**Eligibility:** State Governments and Counties. Grant recipients are aided by local social services districts. Individual families must: (a) have household income less than the higher of 60% of State median income or 150 percent of the poverty level or (b) contain one person receiving Public Assistance, SSI or Food Stamps. Households must have living arrangements which require direct payment to an energy supplier for heat or require undesignated payments for heat in the form of rent.

**Type of Program and Special Restrictions:** Mandated, required by State law or regulations, provided Federal funds are available. Priority must be given to households with the lowest income and the highest energy burden in relation to income, taking into account family size and targeted to households with young children, elderly individuals and disabled individuals. Funds must be used for payment of home heating costs. No more than 15 percent of total funds may be used for weatherization and/or conservation. No more than 10 percent of total funds may be used for State Planning and Administration.

**Action Required to Receive Aid:** Non-competitive application for aid required.

**Description of Aid:**

**Flow of Funds:** Federal to State to Local (Pass-through). Monies are provided through a Block Grant.

**Type of Aid:** Ongoing. Annual Block Grant appropriation.

**Formula:** Grants to states are based on a specific funding formula contained in authorizing Federal statute. Initial local allocations are based on each county's pro rata share of prior year expenditures and are adjusted once the season closes to reflect the actual amount of HEAP benefits paid.

**Matching Requirement:** NA

**Maintenance of Effort:** NA
