NYS Office Addiction Services & Supports (OASAS), Street Outreach

This funding is for organizations to provide services through mobile outreach to expand harm reduction education, support, resources and linkages. Providers will target individuals who actively use drugs and: are not engaged in harm reduction or treatment services, face chronic barriers to care, or live far from traditional brick-and-mortar harm reduction services. Street outreach teams build trust with individuals over time while providing services that reduce potentially negative consequences associated with substance use and link them to appropriate, sought out/or requested additional care. The ultimate objective of the initiative is to reduce drug related fatalities, transmission of infectious diseases (such as HIV/HCV) and expand access to care.
