January 28, 2008

Dear Colleagues:

I am pleased to provide you with the Statistical and Narrative Summary of the Executive Budget for the upcoming State Fiscal Year, April 1, 2008 to March 31, 2009. The "Yellow Book" is intended to provide the Members of the Committee, the Members of the Assembly, and the public with an overview of the fiscal and policy proposals made by the Governor in the bills submitted as his Executive Budget on January 22, 2008. This document presents the budget as introduced and does not reflect acceptance of the proposals put forth by the Executive.

The "Yellow Book" marks the beginning of the Legislature's public review of the Governor's proposed budget. It is the Assembly's preliminary response to the budget, as required by Section 53 of the Legislative Law. Joint legislative fiscal committee hearings on the budget proposal begin our efforts to ensure public accessibility and accountability. This year, these hearings commence on January 28, 2008 and conclude on February 13, 2008.

Section One, Overview of Executive Budget, provides an executive summary of the Governor's proposal for State Fiscal Year 2008-09 including analysis intended to place the proposed financial plan and spending in major programmatic areas in perspective. The section also includes an analysis of the national economy and the Executive's revenue forecast. The overview also lists the appropriation budget bills and detail on the non-appropriation budget bills.

Section Two, Summary of Recommended Appropriations by Agency, provides an overview of current appropriations and recommendations for the 2008-09 State Fiscal Year for each agency, a presentation of the proposed changes in each agency's budgeted personnel level, and a description of the programmatic and statutory modifications proposed in Article VII legislation included with the Executive Budget submission. The section reflects the structure of the Executive Budget appropriation bills. Agencies are presented in alphabetical order within the appropriation bills as they appear in the Governor's proposed budget.

Speaker Silver and I know that you share our goal of producing an on-time budget that is fair and equitable – a budget that meets our obligation to education, that does not deprive New Yorkers of good health care and promotes economic security for working families through a thoughtful and rational approach to economic development, job creation and sound energy policy. We must provide our children, our elderly, and all families with opportunities for a better future.

As the Legislature begins its work on the State Fiscal Year 2008-09 Budget, I would like to express appreciation to my Assembly colleagues for the time and commitment you will dedicate to the budget process. I would also like to convey to the Ways and Means Committee staff my gratitude for their outstanding efforts to produce this document, which is a tremendous resource for the Members of the Assembly.

Sincerely,
