direct statutory mandate  
44 or regulatory authority;

45 (iii) Acquisitions of assets through foreclosure and its equivalents,  
46 or otherwise, by a public corporation in the course of administering a  
47 loan, loan guarantee, tax lien, or tax forbearance agreement, or loan  
48 insurance program; or

49 (iv) Acquisitions by a public corporation pursuant to seizure, injunc-  
50 tion, condemnation, or forfeiture authority; provided that such owner-  
51 ship or control is not retained primarily for investment purposes.

52 (d) For the purpose of this section, the terms "foreclosure" and  
53 "foreclose" mean, respectively, acquiring or to acquire a brownfield  
54 site through:

55 (1) purchase at sale under a judgment or decree, power of sale, or  
56 non-judicial foreclosure sale;

1 (2) a deed in lieu of foreclosure, or similar conveyance, or abandon-  
2 ment from a person or trustee;

3 (3) conveyance pursuant to an extension of credit or tax forbearance  
4 previously contracted; or

5 (4) any other formal or informal manner by which a person acquires,  
6 for subsequent disposition, title to or possession of a site in order to  
7 protect the security interest of the public corporation or lender.

8 (e) ["Participating in development" means the carrying out, or causing  
9 or permitting the carrying out, of any above-grade improvements to the  
10 site or any other environmental investigation or remediation, except for  
11 those improvements which are part of a site remedial program pursuant to  
12 this article or in furtherance of site safety, such as fencing or light-  
13 ing, but does not include licensing, regulatory oversight, or the mere  
14 capacity to regulate or influence, or the unexercised right to control  
15 the operation of the property. For purposes of this section, participat-  
16 ing in development does not include:

17 (1) having the capacity to influence management of a site;

18 (2) having the unexercised right to control or to regulate the site or  
19 operations thereof;

20 (3) holding, abandoning, or releasing a security interest or tax lien  
21 on such site;

22 (4) including a condition relating to environmental compliance in a  
23 contract, permit, license, or security agreement;

24 (5) monitoring or enforcing the terms and conditions of an agreement  
25 or tax forbearance agreement;

26 (6) monitoring or undertaking one or more inspections of a site  
27 including, but not limited to, boring test wells;

28 (7) exercising other remedies available under applicable laws;

29 (8) licensing, permitting, or granting permits, certificates of occu-  
30 pancy and variances as allowed by law and/or regulation;

31 (9) applying for or participating in federal or state statutory  
32 programs or benefits; or

33 (10) declining to take any of the actions described in subparagraphs  
34 one through nine of this paragraph.

35 (f) Any public corporation that has taken possession of a site shall  
36 notify the department of any release of hazardous waste within ten days  
37 of obtaining actual knowledge of such release, unless a shorter notice  
38 period is required under any other provision of law, in which case the  
39 shorter notice period controls. Failure to notify the department within  
40 the ten day or shorter notification period shall result in the loss of  
41 the exemption set forth in this section.

42 § 6. The environmental conservation law is amended by adding a new  
43 section 27-1325 to read as follows:

44 § 27-1325. Financial responsibility provisions.

45 1. The department may promulgate regulations regarding financial  
46 responsibility for the implementation of an inactive hazardous waste  
47 disposal site remedial program.

48 2. Financial responsibility required by subdivision one of this  
49 section may be established in accordance with regulations promulgated by  
50 the commissioner by any one, or any combination, of the following:  
51 insurance, guarantee, surety bond, letter of credit, or qualification as  
52 a self-insurer. In promulgating requirements under this section, the  
53 commissioner is authorized to specify policy or other contractual terms,  
54 conditions, or defenses which are necessary or are unacceptable in  
55 establishing such evidence of financial responsibility in order to  
56 effectuate the purposes of this article.

1 3. In any case where the responsible party is in bankruptcy, reorgan-  
2 ization, or arrangement pursuant to the Federal Bankruptcy Code or  
3 where, with reasonable diligence, jurisdiction in any state or federal  
4 court within the state cannot be obtained over a responsible party like-  
5 ly to be solvent at the time of judgment, any claim arising from conduct  
6 for which evidence of financial responsibility shall be provided under  
7 this section may be asserted directly against the guarantor providing  
8 such evidence of financial responsibility. In the case of any action  
9 pursuant to this subdivision, such guarantor shall be entitled to invoke  
10 all rights and defenses which would have been available to the responsi-  
11 ble party if any action had been brought against the responsible party  
12 by the claimant and which would have been available to the guarantor if  
13 an action had been brought against the guarantor by the responsible  
14 party.

15 4. The total liability of any guarantor shall be limited to the aggre-  
16 gate amount which the guarantor has provided as evidence of financial  
17 responsibility to the responsible party under this chapter. Nothing in  
18 this subdivision shall be construed to limit any other state or federal  
19 statutory, contractual or common law liability of a guarantor to its  
20 responsible party including, but not limited to, the liability of such  
21 guarantor for bad faith either in negotiating or in failing to negotiate  
22 the settlement of any claim. Nothing in this subdivision shall be  
23 construed to diminish the liability of any person under section 27-1313  
24 of this article or other applicable law.

25 5. For the purpose of this section, the term "guarantor" means any  
26 person, other than the responsible party, who provides evidence of  
27 financial responsibility for a responsible party under this section.

28 § 7. The environmental conservation law is amended by adding a new  
29 section 27-1327 to read as follows:

30 § 27-1327. Recovery of response costs and natural resource damages.

31 1. Each responsible person as defined in section 27-1313 of this title  
32 shall be strictly liable, jointly and severally, for all response costs  
33 and for all natural resource damages resulting from the disposal of  
34 hazardous waste at an inactive hazardous waste disposal site. The  
35 commissioner may commence an action in a court of competent jurisdiction  
36 to recover the response costs and/or natural resource damages. The  
37 commissioner shall prioritize securing relief or other action at sites  
38 placed in classification 1 or 2, as described in subparagraphs one and  
39 two of paragraph b of subdivision two of section 27-1305 of this title,  
40 that are located in disadvantaged communities as identified pursuant to  
41 subdivision five of section 75-0101 of this chapter.

42 2. A determination or assessment of natural resource damages for the  
43 purposes of this section made or adopted by the commissioner in accord-  
44 ance with any applicable regulations promulgated under section 27-1315  
45 of this title or under section 9651(c) of title 42 of the United States  
46 Code shall have the force and effect of a rebuttable presumption on  
47 behalf of the commissioner in any judicial proceeding.

48 3. In an action to recover response costs and/or natural resource  
49 damages, the commissioner may also seek civil penalties under section  
50 71-2705 of this chapter.

51 4. All amounts received to satisfy liability for natural resource  
52 damages shall be credited to the department's natural resource damages  
53 fund to be used exclusively to pay or reimburse costs of assessing  
54 natural resource damages and restore, replace, and/or acquire the equiv-  
55 alent of the affected natural resources. The measure of compensation for  
56 injury to, destruction of, or loss of natural resources is the cost of:

1 (a) restoration or rehabilitation of the injured natural resources to  
2 a condition where they can provide the level of services available had  
3 the disposal of hazardous waste not occurred; or

4 (b) the replacement and/or acquisition of equivalent natural  
5 resources capable of providing such services.

6 5. The state shall have a lien for all response costs incurred by the  
7 state and for all natural resource damages for which a judicial determi-  
8 nation of liability has been made upon such real property located within  
9 the state:

10 (a) owned by a person liable to the state for such response costs  
11 and/or natural resource damages under this title at the time a notice of  
12 environmental lien is filed; and

13 (b) upon which the disposal of hazardous wastes occurred.

14 6. An environmental lien shall attach when:

15 (a) response costs are incurred by the state and/or a judicial judg-  
16 ment of liability for natural resource damages is entered;

17 (b) the responsible person fails to pay such costs within ninety days  
18 after a written demand therefor by the state is mailed by certified or  
19 registered mail, return receipt requested, and/or fails to pay such  
20 natural resource damages within ninety days after entry of judgment; and

21 (c) a notice of environmental lien is filed by the department as  
22 provided in paragraph (a) of subdivision ten of this section; provided,  
23 however, that a copy of the notice of environmental lien is served upon  
24 the owner of the real property subject to the environmental lien within  
25 thirty days of such filing in accordance with the provisions of section  
26 eleven of the lien law.

27 7. (a) An environmental lien shall continue against the real property  
28 until:

29 (i) the claim or judgment against the person referred to in subdivi-  
30 sion one of this section for response costs and/or natural resource  
31 damages is satisfied or becomes unenforceable;

32 (ii) the lien is released by the commissioner pursuant to this subdivi-  
33 vision;

34 (iii) the lien is discharged by payment of monies into court; or

35 (iv) the lien is otherwise vacated by court order.

36 (b) Upon the occurrence of any event under subparagraphs (i) through  
37 (iv) of paragraph (a) of this subdivision, except where the lien is  
38 vacated by court order, the commissioner shall execute the release of an  
39 environmental lien and file the release as provided in subdivision nine  
40 of this section. The commissioner may release an environmental lien  
41 where:

42 (i) a legally enforceable agreement satisfactory to the commissioner  
43 has been executed relating to the response costs and/or natural resource  
44 damages that are the subject of the lien or reimbursing the state for  
45 such response costs and/or natural resource damages; or an owner or  
46 operator of the site subject to the lien agrees to perform remedial  
47 work, site management, or other in-kind services of sufficient value to  
48 the commissioner; or

49 (ii) the attachment or enforcement of the environmental lien is deter-  
50 mined by the commissioner not to be in the public interest.

51 8. An environmental lien is subject to the rights of any other person,  
52 including an owner, purchaser, holder of a mortgage or security inter-  
53 est, or judgment lien creditor, whose interest is perfected before a  
54 lien notice has been filed as provided in subdivision ten of this  
55 section.

56 9. A notice of environmental lien shall state:

- 1 (a) that the lienor is the state of New York;  
2 (b) the name of the record owner of the real property on which the  
3 environmental lien has attached;  
4 (c) the real property subject to the lien, with a description thereof  
5 sufficient for identification;  
6 (d) that the real property described in the notice is the property  
7 upon which a disposal of hazardous wastes occurred and that response  
8 costs have been incurred by the lienor and/or that natural resource  
9 damages have been judicially determined to be due to the lienor as a  
10 result of such disposal;  
11 (e) that the owner is potentially liable for response costs and/or  
12 subject to a judgment for natural resource damages pursuant to this  
13 title; and  
14 (f) that an environmental lien has attached to the described real  
15 property.

16 10. (a) A notice of environmental lien shall be filed in the clerk's  
17 office of the county where the property is situated. If such property is  
18 situated in two or more counties, the notice of environmental lien shall  
19 be filed in the office of the clerk of each of such counties. The notice  
20 of lien shall be indexed by the county clerk in accordance with the  
21 provisions of section ten of the lien law. The notice of lien shall be  
22 served upon the owner of the real property subject to the lien in  
23 accordance with the provisions of section eleven of the lien law.

24 (b) A release of an environmental lien shall be filed in the clerk's  
25 office of each county where the notice of environmental lien was filed  
26 and shall be indexed in the manner prescribed for indexing environmental  
27 liens.

28 11. An environmental lien may be enforced against the property speci-  
29 fied in the notice of environmental lien, and an environmental lien may  
30 be vacated or discharged, as prescribed in article three of the lien  
31 law; provided, however, that nothing in this article or in article three  
32 of the lien law shall affect the right of the state to bring an action  
33 to recover response costs and/or natural resource damages under section  
34 one hundred seven of the federal comprehensive environmental recovery,  
35 compensation and liability act (42 U.S.C. § 9601 et seq).

36 12. Amounts received by the administrator to satisfy all or part of an  
37 environmental lien for response costs shall be deposited in the depart-  
38 ment's hazardous waste remedial fund, and amounts received to satisfy  
39 all or part of an environmental lien for natural resource damages shall  
40 be deposited in the department's natural resource damages fund.

41 13. (a) An owner or operator of an inactive hazardous waste disposal  
42 site whose liability under this title and/or 42 U.S.C. § 9607 et seq.  
43 arises solely from being considered an owner or operator of such site  
44 shall not be liable as long as it can demonstrate that one or more of  
45 the affirmative defenses in paragraph (a) of subdivision four of section  
46 27-1323 of this title applies, and the owner or operator does not impede  
47 the performance of a response action or natural resource restoration.

48 (b) If there are unrecovered response costs incurred by the department  
49 at an inactive hazardous waste disposal site for which an owner or oper-  
50 ator of the site is not liable by reason of paragraph (a) of this subdivi-  
51 sion, and if each of the conditions described in paragraph (c) of this  
52 subdivision is met, the department shall have a lien on the facility, or  
53 may by agreement with the owner or operator, obtain from the owner or  
54 operator a lien on any other property or other assurance of payment  
55 satisfactory to the department, for the unrecovered response costs.

1 (c) The conditions referred to in paragraph (b) of this subdivision  
2 are the following:

3 (i) A response action for which there are unrecovered costs of the  
4 department is carried out at the inactive hazardous waste disposal site.

5 (ii) The response action increases the fair market value of the site  
6 above the fair market value of the site that existed before the response  
7 action was initiated.

8 (d) A lien under paragraph (b) of this subdivision:

9 (i) shall be in an amount not to exceed the increase in fair market  
10 value of the property attributable to the response action at the time of  
11 a sale or other disposition of the property;

12 (ii) shall arise at the time at which costs are first incurred by the  
13 department with respect to a response action at the site;

14 (iii) shall be subject to the requirements of subdivisions seven,  
15 eight, and nine of this section; and

16 (iv) shall continue until the earlier of:

17 (A) satisfaction of the lien by sale or other means; or

18 (B) recovery of all response costs incurred at the site.

19 § 8. The environmental conservation law is amended by adding a new  
20 section 27-1329 to read as follows:

21 § 27-1329. Abatement actions.

22 1. Maintenance, jurisdiction, etc. When the commissioner determines  
23 that there may be an imminent danger or significant threat to the health  
24 or welfare of the people of the state or the environment, or results in  
25 or is likely to result in irreversible or irreparable damage to natural  
26 resources because of an actual or threatened release of a hazardous  
27 substance from an inactive hazardous waste disposal site, the commis-  
28 sioner may request the attorney general to secure such relief as may be  
29 necessary to abate such danger or threat and to grant such relief as the  
30 public interest and the equities of the case may require. The commis-  
31 sioner may also take other action under this section including, but not  
32 limited to, issuing such orders as may be necessary to protect public  
33 health and welfare and the environment.

34 2. Fines; reimbursement. (a) Any person who, without sufficient cause,  
35 fails or refuses to comply with, any order of the commissioner under  
36 subdivision one of this section may, in an action brought in the appro-  
37 priate court of competent jurisdiction to enforce such order, be fined  
38 not more than thirty-seven thousand five hundred dollars for each day in  
39 which such violation occurs or such failure to comply continues.

40 (b) (i) Any person who receives and complies with the terms of any  
41 order issued under subdivision one of this section may, within sixty  
42 days after completion of the required action, petition the commissioner  
43 for reimbursement from the hazardous waste remedial fund pursuant to  
44 section ninety-seven-b of the state finance law for the reasonable costs  
45 of such action, plus interest. Any interest payable under this subpara-  
46 graph shall accrue on the amounts expended from the date of expenditure  
47 at the same rate as specified for interest on investments of the hazard-  
48 ous substance superfund established under subchapter A of chapter 98 of  
49 title 26 of the federal comprehensive environmental response, compen-  
50 sation, and liability act.

51 (ii) If the commissioner refuses to grant all or part of a petition  
52 made under this paragraph, the petitioner may within thirty days of  
53 receipt of such refusal file an action against the department pursuant  
54 to article seventy-eight of the civil practice law and rules.

55 (iii) Except as provided in subparagraph (iv) of this paragraph, to  
56 obtain reimbursement, the petitioner shall establish by a preponderance

1 of the evidence that such petitioner is not liable for response costs  
2 under section 27-1313 of this title and that costs for which such peti-  
3 tioner seeks reimbursement are reasonable in light of the action  
4 required by the relevant order.

5 (iv) A petitioner under subparagraph (i) of this paragraph may also  
6 recover its reasonable costs of response to the extent that such peti-  
7 tioner can demonstrate, on the administrative record, that the commis-  
8 sioner's decision in selecting the response action ordered was arbitrary  
9 and capricious or was otherwise not in accordance with law. Reimburse-  
10 ment awarded under this subparagraph shall include all reasonable  
11 response costs incurred by the petitioner pursuant to the portions of  
12 the order found to be arbitrary and capricious or otherwise not in  
13 accordance with law.

14 (v) Reimbursement awarded by a court under subparagraph (iii) or (iv)  
15 of this paragraph may include appropriate costs, fees, and other  
16 expenses in accordance with section eighty-six hundred one of the civil  
17 practice law and rules.

18 § 9. Subdivisions 1 and 4 of section 97-b of the state finance law,  
19 subdivision 1 as amended by section 3 of part AA of chapter 58 of the  
20 laws of 2018 and subdivision 4 as amended by chapter 38 of the laws of  
21 1985, are amended to read as follows:

22 1. There is hereby established in the custody of the state comptroller  
23 a nonlapsing revolving fund to be known as the "hazardous waste remedial  
24 fund", which shall consist of a "site investigation and construction  
25 account", an "industry fee transfer account", an "environmental restora-  
26 tion project account", a "hazardous waste cleanup account", and a  
27 "hazardous waste remediation oversight and assistance account".

28 4. [No] With respect to moneys in the hazardous waste cleanup account,  
29 no moneys shall be available from the fund pursuant to paragraph (a) of  
30 subdivision three of this section unless the commissioner of environ-  
31 mental conservation finds that all reasonable efforts to secure volun-  
32 tary agreement to pay the costs of necessary remedial actions from  
33 owners or operators of inactive hazardous waste sites or other responsi-  
34 ble persons have been made except where the commissioner of environ-  
35 mental conservation has made findings pursuant to paragraph b of subdi-  
36 vision three of section 27-1313 of the environmental conservation law  
37 [or where]; the commissioner of health has declared a condition danger-  
38 ous to life or health and made findings pursuant to paragraph (b) of  
39 subdivision three of section one thousand three hundred eighty-nine-b of  
40 the public health law; the commissioner of health or the commissioner of  
41 environmental conservation has determined that immediate action in the  
42 form of a remedial investigation and/or an interim remedial measure is  
43 necessary to abate a threat to the public health or the environment; or  
44 the site is owned by the state or the state is a responsible person.

45 § 10. Paragraphs (a) and (j) of subdivision 3 of section 97-b of the  
46 state finance law, paragraph (a) as amended by section 4 of part I of  
47 chapter 1 of the laws of 2003 and paragraph (j) as amended by section 5  
48 of part T of chapter 57 of the laws of 2017, are amended and a new para-  
49 graph (k) is added to read as follows:

50 (a) inactive hazardous waste disposal site remedial programs pursuant  
51 to section 27-1313 of the environmental conservation law and section  
52 thirteen hundred eighty-nine-b of the public health law, including sites  
53 that are owned by the state;

54 (j) with respect to moneys in the hazardous waste remediation over-  
55 sight and assistance account, technical assistance grants pursuant to

1 titles thirteen and fourteen of article twenty-seven of the environ-  
2 mental conservation law; and

3 (k) with respect to moneys in the hazardous waste remediation over-  
4 sight and assistance account, oversight expenditures for ensuring the  
5 continued maintenance and operation of engineering controls pursuant to  
6 subdivision seven of section 27-1415 of the environmental conservation  
7 law.

8 § 11. Subdivision 3 of section 1285-q of the public authorities law,  
9 as amended by section 43 of part BB of chapter 56 of the laws of 2015,  
10 is amended to read as follows:

11 3. The maximum amount of bonds that may be issued for the purpose of  
12 financing hazardous waste site remediation projects and environmental  
13 restoration projects authorized by this section shall not exceed [two]  
14 three billion [two] four hundred fifty million dollars [and shall not  
15 exceed one hundred million dollars for appropriations enacted for any  
16 state fiscal year], provided that the bonds not issued for such appro-  
17 priations may be issued pursuant to reappropriation in subsequent fiscal  
18 years. No bonds shall be issued for the repayment of any new appropri-  
19 ation enacted after March thirty-first, two thousand [twenty-six] thir-  
20 ty-six for hazardous waste site remediation projects authorized by this  
21 section. Amounts authorized to be issued by this section shall be exclu-  
22 sive of bonds issued to fund any debt service reserve funds, pay costs  
23 of issuance of such bonds, and bonds or notes issued to refund or other-  
24 wise repay bonds or notes previously issued. Such bonds and notes of the  
25 corporation shall not be a debt of the state, and the state shall not be  
26 liable thereon, nor shall they be payable out of any funds other than  
27 those appropriated by this state to the corporation for debt service and  
28 related expenses pursuant to any service contracts executed pursuant to  
29 subdivision one of this section, and such bonds and notes shall contain  
30 on the face thereof a statement to such effect.

## PART ZZ

39 Section 1. Subdivision (a) of section 314 of the tax law, as amended  
40 by chapter 190 of the laws of 1990, is amended to read as follows:

41 (a) General.--Except in accordance with proper judicial order or as  
42 otherwise provided by law, it shall be unlawful for any tax commission-  
43 er, any officer or employee of the department of taxation and finance,  
44 or any person who, pursuant to this section, is permitted to inspect any  
45 return, or to whom any information contained in any return is furnished,  
46 or any person engaged or retained by such department on an independent  
47 contract basis, or any person who in any manner may acquire knowledge of  
48 the contents of a return filed pursuant to this article, to divulge or  
49 make known in any manner the amount of income or gross receipts or any  
50 particulars set forth or disclosed in any return under this article. The  
51 officers charged with the custody of such returns shall not be required  
52 to produce any of them or evidence of anything contained in them in any  
53 action or proceeding in any court, except on behalf of the state or the  
54 commissioner of taxation and finance in an action or proceeding under

1 the provisions of this chapter or in any other action or proceeding  
2 involving the collection of a tax due under this chapter to which the  
3 state or the commissioner is a party or a claimant, or on behalf of any  
4 party to any action or proceeding under the provisions of this article  
5 when the returns or facts shown thereby are directly involved in such  
6 action or proceeding, in any of which events the court may require the  
7 production of, and may admit in evidence, so much of said returns or of  
8 the facts shown thereby as are pertinent to the action or proceeding and  
9 no more. The commissioner may, nevertheless, publish a copy or a summary  
10 of any determination or decision rendered after the formal hearing  
11 provided for in this chapter. Nothing herein shall be construed to  
12 prohibit the delivery to a petroleum business or its duly authorized  
13 representative of a copy of any return filed by it, nor to prohibit the  
14 publication of statistics so classified as to prevent the identification  
15 of particular returns and the items thereof, or the disclosure of data  
16 other than taxpayer identity information from a return or returns of one  
17 or more petroleum or fossil fuel businesses to the department of envi-  
18 ronmental conservation or the New York state energy research and devel-

24 law, or the publication of delinquent lists showing the names of petro-  
25 leum businesses who have failed to pay their taxes at the time and in  
26 the manner provided by section three hundred eight of this article  
27 together with any relevant information which in the opinion of the  
28 commissioner may assist in the collection of such delinquent taxes; or  
29 the inspection by the attorney general or other legal representatives of  
30 the state of the return of any petroleum business which shall bring  
31 action to set aside or review the tax based thereon, or against whom an  
32 action or proceeding under this chapter has been recommended by the  
33 commissioner or the attorney general or has been instituted; or the  
34 inspection of the returns of any petroleum business by the comptroller  
35 or duly designated officer or employee of the state department of audit  
36 and control, for purposes of the audit of a refund of any tax paid by  
37 such petroleum business under this article. Provided, further, nothing  
38 herein shall be construed to prohibit the disclosure of taxpayer identi-  
39 ty information, including name, mailing address and taxpayer identifying  
40 number (social security account number, or such other number as has been  
41 assigned by the secretary of the United States treasury or [his] such  
42 secretary's delegate, or by the commissioner of taxation and finance),  
43 with respect to persons who are registered as residual petroleum product  
44 or aviation fuel businesses under this article or as distributors of  
45 motor fuel or diesel motor fuel or kero-jet fuel only for the purpose of  
46 article twelve-A of this chapter or this article, whose registration as  
47 a residual petroleum product business or as such distributor has been  
48 cancelled or suspended pursuant to this article or such article twelve-A  
49 or whose application for registration as a residual petroleum product  
50 business or as such distributor has been refused pursuant to this arti-  
51 cle or such article twelve-A. In addition, the commissioner may disclose  
52 the fact that a person is not registered as a residual petroleum busi-  
53 ness under this article or as a distributor of motor fuel, diesel motor  
54 fuel or kero-jet fuel only under article twelve-A of this chapter.  
55 Information disclosed pursuant to this subdivision shall not, by itself,

#### PART BBB

29 Section 1. Legislative intent. Pursuant to 2 U.S.C. § 2131, every  
30 state is invited to provide and furnish to the United States Capitol two  
31 statues, in marble or bronze, of deceased persons who were distinguished  
32 and prominent citizens of the state for placement in the National Statu-  
33 ary Hall Collection. New York is currently represented in the National  
34 Statuary Hall Collection at the United States Capitol by Robert R.  
35 Livingston and George Clinton, statues which were placed there in the  
36 1870s.

37 Pursuant to 2 U.S.C. § 2132, a state has the option to replace statues  
38 in the National Statuary Hall, that have been displayed for at least 10  
39 years, by making a request to the Joint Committee on the Library of  
40 Congress.

41 The Legislature recognizes that Harriet Tubman was a distinguished and  
42 prominent New Yorker who meets the high standards required to represent  
43 the great state of New York in the United States Capitol. One of Ameri-  
44 ca's most famous abolitionists, Harriet Tubman was born enslaved in  
45 Maryland in 1822 before escaping to freedom. She became a leading figure  
46 of the Underground Railroad and she risked her life to help free dozens  
47 of enslaved people. During the Civil War she became one of the first  
48 African American woman to serve in the military. In 1859, Harriet Tubman  
49 purchased property in Auburn, NY, where she would live until her death  
50 in 1913.

51 § 2. Commission. (a) A commission is hereby established to replace the  
52 statue of Robert R. Livingston with a statue of Harriet Tubman in the

1 National Statuary Hall of the United States Capitol. The commission  
2 shall consist of the following appointees: the Governor, or a designee,  
3 the Temporary President of the Senate, or a designee, the Speaker of the  
4 Assembly, or a designee, the Executive director of the council on the  
5 arts, or a designee, and the Commissioner of the office of general  
6 services, or a designee.

7 (b) The commission shall be responsible for selecting the design of  
8 the statue of Harriet Tubman. The statue shall be designed and created  
9 in accordance with the published guidelines set forth by the Architect  
10 of the United States Capitol.

11 (c) The Governor, along with the commission, shall submit an official,  
12 written request, along with a copy of this act to the Joint Committee on  
13 the Library of Congress, the Architect of the Capitol, the Speaker of  
14 the United States House of Representatives, and the Presiding Officer of  
15 the United States Senate. The request shall include a description of the  
16 location in the state where the replaced statue of Robert R. Livingston  
17 will be displayed after it is transferred.

18 (d) Upon approval for replacement of the statue of Robert R. Living-  
19 ston by the Architect of the Capitol with a statue of Harriet Tubman,  
20 the Governor shall formalize an agreement between the Architect of the  
21 Capitol and the State of New York to complete the process.

22 § 3. This act shall take effect September 1, 2025.

23 § 2. This act shall take effect immediately.

24 § 2. Severability clause. If any clause, sentence, paragraph, subdivi-  
25 sion, section or part of this act shall be adjudged by any court of  
26 competent jurisdiction to be invalid, such judgment shall not affect,  
27 impair, or invalidate the remainder thereof, but shall be confined in  
28 its operation to the clause, sentence, paragraph, subdivision, section  
29 or part thereof directly involved in the controversy in which such judg-  
30 ment shall have been rendered. It is hereby declared to be the intent of  
31 the legislature that this act would have been enacted even if such  
32 invalid provisions had not been included herein.

33 § 3. This act shall take effect immediately provided, however, that  
34 the applicable effective date of Parts A through BBB of this act shall  
35 be as specifically set forth in the last section of such Parts.
